Available together for the first time—all three books in the #1 New York Times bestselling Divergent trilogy, plus the companion volume told from the perspective of the immensely popular character Tobias. Perfect for established fans who want to own the full Divergent library or readers new to the series, this box set includes Divergent, Insurgent, Allegiant, and Four: A Divergent Collection as well as an exclusive Divergent series poster! Divergent: One choice can transform you. Veronica Roth's #1 New York Times bestselling debut is a gripping dystopian tale of electrifying choices, powerful consequences, unexpected romance, and a deeply flawed "perfect society." Insurgent: One choice can destroy you. Veronica Roth's second #1 New York Times bestseller continues the dystopian thrill ride. As war surges in the factions all around her, Tris attempts to save those she loves—and herself—while grappling with haunting questions of grief and forgiveness, identity and loyalty, politics and love. Allegiant: The explosive conclusion to Veronica Roth's #1 New York Times bestselling Divergent trilogy reveals the secrets of the dystopian world that has captivated millions of readers. Four: A Divergent Collection: A companion volume to the worldwide bestselling Divergent series, told from the perspective of Tobias. The four pieces included—"The Transfer," "The Initiate," "The Son," and "The Traitor"—plus three additional exclusive scenes, give readers a fascinating glimpse into the history and heart of Tobias, and set the stage for the epic saga of the Divergent trilogy.

Dit ebook met de vier novellen De overstapper, De aspirant, De zoon en De verrader geeft een uniek inkijkje in het lot van Tobias en in de wereld van Divergent. Tobias vertelt hoe hij in Zelfverloochening opgroeide en 'ontsnapte' naar Onverschrokkenheid waar hij voor het eerst vriendschappen sloot. Hoe hij maar vier angsten kende tijdens zijn Inwijding en de andere aspiranten ver achter zich liet op de ranglijst. Ook laat Tobias zien hoe hij steeds meer te weten kwam over de onheilspellende samenwerking tussen Eruditie en Onverschrokkenheid en hoe hij moest verbergen dat hij Afwijkend was.

Het gouden kompas is het boek van de zoektocht van Lyra naar haar verdwenen vriend Roger, die haar naar de bleke schoonheid van het Noorden brengt. In Het listige mes ontmoet Lyra de twaalfjarige Will, die een man heeft vermoord. En in De amberkleurige kijker ondernemen Lyra en Will een onontkoombare reis die hen zelfs naar de wereld van de doden zal voeren. Philip Pullman won vele prijzen, waaronder de Smarties Prize, de Carnegie Medal, The Guardian Children's Fiction Prize, de Whitbread Award en de prestigieuze Astrid Lindgren Memorial Award. Van Pullmans spannende en beroemde trilogie Het Noorderlicht werden wereldwijd meer dan tien miljoen exemplaren verkocht, en het eerste deel, Het gouden kompas, is verfilmd als The Golden Compass.

Veronica Roth's #1 New York Times bestselling novel Divergent is now a major motion picture starring Shailene Woodley, Theo James, and Kate Winslet! With never-before-seen photos; personal interviews with the directors, actors, and writers; and exclusive extras, this lush, oversize volume is a true behind-the-scenes look at the filming of Divergent.

The Giver is een van de klassiekers van de 20ste eeuw De maatschappij waarin Jonas opgroeit, lijkt perfect. Er is geen oorlog of pijn. Iedereen krijgt een duidelijke taak en er hoeven geen keuzes te worden gemaakt. Wanneer Jonas twaalf is, wordt hij uitverkoren. Jonas wordt Bewaker van Herinneringen: hij ziet toe op het geheugen van de samenleving. Hij wordt door de Gever ingewijd in de geheimen van anderen. Zo ontdekt hij stap voor stap de verschrikkelijke waarheid over de maatschappij waarin hij leeft. En een weg terug is er niet.

