

Far And Away A Prize Every Time Neil Peart

Your personal photographs have a worth that can't be measured in dollars and cents. They're likely the one thing you would grab on the way out of a burning house – an irreplaceable record of the life you lead, of friends and family, and of the occasions with which you mark passing years. The funny thing is, most people aren't entirely happy with their photographs. And that's where *Photography For Dummies* comes in. You don't need a fancy camera with multiple, removable lenses to get good pictures. The problem is, nearly every book on photography assumes that you're using one. But this book assumes that you're using a point-and-shoot camera for all your pictures. In fact, this may be the most complete guide available for taking pictures with a modern point-and-shoot camera. This revised edition of *Photography For Dummies* helps you choose film (much simpler than you'd think), load film into the camera (no big sweat), and understand how to hold the camera (yes, there are right and wrong ways). You'll also discover tips about dealing with your photofinisher – a far more important factor in getting good results than most people realize, especially in the digital age. What's more, you'll gain insight into Working with your camera, and how different settings make your camera do different things Understanding the importance of light in a photograph, and applying design strategies that make your subjects stand out Getting shots that both flatter people and capture their personalities Shooting landscapes, and the special considerations of travel photography Taking pictures filmlessly, and the pleasures and pitfalls of digital photography Troubleshooting your camera, and discovering what do try if it won't shoot Today's point-and-shoot cameras are remarkably reliable devices. So why aren't your pictures better? The main secret to better photographs is knowing what to shoot, when to shoot it, and how to shoot it. You need *Photography For Dummies*, because it lets you in on this secret.

One of America's most acclaimed historians of the South weaves together a perceptive biography of Faulkner with an astute analysis of his works and a revealing history of his ancestors in Mississippi--a family history that becomes, in Williamson's skilled hands, a vivid portrait of Southern culture itself.

When a senior attaché with the Mexican Consulate is found dead alongside the director of a local bird sanctuary, many details pique Inspector Jejeune's interest, including a vacant field research position — a full-time job studying birds. Is this the escape from policing that he has been looking for? But first there's a murder to solve.

Presents a serialized autobiography describing the author's life, including his career in the band Rush and his motorcycling adventures throughout North America and Europe.

Wally Wilbert knew writing contests were tough, but good grief! All weekend long he's slaved over his latest creation, Max Underpants, until he hit a snag. Now faced with the real possibility that he might not be able to finish his epic masterpiece, Wally digs in and makes one last stand. Will he finish his harebrained adventure? Or will Max Underpants wind up on the proverbial scrapheap where all unfinished novels go? TECHNICAL SPECIFICATIONS Max Underpants is a short story, approximately 4,000 words. Although there isn't any profanity, plenty of crazy ideas are sprinkled throughout. Intended for teens and adults.

Vols. for 1933- include the society's Farmers' guide to agricultural research.

Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals, *Scouting* magazine offers editorial content that is a mixture of information, instruction, and inspiration, designed to strengthen readers' abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families.

When SpongeBob enters into a contest with his father, he forgets the most important thing about the event.

Lord Ramage returns for another highly-charged and thrilling adventure at sea. Instructed with the task of discovering why His Majesty's dispatches keep unaccountably disappearing, Ramage finds himself involved in a situation far beyond his expectations. Based on true events, *Ramage's Prize* is another gripping story from Dudley Pope.

The collapse of Western colonial empires in the twenty years after the Second World War led to a series of vicious struggles for power - in Africa, Asia and the Middle East - whose bloody consequences haunt us still. Acclaimed historian Michael Burleigh's brilliant analytic skills and clear eye for common themes underpins this powerful account of those conflicts. He takes us on a historical journey from Algeria to Cuba, from Malaysia to Palestine, and from Kenya to Vietnam and, in so doing, he reframes mid-twentieth-century history by forcing us to look away from the Cold War to the hot wars that continue to afflict us. The result is a dazzling work of history, which examines the death of colonialism with passion, insight and genuine understanding of what it feels like to be caught in the middle of realpolitik.

E. Braddon

Cash McLendon faces off against stone-cold enforcer Killer Boots in a final showdown in this rousing Western adventure from the New York Times bestselling author of *Buffalo Trail*—winner of the TCU Texas Book Award. Cash McLendon, reluctant hero of the epic Indian battle at Adobe Walls, has journeyed to Mountain View in the Arizona Territory with one goal: to convince Gabrielle Tirrito that he's a changed man and win her back from schoolteacher Joe Saint. As they're about to depart by stage for their new life in San Francisco, Gabrielle is kidnapped by enforcer Killer Boots, who is working on orders from crooked St. Louis businessman Rupert Douglass. Cash, once married to Douglass's troubled daughter, fled the city when she died of accidental overdose—and Douglass vowed he'd track Cash down and make him pay. Now McLendon, accompanied by Joe Saint and Major Mulkins, hits the trail in pursuit of Gabrielle and Killer Boots, hoping to make a trade before it's too late...

