Did you know that foreigners who want to live in Britain have to pass a government test to get in? It's true, and some of the questions are harder than "Why does everyone hate Manchester United?" So the Have I Got News For You team have, in a moving and totally out of character display of public-spiritedness, compiled this Guide to Modern Britain to help guide you around, er, modern Britain. With reassuringly jaundiced reflections on everything from the global recession, religion and the Royal Family to the NHS, education and the media, it's a handy primer to the British Constitution, even though we don't actually have one. (How clever is that?) Think of it as the sort of manual you get with a car - enough information to help you check the oil, though not enough to re-balance the steering. Packed with useless facts and unhelpful cynicism, the Have I Got News for You Guide to Modern Britain will help you understand exactly how the most ingenious, resilient, resourceful and proudest people on earth became the Twittering, touchy-feely, fame-obsessed, flu-fearing wimps that they are today. They made fans go crazy and censors apoplectic, spent fortunes faster than they made them, forged Rembrandts and hung them in major museums, went on trial

They were "The Bundy Drive Boys," and they made the Rat Pack look like Cub Scouts. Their self-destructiveness was spectacular, the misanthropy profound, but behind the boozy bravado was a devoted mutual affection. The Bundy Drive Boys' un-bowdlerized stories have never been illustrated so well or told so completely as within Hollywood's Hellfire Club. Author Gregory William Mank also wrote *It's Alive!: The Classic Cinema Saga of Frankenstein and Hollywood Cauldron*.

Designed to inspire the fledgling scriptwriter, this book combines analytical essays on the work of three successful television writers with interviews and complete scripts printed in correct professional format. The writers Marion Hargrove (*Maverick*, *The Waltons*), Joseph Dougherty (*thirtysomething*), and Michael Kozoll (*Hill Street Blues*) are used as examples of professionals who developed a personal voice and a distinctive style while serving as staff writers for existing prime-time television programs. Douglas Heil theorizes that students of television scriptwriting need to engage in "close study of exemplary," and the three full scripts he offers are useful models of humane and entertaining drama. The book is of value not only to aspiring scriptwriters but also to those readers
