Sanity is overrated in this “captivating, funny, exciting” fantasy adventure from the New York Times bestselling author of the Scarred Earth Saga (Smexy Books). Some things never go away, like vile enemies, bad ale, and annoying kin. But I thought I was finished with the one dragon I’d have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who thinks the world belongs to him. The world and, apparently, me. So if Éibhear wants to play the caring hero and travel into the most forsaken of Gods forsaken lands to protect the one woman who doesn’t need it—namely me—I’ll let him. Because while I’m trying to fulfill a ridiculous quest for a pushy god, I’m going to draw this overconfident warlord much too close, rekindle his fires, and enjoy every minute of his delicious defeat . . . Praise for the Dragon Kin Series “Aiken’s patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure.”—RT Book Reviews (4½ Stars) “A chest thumping, mead-hall rocking, enemy slaying brawl of a good book.”—All Things Urban Fantasy “Laugh-out-loud funny—I loved it!”—Thea Harrison, New York Times bestselling author “A hot, hot series.” --Library Journal

“There’s never a dull moment with these dragons. Fighting! Mayhem! Danger! . . . a fun read” from the New York Times bestselling author (Vampire Book Club). I was raised for battle. And as the first daughter of a warrior family, I’ve earned my reputation the hard way. Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave. But it’s the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do best—destroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out of my way as we risk all on a deadly mission in enemy territory. I don’t care if he’s fascinated by me, even though he is as attractive as he is resourceful. He’s having far too much fun putting me in difficult situations and testing my sense of duty to the limit. And I’m going to enjoy challenging his insufferable confidence, outwitting his schemes, and making him surrender in the wildest ways . . . Cole Latimer, de rijzige, kaarsrechte Yankee chirurg die Alaina redt en die keer op keer door haar wordt bedrogen. The New York Times bestselling author delivers “a welcome high fantasy . . . should definitely please fans of sexy shape-shifters and epic sagas” (Booklist). For Nolwenn witch Talaith, a bad day begins with being dragged from bed by an angry mob intent on her crispy end and culminates in rescue by—wait for it—a silver-maned dragon. Existence as a hated outcast is nothing new for a woman with such powerful secrets. The dragon, though? A tad unusual. This one has a human form to die for—and knows it. According to dragon law, Talaith is now his property, for pleasure . . . or otherwise. But if Lord Arrogance thinks she's the kind of damsel to acquiesce without a word, he's in for a surprise . . . Is the woman never silent? Brie the Mighty knew the moment he laid eyes on Talaith that she would be his, but he'd counted on tongue-lashings of an altogether different sort. It's embarrassing, really, that it isn't this outspoken female's magicks that have the realm's greatest dragon in her thrall. No, Brie has been spellbound by something altogether different—and if he doesn't tread carefully, what he doesn't know about human women could well be the undoing of his entire race . . . I read the book twice because I liked it so much. This is a wonderful book! OMG, I didn't want this one to end (3000 pages might've been enough). I haven't stopped thinking about this book since i finished it last week-wondering what else might have gone on in their lives. Any time my husband was trying to get my attention while reading this novel I told him, "I can't help it. This series puts Tracy Cooper Posey up there with the great Arthurian writers like Stewart and Bradley. Her vivid descriptions and historical snippets add so much to an already great story that I could not put it down.

Robert Jordan, Het Rad des Tijds 3 - De Herrezen Draak Het Rad des Tijds is onbetwist de meest aansprekende fantasy-cyclus van de afgelopen decennia. In dit ambitieuze epos verhaalt Robert Jordan van een profetie die lang geleden is gedaan, van een eeuw die lang geleden is voorspeld, de eeuw die nu is wedergekomen op het Rad des Tijds. Alles wat was, wat is en wat zal zijn dreigt nu onder de Schaduw verloren te gaan. Want zo staat het geschreven... 3 De Herrezen Draak Eindelijk is hij dan opgestaan, de voorspelde leider die de wereld zal redden en tegelijk zal verwoesten, de man die in zijn waanzin alles en iedereen zal meeslepen, die iedereen zal ombrengen die hem nastaat. Rhand Altor kan zijn roeping niet langer ontkennen, maar hij kan zijn gaven niet beheersen en, goede raad is duur, hij heeft er geen flauw benul van hoe hij de Duistere moet verslaan. Veel zal duidelijk worden in het Hart van de Steen, een knoop in het patroon van de eeuw, een nest voor de herrezen draak. 'Ambitieuze en aangrijpende op vele niveaus.' Boston Globe

The unputdownable second half of New York Times bestselling author G.A. Aiken's wildly funny, hot and unmistakably kick ass Dragon Kin series. How to Drive a Dragon Crazy Izzy thought she was finished with the one dragon she'd have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who wants to protect her from danger. Light My Fire Celyn the Charming has direct orders from his queen to protect Elina Shestakova of the Black Bear Riders of the Midnight. Gods! That endless name! Worse still, this unforgiving female is completely unimpressed by Celyn. How is that even possible? Especially when he is just so damn charming? Feel the Burn Gaius Domitus, the one-eyed rebel dragon king, must fight off half of his ungrateful family on a regular basis to keep law and order in his lands. But he never expected to have to consort with a barbarian human woman. Kachka may be beautiful and fierce, but the feared Daughter of the Steppes has no time for foolish dragons. Though she may have a thing for his eyepatch . . . Bring the Heat Aidan the Divine is also a delight, cheerful, charming, and a royal warrior who is extremely handsome with a very large and well-hidden hoard of gold. And yet, Branwen the Awwful—a low-born, no less—either tells him to shut up or, worse, ignores him completely. But if they're going to win the war, they're going to have to fight side by side . . .
