

Bon Voyage Level 1 Workbook

CBIP is the complete reference and buying guide to English-language Canadian books currently in print; consequently, the Author and Title Index, Subject Index and microfiche editions are indispensable to the book profession. With submissions from both small and large publishers, CBIP provides access to titles not listed anywhere else. Containing more than 48,000 titles, of which approximately 4,000 have a 2001 imprint, the Author and Title Index is extensively cross-referenced. The Subject Index lists the titles under 800 different subject categories. Both books offer the most complete directory of Canadian publishers available, listing the names and ISBN prefixes, as well as the street, e-mail and web addresses of more than 4,850 houses. The quarterly microfiche service provides updated information in April, July and October. CBIP is constantly referred to by order librarians, booksellers, researchers, and all those involved in book acquisition. In addition, CBIP is an invaluable record of the vast wealth of publishing and writing activity in the scientific, literary, academic and arts communities across Canada. A quarterly subscription service including the annual Author and Title Index (March 2001) plus quarterly microfiche updates (April, July, and October 2001) is also available. This workbook combines methodology and practice for beginning translators with a solid proficiency in French. It assumes a linguistic approach to the problems of translation and addresses common pitfalls, including the delineation of “translation units”, word polysemy, false cognates, and structural and cultural obstacles to literal translation. The first part of the book focuses on specific strategies used by professionals to counter these problems, including transposition, modulation, equivalence, and adaptation. The second part of the book provides a global application of the techniques taught in the opening sections, guiding the student through step-by-step translations of literary and non-literary excerpts. The revised edition clarifies some of the finer points of the translation techniques introduced in the first edition, provides extra practice exercises, and offers information on a website that can be used in class. Modern French Grammar Workbook, second edition, is an innovative book of exercises and language tasks for all learners of French. The book is divided into two sections: * section 1 provides exercises based on essential grammatical structures * section 2 practises everyday functions (e.g. making introductions, apologizing, expressing needs). A comprehensive answer key at the back of the book enables you to check your progress. Taking into account feedback from the first edition, this second edition now features: * exercises graded on a 3-point scale according to their level of difficulty * cross-referencing to the Modern French Grammar, Second Edition, for each and every exercise * topical exercises that develop vocabulary. Modern French Grammar Workbook is ideal for all learners of French: beginners, intermediate and advanced students. It can be used both independently and alongside the Modern French Grammar (ISBN 0-415-33162-5).

Bon voyage! Level 1, Workbook and Audio Activities Student Edition McGraw-Hill Education

This workbook combines methodology and practice for use in a course for beginning translators with a proficiency in French ranging from intermediate to advanced level. It takes a

linguistic approach to the problems of translation in addressing common and major pitfalls: delineation of 'translation units' or what constitutes a concept beyond mere words, word polysemy, false cognates, structural and cultural obstacles to literal translation. It offers chapter by chapter explanations of the various strategies used by professional translators to counter these problems: the translation devices known as transposition, modulation, equivalence, and adaptation. Each chapter concludes with a variety of practice exercises focusing on one specific problem. The second part of the book is a global application of all the principles taught in the first part and guides the student step by step through the actual translation of a choice of literary (prose, poetry, and plays) and non-literary excerpts.
