bride. It doesn't matter that his perfect body and smooth voice make her weak in the knees. She has a dream, and her dream does not include a wolf-shifter for a husband and a bunch of wolf pups clinging to her skirts.

Kayla never thought that her life in the spot light would bring along with it real danger. She also never expected to need a shapeshifter bodyguard, so when both those things happen her life is thrown into total disarray. Kayla The whole world loves me, I'm a pop star, beloved by all... Except some people love me a little too much. I don't know why the strange man on the Internet has become obsessed with me, but I'm pretty sure that it isn't anything to worry about. I certainly don't think that I need a personal bodyguard. That is until Hex comes along, and my whole world is turned upside down... Hex Running, always running... that's what I seem to do best. I left home to escape a failed romance with another dragon shapeshifter, and now I'm floating through life, refusing to get hurt by anyone. Until Kayla. No one will tell her the truth. Everyone seems to assume that she's too fragile, but I disagree. If no one will tell her about the man who has been stalking her, then how will she know how much danger she is in? Braeden: For five agonizing years now, I've tried to push the lush, far-too-sweet woman out of my life, and my dreams. She's a human, which makes her a danger to all the shifters in Night Falls. She's also untouched, which makes her a danger to what little restraint I possess around her with each passing day. But seeing as how she's my little sister's best friend, avoiding her hasn't been easy. And now that there's a shooter targeting the pack, the only way I can keep Paisley safe is to keep her close. As if that weren't impossible enough, the pack alpha goes and makes a decree. For her protection, Paisley needs to be mated to someone in the pack by the end of the month. Damn it all to hell. Paisley: I'm pretty sure the man hates me. To Braeden, I've always been the human he wished his sister would stop being friends with—literally a different species from him, being that he and his sister are wolf-shifters and all. After years watching him blatantly keep his distance, no one is more shocked than I am over his reaction when the shooter that's after the pack takes aim at me. From NEW YORK TIMES and USA TODAY best-selling author Lynn Red comes a steamy, sensual, seductively hilarious shifter romance! Jamie Ampton is a sharp-tongued, pointy-toothed, vampy shifter with a penchant for neatly done-up hair buns and a habit of attracting EXACTLY the wrong sort of guy. Guys with a dash of arrogance, a pinch of cocky swagger turn her head... but when her last one turned out to be more “self-important jackass” and less “gruff and strong and takes what he wants,” it left her cold. So to speak. Ryan Drake has a dark past and a mysterious present. When he shows up demanding the town alpha do his part to care for Jamesburg's aging shifters, the first thing Jamie notices is that her heart starts beating a little quicker. The second is a knot in the pit of her stomach. And then, before she can catch her breath, he stares straight into her eyes. She's never been one for the big, loud, muscled-up types, but in the space of two breaths, the elegantly detached Jamie finds herself falling for a bear. Little does Jamie know that before he stomped into that courtroom, Ryan decided that nothing was gonna stop him from getting what he

wanted. But, once he saw Jamie? Suddenly there were two things that this massive blue-eyed alpha bear were going to have, no matter what it took: help for his friends... and Jamie. And Ryan? Ryan is one bear who ALWAYS takes what he wants. \*\*\*The Jamesburg Shifters is a series of standalone novels each with a unique hero and heroine, and HEA! No cliffhangers here – the stories can be enjoyed in any order you like, though once you start, you might not want to stop!\*\*\*

How far would you go to satisfy your urges, if all Beta men couldn't hit the right spot? Would you buy an Alpha at a slave auction? Probably not. That's a crazy idea, right? Especially if you're a vulnerable Beta woman. Most Beta women would be petrified with the idea of dating or mating an Alpha, but for Dahlia Mountford, that was all she'd ever fantasized about. Her mother and friends thought she was insane, and tried to convince her to settle down with her gorgeous boyfriend, Jaxon. As appealing as he was to most, Dahlia always felt like something was missing. Whether it was his pathetic growl, or failed attempts at dominance, she didn't know exactly. All she knew for sure, was that no matter how much he tried to please her, he always fell short. Every Beta man did. A drunken, accidental bid at Algar-din's slave auction, changes the course of Dahlia's life forever. The question is, will it be all she ever wished for? Or will it be a deadly disaster?

When he crosses the river to find Salome Bach, the daughter of the small town's preacher, sparks fly. But, will Rex find his mate in a girl who doesn't even know that wolf shifters exist? It's hard to say that Elena St. Claire – an arctic fox-shifting, private investigator – is “down on her luck.” She's got stable work, a couple of close friends... but when it comes to finding a mate? All she knows is that if she DOESN'T find one, and quick, she's gonna go crazy from staring at every bear or wolf who tears through Jamesburg on a motorcycle. When West wakes up one morning to find his garden ravaged, he calls the best private investigator in town. He expects to get the case solved, but when a white and copper-haired fox shows up at his doorstep with a cute little snaggle-toothed-on-the-bottom grin, West realizes he just got a lot more than he bargained for: his heart isn't gonna let this one go. This is a fox he needs to possess, to claim as his mate. If he doesn't? He might just go straight off the deep end. The second Elena lays eyes on the dark haired, dimple-cheeked cowboy bear with legs so big they stretch his Wranglers, she knows she's in big, big trouble... and not just because he's a big, big guy, but because straight off the bat, she falls real, real hard. But when petty garden vandalism turns out to be a plot to destroy every single crop in the greater Jamesburg area, can Elena manage to keep West off her mind for long enough to catch a crook? Or will the biggest case she's ever
