President (Classic Reprint) Forgotten Books

Excerpt from The Recent and Fossil Flora and Fauna of the Country Around Liverpool: Address of the President Another year having passed away, it again becomes my privilege to present you with the Annual Address. I propose, however, to make some preliminary remarks on the decadence that has for several years been observable in the number of our members, and which is a subject of regret to the committee.

Although I am unable to suggest any departure from the ordinary course in which the proceedings of the Club have been conducted since its formation, I fear that it has passed over the period of its greatest usefulness, and is not likely to revert to its original importance. About the

Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a

reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or

missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible.

Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United

States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as

no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this

work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this

work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your

support of the preservation process, and thank you for being an important part of keeping this knowledge alive and

relevant.
