Des milliers de lecteurs ont trouvé une aide inestimable dans *L'énergie des auras*, en particulier ceux qui travaillent en santé holistique et qui utilisent ces méthodes dans leur pratique quotidienne. Cette nouvelle édition apportera un message d'autonomie à encore plus de gens qui ont désespérément besoin d'augmenter leur confiance en soi durant ces temps de changements.

*The Power of Chakras* reveals the truth that has been concealed until now—astonishing secrets about the human energy field. Dr. Susan Shumsky has delved into the ancient Tantric and Vedic literature to uncover the veiled mysteries of the ages, where the most authentic information about the 7 chakras, 7 sub chakras, and the subtle energy system can be found. Until now, much of this wisdom has been locked in hiding places in the forests and caves of India and Tibet. This COVR Award-winning book is now offered as a new edition. Highly praised by spiritual masters from India as well as thousands of grateful readers, it has been hailed as the “quintessential reference on the subject.” By reading this valuable book, you will: Discover your subtle body and energy field and how to heal blockages. Gain understanding of Kundalini energy and the

chakra system. Learn to maintain health of your energy field.

Exploring Chakras is a brilliant highly illustrated and comprehensive exposition of the system of chakras a network of energy within your subtle body. Inside you will discover the 14 main chakras responsible for physical, mental, and spiritual activity and evolution. A magnificent companion book to Dr Shumsky's Exploring Meditation this book links the practice of meditation to the highest attainment of self-realisation by connecting it with the body's energy vortices-the chakras.

This Handbook offers a systemic approach to the notion of revelation in its various theoretical contexts. It provides in-depth coverage of the theoretical and historical fields in which the notion of revelation is discussed.

Susan Shumsky is a successful author in the human potential field. But in the 1970s, in India, the Swiss Alps, and elsewhere, she served on the personal staff of the most famous guru of the 20th century—Maharishi Mahesh Yogi. Maharishi died in 2008 at age ninety, but his influence endures through the spiritual movement he founded: TM (Transcendental Meditation). Other books have been written about him, but this spellbinding page-turner offers a rare insider's view of life with the guru, including the time the Beatles studied at his feet in Rishikesh, India, and wrote dozens of songs under

his influence. Both inspirational and disturbing, Maharishi and Me illuminates Susan's two decades living in Maharishi's ashrams, where she grew from a painfully shy teenage seeker into a spiritually aware teacher and author. It features behind-the-scenes, myth-busting stories, and over 100 photos of Maharishi and his celebrity disciples (the Beatles, Deepak Chopra, Mia Farrow, Beach Boys, and many more). Susan's candid, honest portrayal draws back the curtain on her shattering, extreme emotional seesaws of heaven and hell at her guru's hands. This compelling, haunting memoir will continue to challenge readers long after they turn its last page. It dismantles all previous beliefs about the spiritual path and how spiritual masters are supposed to behave. Susan shares: "Merely by being in his presence, we disciples entered an utterly timeless place and rapturous feeling, and, at the same time, realized the utter futility and insanity of the mundane world." Susan's heartfelt masterwork blends her experiences, exacting research, artistically descriptive and humorous writing, emotional intelligence, and intensely personal inner exploration into a feast for thought and contemplation. Neither starry-eyed nor antagonistic, it captures, from a balanced viewpoint, the essence of life in an ashram. Misunderstanding of Paul had started already in his lifetime, and his letters offer many examples of this. Throughout the centuries, Paul has continued to be

misunderstood by both Jews and Gentiles, especially in relation to his view of the law and the covenant. Paul has often been misunderstood because his form of argument, his use of Scripture, his view of Jews and Gentiles in Christ (especially of those Jews who were not convinced that Jesus was Messiah), and his view of what constitutes true Judaism do not seem to conform to our expectations and perceptions of the apostle. We have been accustomed to read his letters as of one who was emancipating people from Judaism, as one who sought to obliterate all ethnic and other distinctions rather than maintaining the identity of Jews and Gentiles even in Christ. By building on some of the insights of the New Perspective, and developing other more recent insights as well, a more consistent and credible Paul as a first-century Diaspora Jew organizing a mission to Gentiles will be presented. In this volume, Ralph Korner argues that John's extensive social identification with Judaism(s), Jewishness, and Jewish institutions does not reflect a literary program of replacing Israel with the *ekklesiāi* ("churches"/"assemblies"), that is the Jewish and non-Jewish followers of Jesus as Israel's Messiah. Rather, John is emplacing his Christ-followers further within Israel, without thereby superseding Israel as a national identity for ethnic Jews who do not follow Jesus as the Christos. There are three primary roads travelled in this investigative

