

Criminal Justice In America 7th Edition

Ideal for undergraduate or graduate-level courses, *Research Methods for Criminology and Criminal Justice, Fourth Edition* introduces students to the functions of criminal justice research including basic ideas behind scientific theory, research language, and research design.

Reflecting the latest practices, accreditation requirements, and developments from the field, the eighth edition of bestselling *SOCIAL WORK AND SOCIAL WELFARE* gives readers a broad understanding about the social work profession and the role it plays in the social welfare system. Part of the Brooks/Cole Empowerment Series, the text is completely up to date and thoroughly integrates the core competencies and recommended practice behaviors outlined in the current Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). With its signature systems/ecological approach to understanding social welfare, the book focuses on specific social welfare areas in which social workers play major roles in policy and practice. It adopts the philosophy that there are many reasons why social problems occur, and that students need to understand the history, values, and economic, political, and cultural factors that surround these issues and the attempts to solve or address them. Instead of presenting a specific political perspective, the authors encourage readers to think critically about issues in a new way. Each chapter opens with a vignette about a social worker in a specific setting and closes with information about the career opportunities for social workers in the area discussed.

ebook version.

Introduction to Criminal Justice is the perfect text for students who are interested in pursuing a career in criminal justice and for those who simply want to learn more about the criminal justice system. The authors' combined experience of more than 50 years in teaching introduction to criminal justice as well as working in the field -- Bohm as a correctional officer and Haley as a police officer -- come through in their accessible yet comprehensive presentation. They make it easy for readers to understand that much of what the public "knows" about criminal justice in the United States is myth, and help students learn the truth about the U.S. criminal justice system. With the CourseSmart eTextbook version of this title, students can save up to 50% off the cost of a print book, reduce their impact on the environment, and access powerful web tools for learning. Faculty can also review and compare the full text online without having to wait for a print desk copy. CourseSmart is an online eTextbook, which means users need to be connected to the internet in order to access. Students can also print sections of the book for maximum portability.

The premier choice for Courts courses for decades, this popular text offers a comprehensive explanation of the courts and the criminal justice system, presented in a streamlined, straightforward manner that appeals to instructors and students alike. Neubauer and Fradella's crisp and clear writing, characterized by the organization of material into brief sections within chapters, ensures that readers gain a firm handle on the material. At the same time, the text's innovative courtroom workhouse model -- which focuses on the interrelationships among the judge, prosecutor, and defense attorney -- brings the courtroom to life. AMERICA'S COURTS AND THE CRIMINAL JUSTICE SYSTEM has long been known for the way it gives students an accurate glimpse of

Download Free Criminal Justice In America 7th Edition

what it is like to work within the American criminal justice system, and the Twelfth Edition is no exception. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This thoroughly revised and updated Second Edition provides a clear and concise introduction to the American criminal justice system in an engaging and accessible format. It examines the people and processes that make up the system and how they interact. It also covers the historic context of the criminal justice system so that students will understand how and why we developed the system that is in place today.

Policing Gangs in America describes the assumptions, issues, problems, and events that characterize, shape, and define the police response to gangs in America today. The focus of this 2006 book is on the gang unit officers themselves and the environment in which they work. A discussion of research, statistical facts, theory, and policy with regard to gangs, gang members, and gang activity is used as a backdrop. The book is broadly focused on describing how gang units respond to community gang problems, and answers such questions as: why do police agencies organize their responses to gangs in certain ways? Who are the people who elect to police gangs? How do they make sense of gang members - individuals who spark fear in most citizens? What are their jobs really like? What characterizes their working environment? How do their responses to the gang problem fit with other policing strategies, such as community policing?

The second edition of *Policing: Continuity and Change* effectively combines theory, research, policy, and practical experience. Strategies for policing in the United States have

Download Free Criminal Justice In America 7th Edition

evolved rapidly in the last four decades. This concise introduction provides the necessary background to understand the challenges of policing, the innovations in the field, and the reforms shaping the profession. Discussions of recruitment, socialization, and organization delineate who the police are, what they do, and how the police culture affects officers. The authors highlight the proactive skills necessary for solving problems and for productive interactions with community members. They emphasize the need for policies and training regarding use of force. This vital, up-to-date overview explores the implications for policing as departments employ new technologies and respond to demands for accountability.

