Cemetarians, a group that will take on any job - no, really, we mean any bloody job (money's a bit tight right now)! Trudge through disgusting sewers to battle manatee-massacring mermaids and soggy cultists, creep through creepy, fog-littered cemeteries straight out of an ancient Hammer Film soundstage, confront undead lecherous lodgers and other assorted beasties, creepies, and ghoulies. It all comes down to whether an adolescent giant Automaton, a truly mad, Mad Scientist, a surly Necromancer, a Banshee's granddaughter, and a reluctant furry monster straight from under your little sister's bed can manage not to kill each other - or, at least, quit fighting over the tele-privilege-schedule long enough to get the job done! Not likely.

Buying a classic car is for many, the fulfillment of a lifelong dream. Whether buying a prize example of their first car 30 years on or reliving childhood holidays in a fine example of dad's old saloon, classic car ownership is about enjoyment and relaxation. But the sheer enthusiasm with which many people enter into the purchase can sometimes blind them to the harsh realities of owning and running a classic car. Purchasing a classic car is much different than purchasing a typical car and

Alphabetically lists and describes Web sites on a variety of topics, including health, culture, business, travel, and education.

The Internet Consumer Bible is the most authoritative guide to the internet available. Far more than a directory, this book shows you - whether novice or experienced web surfer - which sites can help you and which sites are a waste of time. Taking you through every aspect of life and showing how to save hundreds of pounds and release hours of valuable time for other activities, the book also looks at what you can't do on the web or what you can still do better offline. Chapters finish with a list of sites in the area providing a brief description of what the site does and a star rating of 1-5 for how good each is. There are five major sections: 1) Basics. Chapters in this section include: what is a 'good website'?; getting started, unmetered access, ADSL, virus programmes, firewalls, screening software, mobile internet and interactive TV.2) Lifestages. Chapters in this section include: births and young children; education; dating, marriage and divorce; work: job-seeking, self-employment, redundancy; death.3) Shopping. Chapters in this section include: home, mortgages, online estate agencies, DIY, gardening, cars, clothes, groceries.4) Entertainment and Leisure. Chapters in this section include: travel and holidays, sport, films, music, restaurants, TV, nightlife, genealogy, weather, hobbies.5) Organising Your Life. Chapters in this section include: money (covers investing

Top Gear is voor Jeremy Clarkson wat de jungle is voor Tarzan: de perfecte plek om te werken en te spelen, en dat al tien jaar lang. Clarkson noteerde met zijn vlijmscherpe pen alles voor zijn columns in Top Gear Magazine. Hij ontziet niets of niemand en vertelt in dit boek alles wat we willen weten over tien jaar Top Gear. Briljant geschreven en hilarisch grappig: in De Top Gear Jaren overtreft Clarkson zichzelf.

You are stressed and you can feel the panic rising. Where do you go to find the information you need to answer the question promptly and accurately? Answering queries from users is one of the most important services undertaken by library and information staff. Yet it is also one of the most difficult, least understood subjects. There are still very few materials available to help frontline staff - often paraprofessional - develop their reader enquiry skills. This award-winning sourcebook is an essential guide to where to look to find the answers quickly. It is designed as a first point of reference for library and information practitioners, to be depended upon if they are unfamiliar with the subject of an enquiry - or wish to find out more. It is arranged in an easily searchable, fully cross-referenced A-Z list of around 150 of the subject areas most frequently handled at enquiry desks. Each subject entry lists the most important information sources and where to locate them, including printed and electronic sources, relevant websites and useful contacts for referral purposes. The authors use their extensive experience in reference work to offer useful tips, warn of potential pitfalls, and spotlight typical queries and how to tackle them. This new edition has been brought right up-to-date with all sources checked for currency and many new ones added. The searchability is enhanced by a comprehensive index to make those essential sources even easier to find - saving you valuable minutes! Readership: Offering quick and easy pointers to a multitude of information sources, this is an invaluable reference deskbook for all library and information staff in need of a speedy answer, in
