The Turbocharge Your GMAT Series is carefully designed to be clear, comprehensive, and content-driven. Long regarded as the gold standard in GMAT prep worldwide, Manhattan Review's GMAT prep books offer professional GMAT instruction for dramatic score improvement. Now in its updated 6th edition, the full series is designed to provide GMAT test-takers with complete guidance for highly successful outcomes. As many students have discovered, Manhattan Review's GMAT books break down the different test sections in a coherent, concise, and accessible manner. We delve deeply into the content of every single testing area and zero in on exactly what you need to know to raise your score. The full series is comprised of 16 guides that cover concepts in mathematics and grammar from the most basic through the most advanced levels, making them a great study resource for all stages of GMAT preparation. Students who work through all of our books benefit from a substantial boost to their GMAT knowledge and develop a thorough and strategic approach to taking the GMAT. Manhattan Prep's Foundations of GMAT Verbal covers all of the fundamental verbal concepts tested on the GMAT. Updated to reflect Manhattan Prep's enhanced GMAT verbal curriculum, this book covers everything from foundational grammar, such as parts of speech and sentence structure, to logical reasoning and reading comprehension. This new edition provides up-to-date strategies for tackling the three verbal question types—Sentence Correction, Critical Reasoning, and Reading Comprehension—along with easy-to-follow examples and comprehensive explanations. This book is an invaluable resource for students looking to establish a strong foundation upon which to build their later GMAT study. Purchase of this book includes access to the Foundations of Verbal Homework Bank of extra practice questions and detailed explanations not included in the book, as well as to the Foundations of Verbal Bonus Drill Set. Considered the gold-standard in GMAT test prep, Manhattan GMAT's ten strategy guides are the first books on the market to be aligned with the GMAC Official Guide, 2015 and 13th Editions. Fully updated and revised to deal with recent changes to the GMAT, they were designed with a content-based approach. The Geometry Guide equips you with powerful tools to grasp and solve every geometry problem tested on the GMAT. It covers not only fundamental geometric principles and techniques but also nuanced strategies for tackling tricky questions involving polygons, the coordinate plane, and many other topics. Unlike other guides that attempt to convey everything in a single tome, the Geometry Strategy Guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student,

The content in the new Manhattan Prep GMAT All the Quant guide is an updated and expanded version of the content in the five-book GMAT Quant Strategy Guide Set, 6th ed. We've taken the five former quant guides—FDPs, Algebra, Word Problems, Number Properties, Geometry—and combined them into one comprehensive book, allowing students to learn more effectively across all topics. In addition, cross-topic and test-taking strategies have been expanded and interwoven throughout All the Quant, allowing students to build more advanced skills that will help them earn higher scores on the test. GMAT All the Quant comes with access to Atlas, your online learning platform. Atlas includes an exclusive e-book containing additional chapters covering harder quant content, for those looking for an especially high quant score. Atlas also includes additional practice problems, a full-length adaptive practice exam, interactive video lessons, strategies for time management, and many other study resources. All of the lessons and practice problems in the guide and in Atlas were created by expert instructors with 99th-percentile scores on the GMAT. GMAT All the Quant provides detailed and specialized instruction on Fractions, Decimals, Percents, and Ratios, Algebra, Word Problems, Number Properties, and Geometry. Acing the GMAT requires more than tricks and tips—you've got to master the material and learn how to think your way through GMAT problems. Manhattan Prep guides contain the most in-depth, comprehensive materials available for GMAT studies and are the top-selling GMAT prep guides worldwide.