A comprehensive introduction to criminal justice with a focus on the human perspective. Coverage of violent crimes in America, such as mass murders, carjackings, hate crimes and domestic violence has been increased. Each chapter presents cases, articles, summaries, issue papers and discussions.

Criminal Justice in America Cengage Learning

The history of criminal justice in the U.S. is often described as a pendulum, swinging back and forth between strict punishment and lenient rehabilitation. While this view is common wisdom, it is wrong. In *Breaking the Pendulum*, Philip Goodman, Joshua Page, and Michelle Phelps systematically debunk the pendulum perspective, showing that it distorts how and why criminal justice changes. The pendulum model blinds us to the blending of penal orientations, policies, and practices, as well as the struggle between actors that shapes laws, institutions, and how we think about crime, punishment, and related issues. Through a re-analysis of more than two hundred years of penal history, starting with the rise of penitentiaries in the 19th Century and ending with ongoing efforts to roll back mass incarceration,

Download Free Criminal Justice In America 7th Edition

the authors offer an alternative approach to conceptualizing penal development. Their agonistic perspective posits that struggle is the motor force of criminal justice history. Punishment expands, contracts, and morphs because of contestation between real people in real contexts, not a mechanical -swing- of the pendulum. This alternative framework is far more accurate and empowering than metaphors that ignore or downplay the importance of struggle in shaping criminal justice. This clearly written, engaging book is an invaluable resource for teachers, students, and scholars seeking to understand the past, present, and future of American criminal justice. By demonstrating the central role of struggle in generating major transformations, *Breaking the Pendulum* encourages combatants to keep fighting to change the system.

This text provides an in-depth look at policy issues related to policing, courts, and corrections. It gives students the opportunity to look at difficult issues related to important topics, through an interesting selection of readings. Flexible in its design, the book includes twenty-seven classic and contemporary articles that promote understanding of important issues in the field and encourage readers to think critically about the links between police, politics, law and the administration of justice. Students will explore everything from the crime policies that do or do not work to the latest hot topics.

An unbiased examination of profiling in the criminal justice system—one of the most hotly contested public policy issues—on the streets, in the courts, and in the jails and prisons of America. • Presents essays from scholars in the field on both sides of the debate to provide fair and objective information that allow readers to consider the interests of equality and fairness on one side versus public safety and crime fighting on the other • Examines profiling along a wide

Download Free Criminal Justice In America 7th Edition

range of variables—race, religion, gender, and sexual orientation—rather than addressing only racial profiling • Covers more recent events in profiling such as Arizona SB 1070, the "Stop and Frisk" policy in New York City, and the TSA's profiling of Muslims as well as older cases such as *Whren vs. United States* • Provides summaries and analyses of key court cases relating to the permissibility and impermissibility of profiling

It's no mystery why Larry Siegel remains THE best-selling author in *Criminal Justice*. Professor Siegel is known for presenting real-life stories of crime, criminals and the hottest debates in the field, and *CRIMINOLOGY: THE CORE, 7th Edition*, doesn't disappoint. This four-color paperback is concise and affordable. Real-world material clarifies concepts and theories, equipping students with a solid foundation in modern criminology. Grounded in Siegel's signature style--cutting-edge theory plus meticulous research--the book covers all sides of an issue without taking a political or theoretical position and provides a broad view of the field's interdisciplinary nature. This edition includes the latest insights into political crime; terrorism (e.g., ISIS); white-collar, blue-collar and green-collar crime; cybercrime; transnational crime (e.g. human trafficking) and many other topics.

Crime in America in a Nutshell features a social media campaign to introduce *Crime in America: Conservatives' Approaches toward Criminals, Police, Criminal Justice, and the Opioid Crisis* to the general public. As such, it includes a series of 120 posts -- 5 a week for 24 weeks in 280 words or less -- which present some major findings and suggestions from the book with a link to enable readers to get a free review copy of the complete book. Each post also includes a

Download Free Criminal Justice In America 7th Edition

photo or video that illustrates the message in the post. The goal of this campaign has been to introduce readers to both the Crime in America book and its publishers -- American Leadership Books, which specializes in books on criminal justice and American society. As these posts illustrate, Crime in America examines what's wrong with the criminal justice system and how to fix it. The book examines the police, courts and prisons and provides some suggestions of what to change. It helps citizens understand what's going on so they can take some action, from contacting their legislators and the media to organizing local groups to take some action.