This first book in Veronica Roth's #1 New York Times bestselling Divergent trilogy is the novel that inspired the major motion picture starring Shailene Woodley, Theo James, and Kate Winslet. This dystopian series set in a futuristic Chicago has captured the hearts of millions of teen and adult readers. Perfect for fans of the Hunger Games and Maze Runner series, Divergent and its sequels, Insurgent and Allegiant—plus Four: A Divergent Collection, four stories told from the perspective of the character Tobias—are the gripping story of a dystopian world transformed by courage, self-sacrifice, and love. Fans of the Divergent movie will find the book packed with just as much emotional depth and exhilarating action as the film, all told in beautiful, rich language. The paperback edition includes bonus materials created by Veronica Roth, including her essays on Utopian worlds and how she named the factions, writing tips, a Q&A, a Divergent playlist, faction manifestos, and an excerpt from Insurgent. One choice can transform you. Beatrice Prior's society is divided into five factions—Candor (the honest), Abnegation (the selfless), Dauntless (the brave), Amity (the peaceful), and Erudite (the intelligent). Beatrice must choose between staying with her Abnegation family and transferring factions. Her choice will shock her community and herself. But the newly christened Tris also has a secret, one she's determined to keep hidden, because in this world, what makes you different makes you dangerous. Supports the Common Core State Standards

The explosive conclusion to Veronica Roth's #1 New York Times bestselling Divergent series of books reveals the secrets of the dystopian world that captivated millions of readers and film fans in Divergent and Insurgent. One choice will define you. What if your whole world was a lie? What if a single revelation—like a single choice—changed everything? What if love and loyalty made you do things you never expected? Told from a riveting dual perspective, this third installment in the series follows Tris and Tobias as they battle to comprehend the complexities of human nature—and their selves—while facing impossible choices of courage, allegiance, sacrifice, and love. And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark*!

WARNING: This is not the actual book Divergent by Veronica Roth. Do not buy this reading Sidekick if you are looking for full copies of these great books. As you read the Divergent series, the chapter analyses in this unofficial companion piece are especially useful for recalling the action in previous novels. The Divergent series has many interesting characters that leave and reappear, thanks to love interests and biological relationships. The trilogy is written from a first-person perspective, so what we know of these characters is limited at times. Assistance in tracing their background and importance as they make multiple appearances throughout the three novels is provided in this comprehensive accompaniment. A dystopian trilogy, the Divergent series begins when Tris and "Four" (Tobias) turn 16. They do not fit into only one of five possible faction choices, so they are labeled Divergent. This labeling is the initial conflict in the trilogy. The many additional conflicts plus themes of sacrifice, freedom, individuality, and guilt are woven throughout the three novels, and they can all be traced with the help of this sidekick. In Divergent, Tris chooses to join the Dauntless faction and manages to not only survive, but also excel during harsh Dauntless training. She is caught up in a faction battle, and the second novel in the series, Insurgent, follows her involvement in the struggle, as she and her friends become targets due to their Dauntless natures. Allegiant provides answers about what exists outside the walled city, while introducing a final battle. Tris and her friends discover the truth about the factions' purposes and intents, achieving freedom in the process.

Het vervolg op *Carve the mark* Van de auteur van de Divergent-serie! Het lot bracht ze samen. Nu zal het ze verdelen. De levens van Cyra Noavek en Akos Kereseth zijn bepaald door hun lotsbestemmingen. Het lot van Akos is dat hij zal sterven in dienst van de familie Noavek, maar toch is hij verliefd geworden op Cyra. Dan eist Cyra's doodgewaande vader Lazmet, een meedogenloze tiran, de Shotet-troon op. Akos vreest dat zijn einde dichterbij is dan ooit. Lazmet staat op het punt een barbaarse oorlog te ontketenen, en Cyra en Akos willen hem koste wat het kost tegenhouden. Ze moeten hun familie, hun rijk en misschien zelfs elkaar verraden en bepalen waar hun loyaliteit ligt. Over *Carve the mark*: 'Lezers zullen verlangend uitkijken naar het tweede deel.' This book is based on several courses taught by the author at the University of Michigan between 1908 and 1912. It covers two main topics: asymptotic series and the theory of summability. The discussion of nowhere convergent asymptotic series includes the so-called MacLaurent summation formula, determining asymptotic expansions of various classes of functions, and the study of asymptotic solutions of linear ordinary differential equations. On the second topic, the author discusses various approaches to the summability of divergent series and considers in detail applications to Fourier series.

