"The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about." – The Globe and Mail
Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.

"Elmore Leonard fans should be pleased." —Publishers Weekly "Darby Holland is a modern hero in the mod of Sam Spade and Marlow only with more tattoos and in steel-toed boots." —Ace Atkins, New York Times bestselling author of Robert B. Parker's Slow Burn
In this third novel in the Darby Holland Crime Novel series, Darby's past rises up to do more than haunt him. You can run, but in the information age you can only hide for so long. Midnight Rider Productions is a dark web nightmare machine, headed by the one man who years ago drove Darby to hide in the seamy environs of Old Town and make his life there. But Darby left his own mark back in the day and the shadowy head of production has a grudge to settle. Rider has found him at long last and plans to make an example of him. Every dark secret of Darby's is exposed, every triumph reversed, every dream made real is set on fire, and as the Feds circle, smelling blood in the water, Darby has to run the most brutal rearguard action in the history of crime-meets-crime and gamble that he has finally grown powerful enough, crazy enough, and hard enough to beat the Devil himself. Meanwhile his best friend and should-be lover Delia, is about to be married to someone with his own dark secrets. With the help of his friends new and old, Darby must save Delia and himself and the rest of the Lucky Supreme faithful as he plays one force against another with desperate brilliance in an epic conflict that rages through the dark underbelly of Portland, Oregon.

strong The Psychology of Lean Improvements: Why Organizations Must Overcome Resistance and Change the Culture examines the psychology behind why businesses avoid Lean transformations. It investigates why businesses cling to the eight deadly wastes and why they still find ways to place continuous improvement on the back burner. Frequently sought out for his expertise in Lean manufacturing, Chris Ortiz has been featured in a number of trade publications and on the television show Inside Business with Fred Thompson. In this book, Mr. Ortiz breaks down the fear of change within executives and organizational leaders. He examines the psychology of dysfunction, provides insight into why so many businesses fall short in creating visions for growth and prosperity, and identifies tools that can help you address resistance to change. Detailing implementation techniques with a proven track record for success, the book considers specific strategies that can be helpful towards improving your company and changing its culture—including cellular manufacturing, total productive maintenance, setup reduction, Kanban, visual communication, and in-line production. It explains how to get started on your Lean transformation, describes why an economic downturn might be a good time to embrace Lean, and warns of the dangers behind failing to do so.
STRONGChris A. Ortiz is the founder and president of Kaizen Assembly, a Lean manufacturing training and implementation firm in Bellingham, Washington. Watch Chris has being interviewed on Inside Business with Fred Thompson on CNN Headline News. (<http://www.youtube.com/watch?v=LMm3fVsbPtM>)

Toyota's sustained growth attracts the attention of economists and industrialists around the world eager to learn the secrets of Toyota's lasting success. In *Inside the Mind of Toyota: Management Principles for Enduring Growth*, Satoshi Hino examines the source of Toyota's strength: the fundamental thinking and management structures that lie beneath the creation of its famed Toyota Production System. From the perspective of a professional with 30 years experience in the auto industry, Hino presents a fresh and detailed analysis of Toyota's essential management system, from its very beginnings into the 21st century. The ultimate goal is not simply to mimic Toyota's formula, but to learn from it and, in doing so, surpass it. From the Translator's Foreword: Unlike most Toyota watchers, Hino urges us to set our sights not on replicating Toyota's success, but on surpassing it. This point is crucial, because it moves our attention away from slavish imitation of what is visible on the surface and challenges us to tap into deeper and more powerful mechanisms of excellence. This is not a cookbook and it is not 'Toyota Lite.' It deserves serious study, application and experimentation. Learn how Toyota thinks, Hino is telling us. Learn Toyota's strengths, make them your own and then exceed them. —Andrew Dillon, September

This is a story of many distractions I had throughout my life that kept me from doing what needed to be done. It has so much of my thoughts, dreams, nightmares and experiences, mystery, craziness, magic, life, spirits, how, and why things happened. This is just an introduction of how my life has been and what has happened over time. How I got through what I went through and survived. Did I have a mental breakdown? I don't know, maybe. Some of this could have just been in my head. This is my life experiences and what happened to me. I survived on my own. No drugs, no alcohol...I had no choice but to deal with it... head on. God stayed with me and gave me the strength to do it. Take this story as is or a metaphor of the imagination...It's totally up to you

Drivers buy more wheels and tires for their cars and trucks than any other aftermarket accessory. This book is a comprehensive source for wheel and tire information. Whether you want to know how your wheels and tires actually work and how they affect vehicle performance, or whether you just need advice as to what best suits your vehicle, this book provides the information you are looking for. This book covers daily use and competition cars and trucks, including off-road, circle track, drag, autocross, rally, and show vehicles. Beginning with a chapter on vehicle dynamics, with explanations of center of gravity, slip angle, yaw, roll, and pitch. Author Richard Newton then moves on to general information about tires and wheels--from materials and construction to use and maintenance. He also explores how this general information applies to specific types of vehicles, using pertinent examples throughout.

AS MILLIONS STRUGGLE TO SURVIVE IN THE WASTELAND THAT AMERICA HAS BECOME, A YOUNG MAN FIGHTS TO MAINTAIN ITS FOUNDING PROMISE. Starvation, violence and death run rampant in the remains of our once-proud country. Federal troops, commissioned to protect the homeland, have turned their guns on the lawless population. Citizens find shelter in government safe zones while ruthless gangs enforce their will outside the camps. When the military transforms Washington's life-saving food bank into a gun collection center in order to disarm all but the soldiers themselves, riots ensue. Weary of the militaristic government's intent to render the citizens defenseless, America's remaining patriots begin a mass migration out of the camps in search of refuge. American Apocalypse Wastelands tells of a young man discovering the role he must play to defend himself, others and his country as everything around him crumbles. It is a revised edition of American Apocalypse II: Refuge. Reviews of more than 190 automobiles, four-wheel drive vehicles, and compact vans are accompanied by specification data, the latest prices, and recommendations, as well as lists of warranties, and tips on financing and insurance.
