Book Description: A quick and easy escape into the world of magic and infinite possibility. Bogo is an elf refugee with a superpower. He can hear things others cannot. He escapes home as a baby and all odds are against his survival. He meets a lioness, human hunters, shamans and warriors. He observes and experiences Nature with all its beauty and danger. What Bogo and his parents do not know is that he is part of an ancient prophecy and the path of his destiny is treacherous and magical. Will he defeat all the enemies in and outside of himself and fulfill his purpose? Review: "What I loved most about Sound Hunter was the magical world it immerses you in right from the beginning. The world of the story is filled with great details that make it real and touching. It really captures the many truths hidden in nature. And a sense of personal discovery that comes with getting to explore those. It's both very magical and other-worldly and very human as it deals with the things we all experience - loss, grief, surprises, curiosity, discovery and growing. Do read it!!!" Rayna Haralambieva "Enchanting tale that is pleasant to read. I loved the fantasy world, the characters, the characters' names. The narrative is very imaginative, still easy to follow, and hard to put down, once you've started reading. Promising beginning of an enjoyable story that I'll try not to miss." Nina Rueva, translator "Reading it for the second time. Which sums up my opinion to be honest.It's an easy to read book, captivating and full with amazing little details that gives you the chance to relocate briefly to the world of this adventurous Sound Hunter.The only thing I can add is: when can we read the sequels ?! PLEASE!" Mondher Khebiri, @mkebiri\_ "First I have to be honest when I say that I was directly excited when I started to read this story. I really enjoy nature, fantasy and fiction and this story gathers the three of it. Niko introduces us into a new world through his fictional character, Bogo. He invites us in a world of pristine, colourful and awe-inspiring nature. Nature with a N becomes a magical place; it gets as welcoming as it gets threatening. We are directly in the story, in a world that the author created. Also, I found Bogo a very interesting character that gathers everybody; his family, his masters, animals, nature... I really found interesting to follow this character growing, learning more about himself, about the world. The reader is growing with the character, learning more about Bogo, about the world that surrounds him. Also, this story unfolds its philosophical character; the experience that Bogo has with his masters is a kind of experience also for the reader (trying to learn more about yourself, the function of your body, opening your curiosity to nature, to what is happening...). Moreover, as a non-native English speaker, I

would say that it is easy to read and this story is for everybody. I've read it easily while learning vocabulary. Anyway, I really appreciated the story and recommend it!" Camille Garoud "Great read. Adventurous and inspirational. Love the chapter with the doors and the ending. Hope this is only the first part, can't wait for more." Peter Burnev

Copy each being as-is. Or, better yet, follow your own twisted imaginings to conjure up creatures from fantastic lands.

Dragons and magic await. Dragons of Dawn is an epic saga that contains three novels that are prequels to the World of Godsland fantasy series. Each is a great place to start the series or to continue the adventure. Dragon Airways - Lured by ancient magic, a boy with special needs and unusual talents becomes valuable to both sides of the war. Fleeing those sent to capture him, he and his sister board Dragon Airways. Ascension - Having reached the age of decision, Gwendolin Ahlgren finds she has no viable choices, or at least none her family will agree to let her pursue. She's resigned that her life will be anything but what she'd hoped it would be. When a traveling circus passes through her village, a fortune teller predicts a mysterious destiny Gwen could never have imagined and roundly rejects. Against her will, she leaves home for life in a monastery and meets the love of her life. Life and love aren't always what one expects, and neither is destiny. Gwen will have to stretch beyond herself and understand the true meaning of love if she's to fulfill her destiny through a task that only an unimaginable ascension can accomplish. Onin - Joining the King's Guard is something every kid growing up in the Midlands dreams about. Onin never dared imagine such a life for himself, even after distinguishing himself in battle. When offered a rare opportunity to train within the Heights, he must balance honor, duty, and family.