journey. First, Korner explores ways in which a Jewish heritage is intrinsic to the literary structure, genre, eschatology, symbolism, and theological motifs of the Apocalypse. Second, he challenges the linear chronology of (generally) supersessionist dispensational readings of Revelation's visionary content by arguing for a reiterative/repetitive structure based on certain literary devices that also provide structure for visions within Jewish apocalypses and Hebrew prophecies. Third, he incorporates the most recent research on ekklesia usage, especially in Asia Minor, to assess how John's ekklesia associations might have been (non-supersessionally) perceived, especially by Jews in Roman Asia.

inner voice via meditation, releasing blockage, distinguishing divine voices, and developing a personal plan for spiritual fulfillment, in a volume accompanied by a CD containing special guided meditation techniques. Original.

Divinely Touched is a story of personal transformation. It chronicles Mary's spiritual awakening, how she was divinely saved, led, and transformed. From the depths of depression, from battles with physical ailments for which the medical profession had no explanations, from being led into worlds she never knew existed, she survived being taken to the underworld. She was guided and healed by light workers, shamans, and avatars from this world and the spirit dimension and led on a journey of personal, physical, mental, and spiritual healing. Mary's experience, like that of a caterpillar when transformed into a beautiful butterfly, is one that will inspire, enlighten, and transform your life as well. Dr. Dave uses science, research, and "knowledge of the ages" to explain what Mary experienced and open worlds to the reader that they may never have imagined. Divinely Touched: Transform Your Life can, in fact, do just that. "With painstaking detail, Mary describes her descent into darkness and her triumphant return. Like Margaret Starbird, in *The Goddess in the Gospels*, who also has a spiritual awakening that took her into the realms of psychosis, Mary describes a similar personal

descent into darkness before bursting forth into spiritual awareness. Inside you will find a compelling story that may help you or someone you love.”

—Maureen St. Germain, author of *Beyond the Flower of Life & You Are the Genie in the Bottle* “The world is waiting for this powerful story of good vs. evil.

Mary’s story is amazing, compelling, eye-opening, and courageous. Her faith has carried her through the darkness into the light. She is God’s instrument and truly a living expression of divine light flowing forth into the world. *Divinely Touched* is a must-read, and you won’t want to put it down. It will blow your mind!” —Pat Hastings, Author of *Simply a Woman of Faith: How to Live in Spiritual Power and Transform Your Life* “Mary’s amazing story will capture your interest and touch your heart. You will be inspired to move forward on your own journey of awakening.”

—Andrew Oser, author of *How Alternation Can Change Your Life; Finding the Rhythms of Health and Happiness* “*Divinely Touched* is a wonderful book that documents an impassioned and heartfelt account of the pitfalls and triumphs of personal awakening.” —Dr. Michael Sharp, author of *The Great Awakening, The Book of Light, The Book of Love, The Dossier of Ascension*

"Het is volle maan maar de zware bewolking en lichte regen belemmeren het zicht. De vuurtoren zwaait met vaste regelmaat haar licht over het trieste schouwspel. Het licht van mijn hoofdlamp gaat verloren in het donker. Langzaam begint het tot me door te dringen dat een stuk van mijn leven wordt afgesloten". In "SoloMan" herbeleeft Jack van Ommen zijn ongelooflijk avontuur dat begon aan de Amerikaanse westkust en negen jaar later tot een voorlopig einde kwam in een wilde storm in de Middellandse Zee. Hij begon zijn droom in een negen meter zeilboot met \$150 op zijn bankrekening. Na 51 landen en 48.000 zeemijlen in het kielzog, komt er een abrupt einde aan zijn ontdekkingsreis. Source-Full Intelligence, Understanding Uniqueness and Oneness through Education is a groundbreaking book which will give you an entirely new understanding of holistic education. Written by an internationally renowned educator, teacher trainer and researcher, the book is intended for all

