This reference provides background information about the Watergate crisis and discusses its significance to American politics today. Relatively insignificant at first glance, the Watergate crisis led to the downfall of a president and emerged as the most important constitutional crisis since the Civil War. Journalists and the media were instrumental in shedding light on Watergate and exposing political corruption at the highest levels of government. Watergate became part of American popular culture and synonymous with presidential corruption. This book surveys the background of the Watergate crisis and links it to contemporary American politics. The first part of the book provides a narrative overview and examination of the Watergate crisis, with a consideration of what happened and why, and the relevance of Watergate to today's political issues. The book considers such topics as political corruption and impeachment, the role of the media, and the abuse of presidential power. The book also offers biographical sketches of key players in the Watergate crisis, a chronology, glossary, primary source document excerpts, and an annotated bibliography. A chronology highlights key events related to the Watergate crisis A narrative overview and analysis explores what Watergate was about and relates that crisis to contemporary politics Biographical profiles of key figures help readers identify the chief participants in the crisis A glossary defines key terms An annotated

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Words: A User's Guide is an accessible and invaluable reference that is ideal for students, business people and advanced learners of English. The book is structured in groups of words that may be confused because they sound alike, look alike or seem to have similar meanings, and this approach makes it much more intuitive and easy to use than a dictionary. Contrasting over 5000 words (such as habitable and inhabitable, precipitation and rainfall, reigns and reins), Words: a User's Guide provides examples of usage adapted from large national databases of contemporary English, and illustrates each headword in typical contexts and phrases. This book gives you straightforward answers, and helps with pronunciation, spelling, style and levels of formality. For those working internationally it presents international standards and compares usage in Britain and the USA. Words: A User's Guide is an excellent resource for anyone who wants to communicate well in written and spoken English. "At last! A book about the use of words that clarifies and de-mystifies in an eminently usable way. I would recommend it to anyone who wants to write well. It is a book to keep." Sandy Gilkes, Head of
