Your Toddler Will Love This Giant Coloring Book! Coloring books have lots of benefits for toddlers, such as: improving their motor skills and strengthening their little hands teaching them focus and patience teaching them new concepts boosting their creativity That's why it's important to offer your little one coloring books as soon as he or she can hold a crayon! A good coloring book for toddlers should have thick lines (because tiny details are notoriously hard to color), age-appropriate pictures, and it should be printed on sturdy paper that will withstand an occasional tantrum. Jumbo coloring books are the best coloring books for toddlers because huge images are fascinating and easy to color. This toddler coloring book will teach your little one very important concepts such as numbers, letters, shapes, and colors. Also, let's admit that for a tired parent, coloring is a great alternative to noisier activities. Here's why this toddler coloring book is special: It's GIANT! Each page is 8.5 x 11 inches large so there's a lot of room for fun and creativity It's extra CUTE! The images are sure to fascinate your little one and the thick lines make coloring extra easy It will teach your toddler A LOT! Shapes, colors, numbers, and simple words - this book is especially fun when you're explaining the concepts while your little one is busy coloring! The paper is AWESOME! There's no annoying bleed-through so you little one can grab the fattest markers and color away! Besides, the pages are one-sided so you can easily take a finished masterpiece and add it to the art gallery on the fridge! And much more! This book will boost your toddler's creativity and motor skills - and provide hours upon hours of quiet fun! Scroll up, click on "Buy Now with 1-Click", and Get Your Copy Now! Dear Friends, Loving parents and all caring adults! Welcome to the Wonderful World of Coloring Books! One of the best fun gifts for the children of any ages! Trying to find Coloring books for children of different ages is difficult. We could not find one that we really liked. So, we decided to create our series of Coloring books that would include Alphabet and Numbers for Toddlers aged 1 to 2 years, pre-school children 3-4 years. Coloring books for Primary school children 4-11 and older children 12+ years. Creating our books, we worked with several specialists such as teachers, tutors, children's psychologists, designers, artists and experienced parents who helped us to make our books fun and useful. Activities like coloring can greatly help your child's development. It allows them to develop new skills like accuracy and attention. This simple and fun activity will improve the motoring skills of your child as well as help them to relax, get rid of anxiety, control their mood and develop their imagination. And finally, it is a good idea to keep your child entertained. Our Coloring Books for children are made on the principle of "From simple to complex". On the first pages of our books, we introduce the simplest drawings for the beginner little artists. Further on, the drawings gradually become more and more complicated. Children feel really happy when they manage to color the first simple picture and gradually move into more complicated coloring drawings. This principle allows your child to develop the skills of fine art step by step. Isn't it great to do your toddler's first coloring together? Watching how happy and joyful they get coloring a beautiful picture. This will be of the great importance of teaching your child the first steps of drawing and fine art. Coloring beautiful pictures, using different colors, children learn and have fun at the same time. They will be really happy if you allow them to color these beautiful books together creating some priceless unforgettable moments with your child. Save your child's first coloring pages and later on, you can remember the precious moments you spent learning and coloring together, having fun making art. Write the date of your child's amazing coloring right on the page they colored. So welcome to the Wonderful World of coloring! In the book, you will find: Big pictures easy for your child to recognize and color. They will be interesting for both boys and girls and include a wide range of topics All illustrations are one-sided Large-format pages Thick lines to help kids easy color within the lines. Thank you for looking at our Coloring book. Enjoy your coloring. You might also be interested in other Coloring books we offer.

This dot markers activity book is perfect for helping your toddler learn shapes, numbers, colors, animals, and all 26 letters of the alphabet. This book is organized into the following sections: ALPHABET: This section has 27 pages (one for each letter, plus a title page to color). Each page includes not only large letters, but a word with a popular object to help kids begin learning word-object association. For example, your child will be able to color the letter "A" and an apple on the same page. NUMBERS: This section is 11 pages (digits 1 through 10, plus a title page to color). Each page has a numeral to color, along with the appropriate number of objects. For instance, the number 5 page has both the digit "5" and five birds to color. COLORS: This 8-page section contains all the common colors such as blue, red, orange, green, yellow, purple, and pink. Each page has a color represented by a common object. For example, red is represented by a strawberry. SHAPES: This

Access Free Coloring Books For Toddlers Numbers Colors Shapes Activity Book For Preschooler Sea Life Fruits And Preschool Prep Activity Learning Baby Fun Coloring Books For Kids Volume 1

7-page section includes a circle, triangle, square, rectangle, heart, and star. Each shape represents a common object. For instance, the rectangle is in the shape of a door, so kids learn how these objects exist in their everyday lives. ANIMALS: This is not an official section, but animals appear throughout the book, so your child will start learning about common animal names and images. It's also a lot of fun to color animals with dot markers! Features: Each page is single sided to avoid excessive bleed through Dots on each page perfectly fit the dimensions of dot markers Large (8.5x11 inch) pages Quality binding and cover to protect pages A word from the author: It is so exciting to watch your little one grow at this stage of life. Such rapid development occurs during these years! The following pages are a fun way to help your child learn about counting, word-object association, and the alphabet, as this activity book introduces them to letters, numbers, shapes, and colors. Keep in mind that hand-eye coordination and fine motor skills are forming at this stage, so do not expect every page to be neatly colored; messy coloring is perfectly normal at this level. Let these dot art activities inspire conversations between the two of you as their curious brains make more and more connections to the world around them!

Color & Learn - The fun way to learn the alphabet, numbers, colors, shapes and everyday words through 100 creative coloring pages! Full of engaging designs to boost early childhood development, building connections with words, pictures and colors as they enhance their recognition and fine motor skills. Just the right level for a 1-4 year old to enjoy as they get their imagination and creativity flowing all whilst learning and coloring. 100 original and unique pages to color - No duplicate pages Full A-Z alphabet of letters, words and illustrations Numbers from 1-10 as text, digits and items to count First shapes and colors Lots of creative coloring pages of easy and everyday words with illustrations Great size - 8.5 x 11 inch (US Letter/A4 equivalent) Crisp white paper so colors look even more wonderful. A great gift to unlock a world of coloring fun and learning.