About the Author The author of the social media posts and Crime in America is Paul Brakke, a criminal justice expert who has written seven books on the system published by American Leadership Books. His other books include: The Costly U.S. Prison System, Fixing the U.S. Criminal Justice System, Dealing with Illegal Immigration and the Opioid Crisis, The Price of Justice in America, and The Great National Divides.

Updated to include the latest data and research, Abadinsky's **DRUG USE AND ABUSE: A COMPREHENSIVE INTRODUCTION**, 9th Edition, delivers a thorough, interdisciplinary examination of all aspects of drug and alcohol use and misuse. The text draws from the disciplines of history, law, pharmacology, political science, social work, counseling, psychology, sociology, and criminal justice -- resulting in the most comprehensive, authoritative single source available. The author explores the history of drugs, their impact on society, the pharmacological impact of drugs on the body, drug policy implications, the criminal justice system response, the illegal drug business, law enforcement,

Download Free Criminal Justice In America 7th Edition

and theories of use, as well as the effects, treatment, and prevention of abuse. Other topics include the nonmedical use of prescription drugs, synthetic substances, the use of stimulants to treat PTSD and ADD, the pharmacology and controversies surrounding marijuana, and United States and global drug policy. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The ideal introductory criminal justice text book, *Exploring Criminal Justice: The Essentials, Third Edition*, examines the relationships between law enforcement, corrections, law, policy making and administration, the juvenile justice system, and the courts.

An in-depth look at juvenile justice lets students see into the minds of delinquents, victims, and field professionals. *Juvenile Justice in America* provides an in-depth look at the lives of juveniles, their experiences in society, and the consequences of those experiences. The text carefully examines the structures, procedures, policies, and problems of American juvenile justice agencies. The Eighth Edition places further emphasis on delinquency prevention, and features a new chapter on juvenile offender populations to give readers a more comprehensive view of delinquents. Boxed features in every chapter highlight the practical realities of working in the juvenile justice system. The careful balance of theory, evidence-based findings, and practical applications gives readers the most up-to-date insight into the state of juvenile justice in America today. *Juvenile Justice in America, 8/e* is also available via

Introduction to Criminal Justice, Second Edition, provides you with balanced, comprehensive, and up-to-date coverage of all aspects of the criminal justice system. Authors Brian K. Payne, Willard M. Oliver, and Nancy E. Marion cover criminal justice from a student-centered perspective by identifying the key issues confronting today's criminal justice professionals. You are presented

Download Free Criminal Justice In America 7th Edition

with objective, research-driven material through an accessible and concise writing style that makes the content easier to comprehend. By exploring criminal justice from a broad and balanced perspective, you will understand how decision making is critical to the criminal justice process and your future career. The fully updated Second Edition has been completely revised to include new studies and current examples that are relatable to today's students. Two new feature boxes have been added to this edition to help you comprehend and apply the content. "You Have the Right to..." gives insight into several Constitutional amendments and their relationship with criminal justice today; and "Politics and Criminal Justice" explores current political hot topics surrounding the justice system and the debates that occur on both sides of the political aisle.

Juvenile Justice: An Introduction is a student-friendly analysis of all aspects of the juvenile justice system. The book covers the history and development of the juvenile justice system and the unique issues related to juveniles, including police interaction, court processes, due process, movements toward diversion and deinstitutionalization, and community intervention. This book also examines particular issues within juvenile justice, such as female delinquency, gang delinquency, and the use of the death penalty and Life Without Parole with juveniles. Evidence-based suggestions for successful interventions and treatment are included, with a focus on performing cost-benefit analyses of what works versus what is ineffective with juveniles. The book concludes with a look to the future of the juvenile court,

