HSC Golden Guide to English (Advanced) is a textbook designed to teach students how to craft Band 6 level responses in English. The textbook is modelled on the highly successful educational method of example-based learning. Each piece of guidance provided in the textbook is supported by Band 6 examples using prescribed texts from the 2018 Year 12 Advanced English syllabus, so that students may see and learn for themselves how to improve their writing. The strategic philosophy of the textbook allows students to independently master HSC English without having to rely on tutoring or copious amounts of memorisation. The 250+ pages textbooks are divided into three sections: Practical

Skills: including guides to essay preparation, essay writing, adapting to exam questions, writing in different formats such as speech, and supporting workbook exercises. Discovery: including syllabus deconstruction and clarification, creative writing, responding to short answer questions, 2018 Discovery texts, adapting to Discovery exam questions, and supporting workbook exercises. Modules A, B, C: including syllabus deconstruction and clarification, 2018 Modules texts, adapting to Modules exam questions, and supporting workbook exercises.

MAHARASTRA HSC QB Malcolm Forbes said "Education's purpose is to replace an empty mind with an open one" and this is something which is always followed by Maharashtra State Board of Secondary & Higher Education (MSBSHSE). The aim of the Board is not just to let learners obtain basic knowledge but to make them life-long learners. The purpose of this book is to nurture individuality and thus enhance one's innate potentials which help in increasing the self-study mode for students. This book strengthens knowledge and attitude related to subject. This book is designed in such a way that students can set their own goals and can improve their problem solving and thinking skills. This book is strictly as per the latest Maharashtra Board Curriculum for HSC Exams. It contains variety of questions from latest textbooks. It contains all types of questions like VSA Questions (Very Short Answer), SA Questions (Short Answer), MCQs (Multiple Choice Questions) and LA Questions (Long Answer). A synopsis is given for every chapter which contains important points from that chapter. Each chapter has high quality figures wherever required for better, fast and clear understanding. OSWAAL HSC Question Bank is different and better in terms of High Quality Questions which are developed by 'OSWAAL Expert Panel'. The Question Bank is strictly based on the latest MSBSHSE Textbooks and is arranged 'TOPIC-WISE' where each Topic from every

Chapter is explained in detail. Through OSWAAL Books students are taught how to think, not what to think. We at OSWAAL Books try to use quality content, standard language, creativity and high quality figures, which makes learning easy and fun. This is one of the reasons that the scope of this book extends from students to teachers.

Teachers can use this book as a perfect teaching guide and students can use this book for good learning and practice.

'Het wonderbaarlijke voorval met de hond in de nacht' van Mark Haddon is het hartveroverende, inmiddels klassieke verhaal om te lezen en te herlezen. Christopher, de detective in deze ongewone detectiveroman, is een vijftienjarige jongen met een vorm van autisme. Hij weet veel van wiskunde en weinig van mensen. Hij houdt van lijstjes, patronen en de waarheid. Hij houdt niet van de kleuren geel en bruin. Hij is in zijn eentje nooit verder geweest dan het einde van de straat, maar wanneer de hond van de buurvrouw vermoord blijkt te zijn, begint hij aan een reis die zijn hele wereld op z'n kop zet.