who love and care for children and young adults. It details the toxicity of our educational systems and offers viable alternatives in order to make the process of education a joyful one for learners. It urges all care givers and educators to begin by developing their own Source-full Intelligence to enable them to understand the dual capacity that we humans have of conceptualising and experiencing our uniqueness and oneness, and pass on this understanding to learners. With the help of two lesson plans in the final chapter, it demonstrates how we can fruitfully replace the Self-versus-Other consciousness with a Self-and-Other consciousness and lead children to an even higher awareness that all is Self and there is in fact, no Other. By courageously examining our own belief systems and replacing delimiting beliefs with life-enhancing ones, each one of us can, in our own unique way, contribute towards making our rapidly shrinking and increasingly threatened world a better place for ourselves and for the generations to come.

### INCREASE YOUR SPIRITUAL STRENGTH AWAKEN YOUR HIDDEN POTENTIAL AND FULFILL YOUR DESTINY

Sushan Shumsky has taught thousands how to develop a deep spiritual connection within themselves by learning to listen to and trust the "still small voice" within -- the voice that embodies the wisdom needed to set a clear direction in life and make the biggest decisions with peaceful confidence. In Divine Revelation, she presents her proven techniques for opening your heart, mind, and spirit to the riches of inner divine contact and for learning how to:

- \* Augment your innate intuitive abilities
- \* Identify the source of intuitive messages and test their authenticity
- \* Overcome resistance to divine contact by breaking through ego barriers
- \* Attain mastery in the practice of meditation
- \* Become self-reliant in solving personal problems and charting a course for the future

Practical insight and advice for working with the chakra that serves as the foundation for awakening well-being throughout our body and our life. The energy center known in Sanskrit as muladhara is called the root chakra. It is located in a layer of our subtle body called pranamaya kosha, at the base of our spine in the tailbone area. The root chakra is our connection to the earth and to humanity at large. When this chakra is closed, muddied, and unhealthy, we experience fear, timidity, worry, doubt, anger, frustration, panic, self-loathing, survival mode, and defensiveness, and we manifest unhealthy habits, addictions, narcissism, aggressive behavior, bullying, and a sense of entitlement or victimhood. Earth Energy Meditations provides an answer to these maladies. It helps us reconnect with the earth and primal energies with powerful, easy-to-use methods of guided meditation, affirmation, visualization, breathing, and physical movements. By practicing these

techniques, we can reap the benefits of an open, clear, and healthy root chakra. We can return to a sense of stability, security, protection, and centered well-being. We can enjoy strength of character, integrity, perseverance, persistence, self-acceptance, self-worth, practicality, healthy survival instinct, and prosperity. Awaken the root to yourself and your connection to the world with Earth Energy Meditations.

"This book is for seekers. With writing that is both friendly to the layperson yet true to a deeper mystery, this is the book to which I refer my students who are interested in the esoteric wisdom and practices of the ancients." —Anodea Judith, author of *Eastern Body, Western Mind* Although they are often misunderstood, the chakras are important facets of health and spirituality and when properly attuned can lead to happier and healthier lives. In *The Big Book of Chakras and Chakra Healing*, Dr. Susan Shumsky delves into the ancient Tantric and Vedic literature to uncover the veiled mysteries of the ages, where the most authentic information about the 7 chakras, 7 subchakras, and the subtle energy system can be found. By reading this valuable book, you will: Discover your subtle body and energy field and how to heal blockages. Gain understanding of kundalini energy and the chakra system. Understand how to use visualization to access your chakras. Learn to maintain the health of your energy field. *The Big Book of Chakras and Chakra Healing* is perfect for novices and experienced practitioners alike and will lead you on a journey of discovery, balance, and enlightenment.