Download Free Criminal Justice In America 7th Edition

including the real possibility of abolition. Provides an engaging introduction to all aspects of the juvenile justice system in America. This seventh edition builds on a trusted and well-known textbook with new material on key issues such as sexting, bullying, social media, and the issues of non-delinquent youths. Robust offerings for students include study questions, discussion questions, "What You Need to Know" sections in each chapter, key terms identified, online case study questions, and links to relevant websites. Instructors are provided with helpful test question banks, lesson plans, sample syllabi, PowerPoint lecture slides, and links to useful websites. Glossary consolidates key terms with definitions. Faculty praised each of the previous six editions of Howard Abadinsky's clear, comprehensive overview of the US legal system. His latest edition—Law, Courts, and Justice in America (previously Law and Justice)—represents a refined, updated synthesis of the complex, fluid justice system in the United States. Part I (Law) describes the history of the US justice system and the emergence of law schools; the realities of a law school education; and the current state of the legal profession for both women and men. Part II (Courts) unravels the structure of federal and state court systems, delineating differences between constitutional and legislative courts and between trial and appellate courts; the structure and purpose of appellate courts; and the Supreme Court, noting variations in the interpretation of statutes, the Constitution, and the original intent of legislators; and the roles of judges, prosecutors, and attorneys. Part III (Justice) demystifies the criminal, civil,

Download Free Criminal Justice In America 7th Edition

and juvenile judicial processes; plea-bargaining and the controversies surrounding it; and adjudication options outside of traditional, adversarial legal venues.

Throughout, landmark cases, important historical events, illustrative examples, and boxed items highlight or expand chapter content.

measurement of effective policing is based on a quick response to crime that has already been committed, the value of crime prevention has become an afterthought in America's police departments." "The middle chapters outline these issues and identify the strategies to improve police community relationships and adjust the measurements for effective policing. The concluding chapters identify strategies designed to facilitate police department organizational change. Using terms from the discipline of economics, a "micro" strategy and a "macro" strategy are outlined. A new theory of policing concludes the book." "The book is intended primarily as a textbook for criminal justice students, but it will also prove useful to police departments, police academies, city managers, and elected officials responsible for police administration and community safety." --Book Jacket.

Cole, Smith, and DeJong's CRIMINAL JUSTICE IN AMERICA, Seventh Edition, lets you experience the real-world excitement of this dynamic field while helping you excel in your course with the support of proven, integrated study tools. In this engaging, reader-friendly book, you'll learn about new career opportunities in criminal justice and read true stories of offenders and their experiences within the system. You'll also learn about the crucial role that public policy plays in the

Download Free Criminal Justice In America 7th Edition

criminal justice system and explore the hot issues that are changing the face of criminal justice today--and shaping its future. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Helping students develop a passion to learn more about the dynamic field of criminal justice, this concise bestseller introduces students to the criminal justice system by following the case studies of four individuals in their real-life progression through the system. Each case study is strategically woven throughout the book to help students remember core concepts and make connections between different branches of the system. In addition to illustrating the real-life pathways and outcomes of criminal behavior and victimization, authors Callie Marie Rennison and Mary Dodge provide students with a more inclusive overview of criminal justice by offering insight into overlooked demographics and the perspectives of victims. This newly revised Third Edition encourages students to think critically and discuss issues affecting today's criminal justice system with engaging coverage of victims, criminal justice professionals, offenders, and controversial issues found in the criminal justice process. New to this Edition Ten new "Policy Issues" boxes show students how recent policy has impacted the field of criminal justice with discussions of crime and undocumented immigrants, training for police officers when working with individuals who are mentally ill, the fear of violence on college campuses, and more. New full-page infographics, "Data Matters: The Story in Numbers," brings data to life by breaking down complex

Download Free Criminal Justice In America 7th Edition

information into accessible and interesting visuals—enabling students to better examine key issues from a clearer and more accurate perspective. Expanded discussion surrounding the legal definition of rape and how it applies to the highly publicized Brock Turner case further clarifies for students what is (and isn't) considered rape in the eyes of the law across different states. Current topics affecting today's criminal justice system encourage classroom discussion of pressing topics such as the country's changing marijuana laws, why diversity in policing has been historically low, policing technology and privacy concerns, the policies of the Trump administration, and peer courts in the juvenile justice system. Updated statistics and data are included where available, along with an acknowledgement and discussion surrounding why some FBI and NCVS data had not been updated at the time of press. SAGE course outcomes help you track and measure student success. Crafted with specific goals in mind and vetted by advisors in the field, SAGE course outcomes clearly define and benchmark the knowledge and skills students are expected to achieve upon completion of your course. In *CRIMINAL JUSTICE IN AMERICA*, Eighth Edition, authors George Cole, Christopher Smith, and Christina DeJong have accomplished much within a brief format. This concise introductory criminal justice text not only introduces students to the field's foundations and individual components, but also to the many professional opportunities available in the justice system - all within a unique interdisciplinary framework and emphasizing how public policy impacts criminal justice as it is practiced