The aim of this volume is two-fold. First, to show how the resurgent methods introduced in volume 1 can be applied efficiently in a non-linear setting; to this end further properties of the resurgence theory must be developed. Second, to analyze the fundamental example of the First Painlevé equation. The resurgent analysis of singularities is pushed all the

way up to the so-called “bridge equation”, which concentrates all information about the non-linear Stokes phenomenon at infinity of the First Painlevé equation. The third in a series of three, entitled Divergent Series, Summability and Resurgence, this volume is aimed at graduate students, mathematicians and theoretical physicists who are interested in divergent power series and related problems, such as the Stokes phenomenon. The prerequisites are a working knowledge of complex analysis at the first-year graduate level and of the theory of resurgence, as presented in volume 1.

Complete your Divergent library with Four! Fans of the Divergent trilogy by #1 New York Times bestselling author Veronica Roth will be thrilled by Four: A Divergent Collection, a companion volume that includes four pre-Divergent stories plus three additional scenes from Divergent, all told from Tobias's point of view. This collection also makes a great pick for fans of the blockbuster movies who want to delve deeper into the character played by Theo James. Readers first encountered Tobias as "Four" in Divergent. His voice is an integral part of Allegiant. Readers will find more of this charismatic character's backstory told from his own perspective in Four: A Divergent Collection. When read together, these long narrative pieces illuminate the defining moments in Tobias's life. The first three pieces in this volume—"The Transfer," "The Initiate," and "The Son"—follow Tobias's transfer from Abnegation to Dauntless, his Dauntless initiation, and the first clues that a foul plan is brewing in the leadership of two factions. The fourth story, "The Traitor," runs parallel with the events of Divergent, giving readers a glimpse into the decisions of loyalty—and love—that Tobias makes in the weeks after he meets Tris Prior. Also includes three additional scenes from Divergent, told from Tobias's point of view! And don't miss The Fates Divide, Veronica Roth's powerful sequel to the bestselling Carve the Mark! The No. 1 New York Times bestselling Divergent series, now available as a four-book boxed set.

Addressing the question how to “sum” a power series in one variable when it diverges, that is, how to attach to it analytic functions, the volume gives answers by presenting and comparing the various theories of k -summability and multisummability. These theories apply in particular to all solutions of ordinary differential equations. The volume includes applications, examples and revisits, from a cohomological point of view, the group of tangent-to-identity germs of diffeomorphisms of \mathbb{C} studied in volume 1. With a view to applying the theories to solutions of differential equations, a detailed survey of linear ordinary differential equations is provided, which includes Gevrey asymptotic expansions, Newton polygons, index theorems and Sibuya’s proof of the meromorphic classification theorem that characterizes the Stokes phenomenon for linear differential equations. This volume is the second in a series of three, entitled Divergent Series, Summability and Resurgence. It is aimed at graduate students and researchers in mathematics and theoretical physics who are interested in divergent series, Although closely related to the other two volumes, it can be read independently.

Review of the original edition: This is an inspiring textbook for students who know the theory of functions of real and complex variables and wish further knowledge of mathematical analysis. There are no problems displayed and labelled “problems,” but one who follows all of the arguments and calculations of the text will find use for his ingenuity and pencil. The book deals with interesting and important problems and topics in many fields of mathematical analysis, to an extent very much greater than that indicated by the titles of the chapters. It is, of course, an indispensable handbook for those interested in divergent series. It assembles a considerable part of the theory of divergent series, which has previously existed only in periodical literature. Hardy has greatly simplified and improved many theories, theorems and proofs. In addition, numerous acknowledgements show that the book incorporates many previously unpublished results and improvements of old results, communicated to Hardy by his colleagues and by others interested in the book.

Welkom in New York, een stad die wordt geleid door tieners. Zij zijn de overlevers van een mysterieuze Ziekte. Nu leven ze in een wereld zonder internet, elektriciteit of andere hulpmiddelen. Voedsel wordt steeds schaarser, het risico op conflicten groter. De tieners hebben zich georganiseerd in stammen, en elke stam is tot de tanden bewapend. Jefferson is, een beetje tegen zijn wil, de leider van de Washington Square-familie. Donna, op wie hij in het geheim verliefd is, kent hij al van kleins af aan. Als ze een aanwijzing vinden over een mogelijk geneesmiddel voor de Ziekte, gaan ze op een levensgevaarlijke road trip om de mensheid te redden. Chris Weitz is een Amerikaanse filmproducer en regisseur. Hij regisseerde o.a. About a Boy, The Golden Compass van Philip Pullman en de verfilming van The Twilight Saga: New Moon. Overlevers is zijn eerste roman.