This collection explores the question of whether it is possible to re-conceive the category of transcendence from a feminist perspective. The contributors use the concept of transcendence to approach questions relating to the body, desire, and subjectivity, while offering a response to secular relativism.

marriage covenant between God and his people. The book demonstrates that God's marriage to his people is the central theme of the Bible. Eighteenth-century Reformed pastor Jonathan Edwards captured that perspective when he observed: The creation of the world seems to have been especially for this end, that the eternal Son of God might obtain a spouse . . . to whom he might . . . pour forth all that immense fountain of . . . love and grace that was in his heart and that in this way God might be glorified. This book traces the divine marriage from God's promises to Abraham, to the betrothal covenant that includes the Ten Commandments, to Israel's breaking of the covenant as described by the prophets, to the new covenant in Christ, and finally to the consummation of the divine marriage covenant in Revelation at the wedding of the Lamb. God instituted the marriage of a man and a woman in Genesis 2 to be an image of God's divine marriage with his people. Therefore, it is not a coincidence that both the Gospel and marriage are under attack in our culture. Human marriage cannot be rightly understood apart from the Gospel and the Gospel cannot be fully understood apart from marriage. This book enables Christians, whether single or married, to appreciate in a much fuller way the depth and nature of God's love for his bride. Seeing how the divine marriage defines and shapes human marriage also presents a clearer understanding of the spiritual importance of human marriage, inspiring Christians to pursue marriages that more faithfully reflect God's design. This book proclaims Scripture's message of God's unrelenting, irrevocable love for his bride and invites the church to respond. Susan A. Usually, you perceive the world by using your five senses: sight, taste, smell, touch, and hearing. But there is a sixth sense, an inner eye that can open the gateway to subtler realms of existence. Developing this inner eye will enable you to view a previously invisible world of multiple dimensions, spiritual planes filled with light, and alternate realities of indescribable wonders. This eye of wisdom, knowledge, illumination, and intuition is aptly named the third eye. Using the methods in *Awaken Your Third Eye*, you will learn how to develop supersensory perception, and how to use your third eye in your everyday life to receive guidance, healing, wisdom, inspiration, creativity, and spiritual awakening. Kundalini shakti is a mysterious, dormant, potent force within the body that, when awakened, can bring spiritual enlightenment.

Presents an in-depth look at children who have experienced the near-death phenomenon and the heightened abilities that these children exhibit • Provides compelling evidence for the existence of a generation of children who represent the spiritual evolution of the human race • Includes firsthand testimonies of children who have returned from near death

*The New Children and Near-Death Experiences* is the first book to provide--from the view of the child--an in-depth study of children who have experienced the near-death phenomenon and its aftereffects. Atwater notes that the child who returns from a near-death experience is not the same child as before, but is a "remodeled, rewired, reconfigured, refined version of the original." Presenting data to support her contention that these children have experienced structural, chemical, and functional changes in the brain, she also shows how their greater empathic abilities as well as dramatically higher intelligence are qualities that are also

present in children born since 1982--enhanced abilities that cannot be tied to simple genetics. Atwater shows that understanding the near-death experiences of children can help us prepare for a quantum leap in the evolution of humanity.

The purpose of this book is to share a revelation. The information on which this revelation is based came from the Universal Mind (God). It came in whispers. It came through dreams. It came when experiencing the heightened awareness of meditation or hypnotic trance or mental imagery. It was often received in the form of startling intuition. The vehicle for presenting this revelation is the story of one person's developmental journey from simple consciousness to cosmic awareness. The main character (Gregg) arrives at a potent juncture in his life where all the negatives and positives seem to feed into a central purpose. The more he learns, the more he is able to see. Events in his life that are "no coincidence" become ever more frequent and lead him to significant discoveries. These discoveries accumulate and one day they result in a powerful flash of insight that he instantly knows is something vitally important for peace in the world and the ultimate survival of human life.