Download Free Criminal Justice In America 7th Edition

today. Created as an alternative to more expensive, encyclopedic introductory texts, this reader-friendly best seller incorporates ideas, themes, and theories from criminology, sociology, law, history, psychology, and political science. In addition to a strong interdisciplinary emphasis, **CRIMINAL JUSTICE IN AMERICA** teaches students to become better citizens by helping them think critically about what justice means in our society and how individuals can play a role in defining that meaning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Finally, an alternative critical approach to introductory criminal justice! *Criminal Justice in America: A Critical View* paves the way for discussions on controversial issues of racial and economic inequities found in our criminal justice system. This text helps students understand the perspective of the typical subjects of the criminal justice system: the poor, the minorities, women, and the young all of whom comprise the majority of both victims and victimizers. In the words of one reviewer, "Nowhere have I read an introductory text that simply tells it like it is. A text of this kind is long overdue."

Another reviewer describes *Criminal Justice in America: A Critical View* as "a well-written introductory criminal justice text that clearly delineates itself from the other leading texts. Most important, the critical perspective taken by the authors is an excellent depiction of crime and justice in America."

An inter-disciplinary survey of crime and violence in America with entry emphasis focused on the late-20th

Download Free Criminal Justice In America 7th Edition

century reaching into the 21st century.

Criminal Justice: A Brief Introduction 7th continues to offer a trusted, authoritative and impeccably researched introduction to the criminal justice system in America. This book's freedom vs. safety theme, its unmatched timeliness, and its coverage of the newest criminal justice trends and technology helps readers think critically about the criminal justice system in a time when the issue of freedom vs. safety has never been more critical. The book's primary theme discusses the balance of freedom and safety between our society and the criminal justice system. Terrorism and security issues include up-to-date coverage of police terrorism response, including the most recent information on counter terrorism initiatives by America's police. Other hot topics include all the latest crime statistics, court cases, trends in the system and criminal justice news. Extensive coverage of technology and crime includes the latest law enforcement technology used to combat crime and technology used by criminals to commit crimes. Also includes extensive discussion of the juvenile justice system. For anyone with current or future criminal justice careers or those in law enforcement positions.

Today's headlines vividly illustrate the importance of understanding aspects of the criminal justice system too often ignored. While the second edition of Crime and Criminal Justice in American Society includes the most recent statistics on the police, courts, and corrections, its provocative, current examples also spur critical thinking about justice in the United States. The authors offer an alternative interpretation of criminal justice rarely presented in traditional textbooks or by the media. They encourage readers to

Download Free Criminal Justice In America 7th Edition

examine their beliefs about crime, punishment, and the law. Discussions in the chapters about how African Americans, Hispanics, whites, women, juveniles, the rich, and the poor experience crime and the criminal justice system contribute context for understanding different viewpoints. The poor and minorities are the most likely to be caught in the net of criminal justice—but inequities have consequences for everyone. Reflection on various perspectives provides helpful input for assessing attitudes and for becoming actively involved with issues that have significant consequences. Eighteen thoroughly revised chapters present historical backgrounds, theories, and emerging issues. New to the second edition is a chapter on veterans involved in the criminal justice system. Affordable, succinct, and engaging, this textbook presents the key concepts of the criminal justice system at less than half the cost of many competing textbooks.

This authoritative set provides a comprehensive overview of issues and trends in crime, law enforcement, courts, and corrections that encompass the field of criminal justice studies in the United States. This work offers a thorough introduction to the field of criminal justice, including types of crime; policing; courts and sentencing; landmark legal decisions; and local, state, and federal corrections systems—and the key topics and issues within each of these important areas. It provides a complete overview and understanding of the many terms, jobs, procedures, and issues surrounding this growing field of study. Another major focus of the work is to examine ethical questions related to policing and courts, trial procedures, law enforcement and corrections agencies and responsibilities, and the complexion of criminal justice in the United States in the 21st century. Finally, this title emphasizes coverage of such politically charged topics as drug trafficking and substance abuse, immigration,

