satisfaction in learning The AP World History Exam
Success Guide is different from traditional review
books because it focuses on the exam's Insider's
Language. It is an outstanding supplement to a
traditional review program. It helps your preparation
for the exam become easier and more efficient. The
strategies, puzzles, and questions give you enough
exposure to the Insider Language to use it with
confidence and make it part of your long-term
memory. The AP World History Exam Success
Guide is an awesome tool to use before a course of
study as it will help you develop a strong working
Insider's Language before you even begin your
review. Learn the Secret to Success on the
Advanced Placement Exam!After nearly 20 years of
teaching Lewis Morris discovered a startling fact:
Most students didn't struggle with the subject, they
struggled with the language. It was never about
brains or ability. His students simply didn't have the
knowledge of the specific language needed to
succeed. Through experimentation and research, he
discovered that for any subject there was a list of
essential words, that, when mastered, unlocked a
student's ability to progress in the subject. Lewis
called this set of vocabulary the "Insider's Words".
When he applied these "Insider's Words" the results
were incredible. His students began to learn with

ease. He was on his way to developing the landmark series of Books and applications to teach this "Insider's Language" to students around the world. Our books and applications are helpful to any student. They are especially helpful to struggling students, English language learners, and students beginning a course of study. The strongest students will also enjoy the puzzle and game aspect of the books. In all cases, the books provide an enjoyable break from the tedious and mundane experience of traditional test preparation. Get your copy today! N.B.
