Billy Winston's family is going to see him happy and in love if it's the last thing they do. No one deserves a happily-ever-after quite as much as the second oldest Winston brother and his lady love, Claire McClure (aka Scarlet St. Claire). Cruelty and circumstance tore them apart almost twenty years ago. Secrecy and bitterness kept them separated. But you know who's tired of their separation and stubbornness? Everyone. Especially Billy Winston's family. And now they're going to do something about it. Well-meaning interference means the star-crossed lovers can't stop tripping over each other in the hills of Tuscany, the catacombs of Rome, and the waterways of Venice. Billy and Claire find themselves thrown together and at the mercy of the Winston siblings' shenanigans. But will their forced proximity bring them together? Or push them even further apart? This second-chance romance brings back the entire Winston gang, playing cupid in one last story of love, hi-jinks, and family collusion.

There are three things you need to know about Elizabeth Finney: 1) She suffers from severe sarcastic syndrome, especially when she's unnerved, 2) No one unnerves her like Nico Manganiello, and 3) She knows how to knit. But when Elizabeth's plans for benefits without friendship are disarmed by the irritatingly charismatic and chauvinistic Nico

There are three things you need to know about Ashley Winston: 1) She has six brothers and they all have beards, 2) She is a reader, and 3) She knows how to knit. Former beauty queen, Ashley Winston's preferred coping strategy is escapism. She escaped her Tennessee small town, loathsome father, and six brothers eight years ago. Now she escapes life daily via her one-click addiction. However, when a family tragedy forces her to return home, Ashley can't escape the notice of Drew Runous—local Game Warden, bear wrestler, philosopher, and everyone's favorite guy. Drew's irksome philosophizing in particular makes Ashley want to run for the skyscrapers, especially since he can't seem to keep his exasperating opinions— or his soulful poetry, steadfast support, and delightful hands— to himself. Pretty soon the girl who wanted nothing more than the escape of the big city finds she's lost her heart in small town Tennessee. "This book is as seductive as the phenomenon that it explores. With courage, love, and joy, Frueh crosses into unexplored terrains of beauty and pleasure, where she finds a grotesquely captivating creature: Monster/Beauty. By illuminating her journey with thoughtful insight and engaging prose, she

encourages readers to join her in her quest to articulate fresh ways of thinking about the aesthetic and the erotic and of theorizing the flux of lived experience." —John Alan Farmer, senior editor of Art Journal "Monster/Beauty is a daringly provocative experiment in personal and erotic writing and an important book for anyone interested in breaking normative codes of beauty, pedagogy, and authorial methodology. In a richly self-revealing text, Frueh proposes nothing less than a Rabellaisian re-ordering of aesthetic embodiments within social relations." —Mira Schor, author of *Wet: On Painting, Feminism, and Art Culture* "Giving new meaning to "embodied writing," this book goes farther than any other toward getting the body into the text. Joanna Frueh is a performance artist first—she is also an art historian, a singer, a poet, a bodybuilder, a professor, an academic celebrity of modest fame, but her performances collapse these distinctions. Frueh's intensely personal, intensely physical prose brings an aura of presence to the book that rivals the effect she achieves on stage." —Robyn Warhol, co-editor of *Feminisms* "This book is monstrous--full of gorgeous hypermuscular women, step-mothers, and vampires; full of ravishing muscular sex, classroom erotics, splendid aging. It is a performance in which Frueh explores and celebrates her body, its powers and beauties, and those of her friends and lovers." —Alphonso Lingis, author of *Excesses, Abuses, and*

Frueh poetically enacts the self as an aesthetic/erotic project, affirming the many different and beautiful selves we can become. It is a joy to read." —Marsha Meskimmon, author of *We Weren't Modern Enough: Women Artists and the Limits of German Modernism* "Joanna Frueh is a hero.