Download Free Criminal Justice In America 7th Edition

environmental protection, government surveillance and civil rights, deadly force, mass incarceration, police militarization, organized crime, gangs, wrongful convictions, racial disparities in sentencing, and privatization of the U.S. prison system. Approximately 300 authoritative entries on important topics pertaining to the discipline of criminal justice

Illuminating timeline of events in the history of criminal justice in the United States
Extensive general bibliography providing students with useful resources for further study

Introduction to Criminal Justice: A Balanced Approach provides students with engaging, comprehensive, and up-to-date coverage of all aspects of the criminal justice system. Esteemed authors Brian K. Payne, Willard M. Oliver, and Nancy E. Marion explore criminal justice from a student-centered perspective by presenting research-driven material in an accessible, clear, and succinct writing style. Two unique chapters on *Perspectives on Crime and Criminal Justice Research and Crime Typologies* provide students with the foundational knowledge that they need to be critical thinkers and active participants within their chosen field. Students are encouraged to imagine themselves in specific criminal justice situations and decide how they would respond to the situation with a balanced and effective solution. By exploring criminal justice from a balanced perspective with an issues-oriented approach, students will understand how decision-making is critical to the criminal justice process. In particular, students will come to appreciate how their own future careers will be shaped by the decisions they make.

Throughout history, the powerful have created laws, developed agencies to enforce those laws, and established institutions to punish lawbreakers. Maintaining the social order to their advantage resulted in the systematic repression of disadvantaged groups—the “dangerous classes.” The third edition retains a historical approach to exploring patterns of

Download Free Criminal Justice In America 7th Edition

social control and, through current examples, demonstrates how those strategies continue today. The authors trace the roots of race, class, and gender bias in how laws are written, interpreted, and applied. The management of dangerous classes is not a recent phenomenon; there is a long history of keeping those who derive the least advantage from the status quo (and therefore pose the greatest threat) under control. There was and is one system of justice for the privileged and a very different system for the less privileged. The criminal justice system—from the law to daily operations of the police, courts, and corrections—generally comes down hardest on those with the least amount of power and influence and is the most lenient with those with the most power and influence. The book raises critical questions. What is a crime? What is law? Whose interests are served by the law and the criminal justice system? What patterns are repeated generation after generation? How does the criminal justice system relate to larger issues such as social inequality, social class, race, and gender? Contemplation of these topics contributes to informed public dialogue and careful deliberation about the present state and the future of criminal justice.

Discover the foundations, components and contemporary controversies within the U.S. criminal justice system with the interdisciplinary approach in Cole/Smith/DeJong's best-selling **CRIMINAL JUSTICE IN AMERICA**, 10E. The authors draw ideas, themes and theories from criminology, sociology, law, history, psychology and political science to create an engaging approach that highlights the most recent challenges for today's criminal justice professionals. You examine topics such as controversial police practices, persistent discrimination, efforts to reduce prison populations, consequences of the coronavirus pandemic and the impact of new technologies. This edition prompts you to consider what justice means in society and your role, as you review the

Download Free Criminal Justice In America 7th Edition

processes defining the fate of those in the justice system and the impediments to achieving equal justice under law.

MindTap digital resources reinforce concepts and skills with brief audiocast episodes, career decision-making scenarios and riveting examples. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

There are many controversial aspects of our criminal justice system, and this encyclopedia examines the most significant controversies throughout American history with emphasis on current debates, trends, and issues. Arranged alphabetically, approximately 100 entries cover background, explanations, notable cases and events, various sides of an issue, and what to expect in the future. Entries are objective and factual, allowing readers to formulate their own conclusions. Sidebars and case examples help to illustrate each entry, and sources for further reading point readers to other important materials. Given the prevalence of controversial criminal justice topics in the news, this timely reference is an important resource for anyone interested in crime and justice. Entries include: Boot Camps, Corporal Punishment, DNA Evidence, Domestic Violence, Expert Testimony, Eye Witness Identifications, Gun Control, Homeland Security, International Criminal Court, Legalization of Marijuana, Mental Health and Insanity, Police Brutality, Prison Violence, Racial Profiling, School Violence, Sex Offender Laws, Stalking Laws, Supermax Prisons, Three Strikes, Treating Juveniles as Adults, War on Drugs, and more.
