Demonization has increasingly become central to the global religious and political landscape. Passing Orders interrogates this centrality through an analysis of evangelical "spiritual warfare" demonologies in contemporary America. Situating spiritual warfare as part of broader frameworks of American exceptionalism, ethnonationalism, and empire management, author S. Jonathon O'Donnell exposes the theological foundations of the systems of queer- and transphobia, anti-blackness, Islamophobia, and settler colonialism that justify the dehumanizing practices of the current U.S. political order. O'Donnell argues that demonologies are not only tools of dehumanization but also ontological and biopolitical systems that create and maintain structures of sovereign power, or orthotaxies—models of the "right ordering" of space, time, and bodies that stratify humanity into hierarchies of being and nonbeing. Alternative orders are demonized as passing, framed as counterfeit, transgressive, and transient. Yet these orders refuse to simply pass on, instead giving strength to deviant desires that challenge the legitimacy of sovereign violence. Critically examining this challenge in the demonologies of three figures—Jezebel, the Islamic Antichrist, and Leviathan—Passing Orders re-imagines demons as a surprising source of political and social resistance, reflecting fragile and fractious communities bound by mutual passing and precarity into strategic coalitions of solidarity, subversion, and survival.

Following her popular Breaking the Threefold Demonic Cord, Sandie Freed offers groundbreaking insight on the spiritual aspect of money, exposing the demonic strongholds behind it.

Recently, scholars of global Pentecostalism have proposed that the experience of the Spirit among Pentecostals has elicited the development of a Pentecostal "theology of liberation," which has implications for understanding Pentecostal responses to social issues. These projects primarily explore the Pentecostal response to cultural issues in areas outside of North America and especially focus on Africa, Asia, and Latin America. This volume assesses whether the categories of social liberation applied to non-Western Pentecostalism characterize Pentecostalism in North America. Michael Wilkinson is Associate Professor of Sociology and Director of the Religion in Canada Institute at Trinity Western University. His is the author of *The Spirit Said Go* (2006) and the editor of *Canadian Pentecostalism* (2009). Steven M. Satan's abominable threesome--the spirits of Jezebel, religion and witchcraft--is coordinating its attack. Are you? Veteran spiritual warrior Jennifer LeClaire pulls back the curtain on the calculated and systematic strategies of the enemy while offering practical biblical tactics to combat this deadly trio. Her

Beneath the Surface of Your Daily Life There Is A Conspiracy Against You.

The bestselling author of Confronting Jezebel offers a blueprint for discerning and defeating the passive spirit of Ahab--the counterpart to the toxic Jezebel spirit.

Jezebel died 3,000 years ago. But her spirit lives today. Jezebel was the most wicked woman in the Bible, a powerful seductress who killed the prophets, led Israel into idolatry and immorality, and emasculated men. She was seductive and determined to snuff out the voices coming against her, because these voices were calling out for repentance. In twenty-first-century America, Jezebel is not a person. But it's as if the spirit of Jezebel is alive again today. The influence of the same demonic force is being felt in the massive increase of pornography and sexual temptation, the militant spirit of abortion, the rise of radical feminism, and most importantly, in the attempt to silence prophetic voices. Just as Jezebel clashed with strong men almost three thousand years ago, the demonic spirit of Jezebel is powerful in America, and it is going after the church. This eye-opening book not only unveils the satanic plot to destroy America, beginning with an all-out assault on the church, but it will equip every believer with tools to defeat the enemy in their own personal lives as well as in the nation. This book will show you how the spirit of Jezebel is active in America today and teach you how to protect the church. OTHER BOOKS BY MICHAEL L. In this thorough, in-depth study, Sandie Freed identifies the demonic system and structures of the dark power that has believers confused, anxious, and lacking in authority: the antichrist spirit. Not a book on the identity of the endtimes Antichrist, this book exposes the demonic spirit that has been prevalent in society since the birth of Christianity and that will eventually animate the end-time ruler the Bible describes. With piercing insight and practical application, Freed helps readers identify and overcome the stronghold that is even now infiltrating thoughts and belief systems. Only then can we find freedom and healing to live the life God intends.