The inspiring true story about identical twin teenage brothers who escape El Salvador's violence to build new lives in California as undocumented immigrants, perfect for fans of *Enrique's Journey* and anyone interested in learning about the issues that underlie today's conversations about DACA and immigration reform. Ernesto and Raúl Flores are identical twins, used to being mistaken for each other. As seventeen-year-olds living in rural El Salvador, they think the United States is just a far-off dream--it's too risky, too expensive to start a life there. But when Ernesto ends up on the wrong side of MS-13, one of El Salvador's brutal gangs, he flees the country for his own safety. Raúl, fearing that he will be mistaken for his brother, follows close behind. Running from one danger to the next, the Flores twins make the harrowing journey north, crossing the Rio Grande and the Texas desert only to fall into the hands of immigration authorities. When they finally

make it to the custody of their older brother in Oakland, California, the difficulties don't end. While navigating a new school in a new language, struggling to pay off their mounting coyote debt, and anxiously waiting for their day in immigration court, Raul and Ernesto are also trying to lead normal teenage lives--dealing with girls, social media, and fitting in. With only each other for support, they begin the process of carving out a life for themselves, one full of hope and possibility. Adapted for young adults from the award-winning adult edition, *The Far Away Brothers* is the inspiring true story of two teens making their way in America, a personal look at U.S. immigration policy, and a powerful account of contemporary immigration. A Junior Library Guild Selection "Both touching and educational. . . . Gets inside the heads and hearts of immigrants." --Kirkus, Starred Review "A must for all young adult nonfiction shelves." --School Library Journal, Starred "Visceral and informative, this is a necessary read for today's youth." --Booklist

Examines privateering and naval prizes in Atlantic Canada in the maritime War of 1812 - considered the final major international manifestation of the practice. It seeks to contextualise the role of privateering in the nineteenth century; determine the causes of, and reactions to, the War of 1812; determine the legal evolution of prize law in North America; discuss the privateers of Nova Scotia and New Brunswick, and the methods they utilised to manipulate the rules of prize making during the war; and consider the economic impact of the war of maritime communities. Ultimately, the purpose of the journal is to examine privateering as an occupation in order to redeem its historically negative reputation. The volume is presented as six chapters, plus a conclusion appraising privateering, and seven appendices containing court details, prize listings, and relevant letters of agency.

"Quotes are always the legacy of legends" You Deserve It Talbot Bulstrode yielded at last to John's repeated invitations, and consented to pass a couple of days at Mellish Park. He despised and hated himself for the absurd concession. In what a pitiful farce had the tragedy ended! A visitor in the house of his rival. A calm spectator of Aurora's every-day, commonplace happiness. For the space of two days he had consented to occupy this most preposterous position. Two days only; then back to the Cornish miners, and the desolate bachelor's lodgings in Queen's Square, Westminster; back to his tent in life's Great Sahara. He could not for the very soul of him resist the temptation of beholding the inner life of that Yorkshire mansion. He wanted to know for certain--what was it to him, I wonder?

M. E. Braddon is best known for her mysteries and sensation novels full of violence, schemes, murders, frauds and many unpredictable plot twists. This meticulously edited mystery collection is formatted for your eReader with a functional and detailed table of contents: The Trail of the Serpent Lady Audley's Secret Aurora Floyd Henry Dunbar Run to Earth The Cloven Foot Wyllard's Weird His Darling Sin

The deeply reported story of identical twin brothers who escape El Salvador's violence to build new lives in California—fighting to survive, to stay, and to belong. “Impeccably timed, intimately reported, and beautifully expressed.”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • WINNER OF THE RIDENHOUR BOOK PRIZE • SILVER WINNER OF THE CALIFORNIA BOOK AWARD Growing up in rural El Salvador in the wake of the civil war, the United States was a distant fantasy to identical twins Ernesto and Raul Flores—until, at age seventeen, a deadly threat from the region's brutal gangs forces them to flee the only home they've ever known. In this urgent chronicle of contemporary immigration, journalist Lauren Markham follows the Flores twins as they make their way across the Rio Grande and the Texas desert, into the hands of immigration authorities, and from there to their estranged older brother in Oakland, CA. Soon these unaccompanied minors are navigating school in a new language, working to pay down their mounting coyote debt, and facing their day in immigration court, while also encountering the triumphs and pitfalls of teenage life with only each other for support. With intimate access and breathtaking range, Markham offers an unforgettable testament to the migrant experience. FINALIST FOR THE LOS ANGELES TIMES BOOK PRIZE • SHORTLISTED FOR THE J. ANTHONY LUKAS BOOK PRIZE • LONGLISTED FOR THE PEN/BOGRAD WELD PRIZE FOR BIOGRAPHY “[This] beautifully written book . . . can be read as a supplement to the current news, a chronicle of the problems that Central Americans are fleeing and the horrors they suffer in flight. But it transcends the crisis. Markham's deep, frank reporting is also useful in thinking ahead to the challenges of assimilation, for the struggling twins and many others like them. . . . Her reporting is intimate and detailed, and her tone is a special pleasure. Trustworthy, calm, decent, it offers refuge from a world consumed by Twitter screeds and cable news demagogues. . . . A generous book for an ungenerous age.”—Jason DeParle, The New York Review of Books “You should read *The Far Away Brothers*. We all should.”—NPR “This is the sort of news that is the opposite of fake. . . . Markham is our knowing, compassionate ally, our guide in sorting out, up close, how our new national immigration policy is playing out from a human perspective. . . . An important book.”—The Minneapolis Star Tribune

I asked myself lots of questions, like why did the Piper's son steal the pig? *Over the Hills and Far Away* is an imaginative retelling which weaves together two classic stories in the fairy tale *Little Red Riding Hood* and the nursery tale of Tom, Tom, the Piper's Son. Originally featured in Hilary McKay's *Fairy Tales*, this short story is sure to capture the imagination! From the Guardian Children's Fiction Prize-winning
