A revision book enabling students to consolidate their skills and achieve the best possible grades in their GCSE exams.

'...a most significant addition to the literature on its subject.' - Roger Morgan, Professor of Political Science, European University Institute, Florence An unconventional overview of a new and normal Germany fifty years after World War 2 and five years after unification. The authors address the challenges of ageing and migration to a tangled national identity; their impact on a cautious yet resilient society, and an inertial yet dynamic economy; and the frequently surprising ways Germans have learned to cope with one another, redefine and pursue their interests, and deal with a changing world after two dictatorships, two world wars, and one cold war.

Founded as a communal society in 1855 by German Pietists, the seven villages of Iowa's Amana Colonies make up a community whose crafts, architecture, and institutions reflect—and to an extent perpetuate—the German heritage of earlier residents. In this intriguing blend of sociolinguistic research and stories from Colonists both past and present, Philip Webber examines the rich cultural and linguistic traditions of the Amanas. Although the Colonies are open to the outside world, particularly after the Great Change of 1932, many distinctive vestiges of earlier lifeways survive, including the local variety of German known by its speakers as Kolonie-Deutsch. Drawing upon interviews with more than fifty Amana-German speakers in 1989 and 1990, Webber explores the nuances of this home-grown German, signaling the development of local microdialects, the changing pattern in the use of German in the Colonies, and the reciprocal influence of English and German on residents' speech. By letting his sources tell their own stories of earlier days, in which the common message seems to be wir haben fun gehabt or “we had fun working together,” he illuminates the history and unique qualities of each Colony through the prism of language study. Webber's introduction to this paperback edition provides an up-to-date itinerary for visitors to the Colonies, information about recent publications on Amana history and culture, and an overview of expanded research opportunities for language study and historical inquiry. The result is an informative and engaging study that will be appreciated by linguists, anthropologists, and historians as well as by general readers interested in these historic villages.

Lernpunkt Deutsch provides a challenging and thorough approach to grammar, and encourages vocabulary acquisition, practice and retention. It is a three stage course which is rigorous and motivating.

Crack the Code and Get Fluent Faster! "I had to learn [a new language] in a handful of days for a TV interview. I asked Benny for help and his advice was invaluable." - Tim Ferriss What if you could skip the years of study and jump right to speaking German? Sound crazy? No, it's language hacking. It's about learning what's indispensable, skipping what's not - and using what you've learned to have real conversations in German - from day one! Unlike most traditional language courses that try to teach you the rules of a language, Language Hacking German, shows you how to learn and speak German immediately through proven memory techniques, unconventional shortcuts and conversation strategies perfect by one of the world's greatest language learners, Benny

Lewis, aka the Irish Polyglot. The Method Language Hacking takes a modern approach to language learning, blending the power of online social collaboration and the 80/20 principle of learning (Benny's ten #languagehacks show you how to achieve more with less!). It focuses on the conversations and language that learners need to master right away, rather than presenting language in the order of difficulty like most courses. This means you can start having conversations immediately. Course Features Each of the 10 units culminates with a speaking mission that you can choose to share on the italki Language Hacking learner community (www.italki.com/languagehacking) where you can give and get feedback and extend your learning beyond the pages of the book. The audio for this course is available for free on library.teachyourself.com or from the Teach Yourself Library app. You don't need to go abroad to learn a language any more.

This Handbook offers students and more advanced readers a valuable resource for understanding linguistic reference; the relation between an expression (word, phrase, sentence) and what that expression is about. The volume's forty-one original chapters, written by many of today's leading philosophers of language, are organized into ten parts: I Early Descriptive Theories II Causal Theories of Reference III Causal Theories and Cognitive Significance IV Alternate Theories V Two-Dimensional Semantics VI Natural Kind Terms and Rigidity VII The Empty Case VIII Singular (De Re) Thoughts IX Indexicals X Epistemology of Reference Contributions consider what kinds of expressions actually refer (names, general terms, indexicals, empty terms, sentences), what referring expressions refer to, what makes an expression refer to whatever it does, connections between meaning and reference, and how we know facts about reference. Many contributions also develop connections between linguistic reference and issues in metaphysics, epistemology, philosophy of mind, and philosophy of science.

If you already have the basics and want to learn more German, this advanced beginner audio course will boost your confidence to understand and speak German. Practise the most frequent words and expressions for: -renting a car -booking a hotel room -meeting at a party -ordering starters and drinks -ordering a main course and a dessert -talking about yourself and your family -talking about likes and dislikes -travelling about town -making arrangements -talking about a weekend break. Do you want to have more meaningful conversations in German? Do you want to feel comfortable in a variety of situations? Based on authentic texts, such as songs, poems, and conversations between native speakers, this course will help you improve and build upon the language you already have so that you develop your skills to a level where you can enjoy communicating in German. Incorporating information about the culture, history and geography of Germany and its influence on the language, you will be introduced to the more advanced points of German grammar, as well as more colloquial language, and develop your vocabulary so you can express your opinion on a number of topics, as well as react to other people's opinions. What will I achieve by the end of the course? By the end of Enjoy German you will have increased your capacity to understand the spoken and written language, and furthered your ability to communicate with German speakers, orally and in writing. This course aims to take you to a solid intermediate level. You will reach an Advanced Low to Mid level of the ACTFL (American Council on the Teaching of Foreign Languages) proficiency guidelines / B2 level of the CEFR (Common European Framework of Reference for Languages). Is this course for me? If you already know some German and want to take it further, this is the course for you. It's perfect for the self-study learner, with a one-to-one tutor, or for the post-beginner classroom. What do I get? A coursebook with over two hours of audio online that features: - Ten units that cover more complex situations than your basic tourist scenarios - Carefully levelled and sequenced material - a solid path to build up your knowledge - Authentic texts, such as poems, songs, excerpts and conversations to present the language - Learn through the Discovery Method which helps you notice and retain the language you learn - Learn to learn - tips and advice on becoming a better language learner - Easy to use workbook format. What else can I use to learn German? If you require an absolute Beginner course, you can try our Get Started in German: 9781444174625 If you want a comprehensive Beginner to Intermediate course, you should try our Complete German: 9781444177398 To access the accompanying audio for this book, please visit library.teachyourself.com. You can stream the audio online for free, or download it to the free Teach Yourself Library app, available on iOS and Android. Rely on Teach Yourself, trusted by language learners for over 80 years.

The volume brings together contributions that reflect on issues about migration in terms of the countries of immigration: ways of “reception“. It is underlined in all contributions that effective humanitarian legislation can only be implemented together with a deep understanding of the problems faced by refugees/asylum seekers and the social relations that determine their position in society. Mehmet Okyayuz, grown up in Germany, studied political science, philosophy and sociology in Paris, Berlin and Heidelberg. MA from Heidelberg and Doctorate in Marburg. Since 1995 he is teaching at ODTU in Ankara, focusing on political theory, history of labour movement, policy analysis and migration. The study addresses the question of how preschool teachers who work in regular state inclusive preschools can be qualified to teach English as a foreign language. Through the longitudinal case study, which followed the principles of participatory action research, substantial insights were gained which can be transferred to other pre-primary contexts.

DEUTSCH HEUTE successfully develops the skills of introductory German students by maintaining a focus on listening, speaking, reading, and writing.