"The Christian church worldwide has been taken prisoner by Satan's counterfeit healing." This statement is based on the author's personal experience, modest exposure to the Toronto Blessing, observation of parachurch healing ministries, and extensive historical reconstructions. Satan's Counterfeit Healing presents and evaluates Satan's supernatural healing from the Paleolithic period (ca. 45000 BCE) to the contemporary church. The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi paranormal phenomena. These manifestations include physical and exorcistic supernatural healings. Paleolithic and Neolithic periods produced Great Mother goddess worship and healing, which have persisted ever since. These idolatries, combined with OT nature gods, were a backdrop to Jesus' true miracles. For two thousand years of church history there's been a tug-of-war between true and false healing. Mother goddess as Mariological shrine healing joined with natural and demonic magic, and esoteric energy psi. Alongside these the Holy Spirit has raised up genuine healers and their ministries. Modern healing is marked by energy counterfeits and faith healing, the latter especially accompanied by trance, false prophecy, and psi transformations. True divine healing can be recovered when Christians repudiate nature gods, reject false prophecy, and restore proper eschatology.

Leading Prophetic Voice Reveals New Insight on Defeating an Ancient Evil According to leading prophetic voice Jennifer LeClaire, the subversive Jezebel spirit continues to deceive many. She shows, with keen biblical insight, that Jezebel does much more than most believers thought--and that it's time to expose the deceit and defeat the spirit's insidious work. By pulling back the curtain on this seducing principality, LeClaire picks up where other books on Jezebel leave off. She demonstrates biblically not only that the Jezebel spirit uses control as a weapon but that it is a mastermind of immorality and outright idolatry. She also gives spiritual warriors the real-world strategies needed for defeating this dark spirit in the lives of God's people.

Het waargebeurde verhaal over de ondergang van de beroemdste Hebreeuwse bijbel Een verhaal met echte detective-allures over het lot van de Aleppo Codex en de geheimen die hij met zich meedraagt De Aleppo Codex is de 10de-eeuwse, unieke kopie van de Hebreeuwse Bijbel. 'De kroon', zoals dit boek ook wordt genoemd, wordt beschouwd als een van de belangrijkste joodse manuscripten. Journalist Matti Friedman voerde jarenlang onderzoek uit naar de lotgevallen van dit boek. Hij laat zijn licht schijnen op twee pijnlijke geheimen: hoe de Aleppo Codex van Syrië terug naar Israël werd gebracht en waarom, op mysterieuze wijze, ruim 200 pagina's uit het boek verdwenen. Een boek dat op een originele manier inzicht verschaft in de geschiedenis en complexiteit van de joodse gemeenschap en dat iedereen een spiegel voorhoudt: mensen blijven mensen die, vaak tegen beter weten in, toch gebreken vertonen. When you talk to God, do you ever feel as if you are not getting through? You're not alone. At some point, most believers find themselves grappling with difficult questions like Would God really talk to me personally? and How do I know it's truly God talking, and not my own thoughts? But here's the good news: Hearing God is simpler than you think. It's possible to have a relationship with God that involves both speaking and listening. In fact, it's God's desire; He wants to talk to you. In this revised and expanded edition of a classic work, author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice--but expecting to hear it. Sampson's uncomplicated, practical perspective will help you cultivate the two-way conversation with God you've always longed for. Before long, you'll hear Him speaking into your circumstances and relationships, expressing His love for you and showing you the next steps to take in your life. Don't settle for a one-sided conversation with God. Break through this barrier and develop a sensitive heart that hears--and responds to--God's still, small voice. "With clarity and humor, Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing."--Bishop Mark J. Chironna, M.A., Ph.D., Church on the Living Edge, Orlando, Florida

Toen Liao Yiwu ontdekte dat er een levendige christelijke gemeenschap bestond in China, wist hij weinig van het christendom. Hij had, als alle Chinezen, geleerd dat religie iets slechts was, dat gelovigen in het gunstigste geval misleide mensen waren, maar waarschijnlijker nog: kapitalistische spionnen. Omdat zijn werk al even verboden was als het geloof, voelde hij een band met de Chinese christenen, en de opofferingsgezindheid waarmee zij hun geloof beleden sprak hem aan. Zo schrijft hij onder andere over de non die haar leven wijdt aan het terugkrijgen van onteigend land, de chirurg die in een dorp is gaan wonen om daar mensen gratis te behandelen en de dominee die vermoord is tijdens de Culturele Revolutie. God is rood is het portret van een gemeenschap die zichzelf, tegen de klippen van het regime op, niet wil verloochenen. Tot 1990 was Liao Yiwu (Sichuan, 1958) een 'gewone' Chinese dichter, schrijver en muzikant. Tegen wil en dank werd hij een belangrijke stem in de Chinese vrijheidsstrijd. Zijn werk verschijnt allang niet meer in China, maar wel in de rest van de wereld. In 2012 kreeg hij de Vredesprijs van de Duitse boekhandel.
