At the end of the month, you can see how much cash is left by taking a quick peek in your envelope. How easy is that? If you're constantly going overboard in a certain category (hello, food!), then take cash out for the amount you've budgeted for and stick it in an envelope. When you shop for that category, only use what's in the envelope. Once the money is gone, it's gone--so this will force you to stop overspending!

What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

The Richest Man in Babylon has been a favorite of Dave Ramsey's for years. In this exclusive edition of George Clason's classic, George gives his timeless principles for building lasting wealth, while Dave shares his proven money advice using quotes directly from The Dave Ramsey Show. With powerful storytelling, The Richest Man in Babylon gives fresh perspective and encouragement to all who want to change their lives and win with money. Join George and Dave as they share how to: -Get out of debt -Budget -Live on less than you make -Invest wisely -Save for the future -Enjoy your life and money As George says, "Money is plentiful for those who understand the simple rules of its acquisition." If you follow the wisdom of Babylon, financial peace—and a life of freedom—are just seven steps away.

Zijn eigen mensen worden ontslagen en het werk wordt overgenomen door illegale Chinezen die het werk tegen een hongerloon willen doen. In zijn eentje kan hij de globalisering en de vooruitgang niet stoppen, maar ís dit vooruitgang? Nesi neemt ons mee naar leegstaande fabriekshallen, stilgevallen weefgetouwen en familie-etentjes, gesprekken met zijn dochter en bespiegelingen over het schrijven.
