What happens when an actor owns shares in the stage on which he performs and the newspapers that review his performances? Celebrity that lasts over 240 years. From 1741, David Garrick dominated the London theatre world as the progenitor of a new 'natural' style of acting. From 1747 to 1776, he was a part-owner and manager of Drury Lane, controlling most aspects of the theatre's life. In a spectacular foreshadowing of today's media convergences, he also owned shares in papers including the St James's Chronicle and the Public Advertiser, which advertised and reviewed Drury Lane's theatrical productions. This book explores the nearly inconceivable level of cultural power generated by Garrick's entrepreneurial manufacture and mediation of his own celebrity. Using new technologies and extensive archival research, this book uncovers fresh material concerning Garrick's ownership and manipulation of the media, offering timely reflections for theatre history and media studies.

In its centennial year, Marcel Proust's masterpiece of literary imagination is available in a Norton Critical Edition. Marcel Proust's seven-volume masterpiece, *In Search of Lost Time* (A la recherche du temps perdu), has inspired many superlatives, among them "the greatest novel ever written" and "the greatest novel of the first half of the twentieth century." *Swann's Way*, the first volume of the *Recherche* and the most widely read and taught of all the volumes, is the ideal introduction to Proust's inventive genius. This Norton Critical Edition is based on C. K. Scott Moncrieff's translation, which introduced the English-speaking world to Proust and was published during the author's lifetime. It is accompanied by Susanna Lee's introduction, note on the text, and explanatory annotations. Marcel Proust was forty-two years old when *Swann's Way* was published, but its foundational ideas and general shape had been evolving for decades. "Contexts" includes a 1912 reader's report of the manuscript that exemplifies publishers' complicated reactions to Proust's new form of writing. Also included are three important post-publication reviews of the novel, by Elie-Joseph Bois, Lucien Daudet, and Paul Souday, as well

as André Arnyvelde's 1913 interview with Proust. The fourteen critical essays and interpretations of Swann's Way in this volume speak to the novel's many facets—from the musical to the artistic to its representations of Judaism and homosexuality. Contributors include Gérard Genette, whose "Metonymy in Proust" appears here in English translation for the first time, along with Gilles Deleuze, Roger Shattuck, Claudia Brodsky, Julia Kristeva, Margaret E. Gray, and Alain de Botton, among others. The edition also includes a Chronology of Proust's Life and Work, a Selected Chronology of French Literature from 1870 to 1929, and a Selected Bibliography.

One day, when Mary Rose Callaghan was 13, her mother jumped into the freezing Irish Sea. Knowing that her mother was an asthmatic, the shock of seeing her dive into "the deep end" began Mary Rose's curiosity about her mother's life. That curiosity spawned the writing of this memoir, a coming-of-age tale focused on Mary Rose's relationship with her mother, which endured through economic hardship, and her mother's descent into mental illness and alcoholism. The Deep End begins by tracing her mother's arrival in Ireland in the 1930s, training to be a nurse, and marriage to Mary Rose's father, continues through Mary Rose's difficult childhood and later success as a writer, and culminates with her marriage to Robert Hogan and her mother's death.
