heatshield. If the damage to their ship was too great, the astronauts would be unable to return safely to Earth. But neither they nor mission control possessed any way of knowing. Instead, NASA turned to the National Reconnaissance Office, a spy agency hidden deep inside the Pentagon whose very existence was classified... Drawing on brand new interviews with astronauts and engineers, archive material and newly declassified documents, Rowland White has pieced together the dramatic untold story of the mission for the first time.

More than 320 species of hummingbirds inhabit North, Central, and South America. Seventeen species nest in the United States alone, and seven of those inhabit the Las Vegas area. But only one Black-chinned Hummingbird chose to nest on the back porch of Las Vegas residents Noriko and Don Carroll. When Noriko and Don Carroll moved from New York City to suburban Las Vegas, they found a tiny nest on a clothesline on their back porch. As the Carrolls settled into their new home, so did a female hummingbird they named Honey. For weeks, and years, the Carrolls watched in fascination as they witnessed an event few humans are privy to—the birth and growth of two hummingbirds. First Flight is the beautifully photographed story of Honey and her two chicks, Ray and Zen. In over 50 stunning, full-color close-ups, it captures the grace, the beauty, and the simultaneous strength and fragility of one of nature's tiniest birds. Professional
