De lange weg naar de vrijheid is de beroemde autobiografie van een van de grootste mannen van de twintigste eeuw. Nelson Mandela beschrijft de lange weg die hij heeft moeten afleggen van onwetende jongen tot charismatisch staatsman. Dit is het verhaal van misschien wel de wonderbaarlijkste omwenteling in de geschiedenis, verteld door de man die het allemaal heeft meegemaakt en in gang gezet. Het verhaal van Mandela, door Mandela.

In this update of a popular text, Leveton draws from the works of Moreno, Erickson, Satir, and Perls. She fashions a psychodramatic approach that will help therapists practice more effective group work. New to this edition is material on

drama therapy and supervision in institutional settings. "...a delightful and informative journey into a world of psychodrama for both the experienced and newly-trained timid clinician. Ms. Leveton has clearly vitalized the use of psychodrama." -- (about the second edition) "...relevant, alive and exceedingly helpful." --Virginia Satir, From the Foreword to the first edition

Multifunction devices combine the essentials of a fax machine, printer, scanner, and copier into one peripheral for small and home offices. As the market for this equipment grows, the need for skilled repair and maintenance increases. Unfortunately the service documentation supplied by the manufacturers is completely inadequate making the repair jobs even harder and more expensive. Marvin Hobbs teaches you how multifunction peripherals work in theory and in practice with lots of hands-on examples and important troubleshooting and repair tips you don't want to miss. This book fills a gap in the literature, and will be a welcome addition to the library of any technician or do-it-yourselfer. Written by a knowledgeable practitioner with inside industry information Fully covers the troubleshooting and repair of multifunction peripherals A must-have instructional and reference title for anyone who works with computer peripherals!