Prayer is a constant mental input into our world. Do we pray for what we need or what we want? Do we pray to heal or to hurt? Terrorists pray. Healers pray. Millions pray. Motivations for prayer are investigated by the Spindrift researchers. One discovery was that non goal-directed prayer--"Thy will be done"--produced different test results than goal-directed prayer. A Journey Into Prayer explores the struggles, triumphs, and persecutions of two spiritual healers, Bruce and John Klingbeil, who developed scientific laboratory tests to investigate the effectiveness of prayer. This father and son team added to the centuries old anecdotal evidence the modern day standard of proof demanded by science and medicine. Spindrift translated some spiritual experiences and religious language into the scientific language and experiments of our times. Spindrift isolated positive and negative effects of prayer. Spindrift ignited spiritual dynamite by asking, "What can we know about prayer scientifically?" Author Bill Sweet weaves with a rare sense of humor this Spindrift adventure and the outrage it sparked. ABOUT A JOURNEY INTO PRAYER One of the most predictable consequences of exploring the bridge between science and religion is that the simple act of questioning authority, on either side of that bridge, is guaranteed to evoke furious emotions in those who believe they already know the "truth." Bill Sweet's Journey into Prayer is the story of a father and son who

courageously risked everything to explore the power of prayer, an overview of what they discovered, and a poignant reminder of the risks faced by all true pioneers. --Dean Radin, Ph.D., Senior Scientist, Institute of Noetic Sciences, Author of *The Conscious Universe* and *Entangled Minds*, interviewed in the movie *What the Bleep: Down the Rabbit Hole* The name Spindrift is synonymous with what at first seems an oxymoron--the scientific study of prayer. This group's ground-breaking work, which has been part of an enormous shift in consciousness, was brought forth at great personal cost--the apparent suicides of the father-son research team. Bill Sweet's meticulous account reads like a mystery--one that may never be solved. But regardless of the tragedy, the Spindrift research is an important part of the bridge between science and Spirit. May all the good these researchers have done return to them as an enduring blessing of peace. --Joan Borysenko, Ph.D., Author, *Seven Paths to God* and *A Woman's Journey to God* cofounder and former Director of the Mind-Body Clinic, Harvard Medical School This book describes the work of some original thinkers, supported by over 20 years of meticulous experimental and analytical research of ingenious design. It bears on the nature of prayer and of healing, and of powers of the human mind little appreciated by most people. Because the philosophical background and the experimental work differs from the mainstream, the research and its important implications for all of us has been largely overlooked. Bill Sweet's homely and disarming writing style presents the material in a personal way that is easily accessible to readers of

Dans L'énergie des chakras, Susan Shumsky plonge dans la littérature tantrique et védique ancienne pour lever le voile sur les mystères des âges, dans lesquels nous pouvons découvrir l'information la plus authentique sur les sept chakras, les sept sub-chakras et le système énergétique subtil. Jusqu'à aujourd'hui, une grande partie de cette sagesse est demeurée un secret bien gardé dans les forêts et les cavernes de l'Inde et du Tibet.

This spiritual self-help book offers easy, step-by-step procedures to master the ancient arts of meditation and enlightenment. It offers practical techniques to increase love, power, and energy; reduce stress and tension; improve health; reverse aging; and bring well-being, contentment, and peace of mind to everyday life.

"One Becomes One" is a gift of authentic awakening: the gritty, real story of two people endeavoring mightily to live in the world as it is, but not to be of the world. EVERYTHING, from the highest highs to the lowest lows. Like life itself, she is comical one minute and upset the next! To Libby, everything is a part of God, calling for understanding, forgiveness and integration. Throughout her spiritual journey, Libby deeply KNEW that all the good God had stored up for her would come to her in an astounding rush of energy. Divorced, in debt, a working, commuting, exhausted single mom, Libby persevered and self-published her spiritual autobiography, "I Am Liberty." The book seemed to be her one and only avenue for actual liberation. Praying for miraculous sales, she tried unsuccessfully to find a noteworthy 'somebody' to review her book. Libby had one review copy left in July 2005. One click of the mouse changed Libby's life forever, and opened the door to more than she could ask or imagine. Libby gave away her last copy of "I Am Liberty" and received 'miraculous sales' in excess of a million dollars, her twin flame, the answer to all of her prayers, and true liberty. "One Becomes One" is the story of Libby and her twin flame, Ahyh. "One Becomes One" is the remarkable story of Eden, restored.
