

Hairdressing Level 2 Vrq Textbook

Hair is important for self-image. Hair loss is a growing problem and a sensitive issue. At the same time, there is a lack of education for hairdressers and Barbers on how to deal with and advise clients on this area. Statistics on hair loss show that there are millions of hair loss sufferers worldwide, both male and female, seeking professional help. Hair Loss Matters identifies conditions that cause partial or permanent hair loss. It also provides information on how to deal with this very worrying and traumatic issue. This book offers knowledge on matters affecting hair growth: Hair structure and hair growth Health conditions and how it effects hair growth Reasons why hair loss occurs Natural remedies to assist hair growth Nonsurgical and surgical hair replacement systems Care of the hair after it grows

This new edition is also available with CourseMate online teaching and learning resource which offers engaging and interactive resources such as integrated eBook, videos, step-by-steps, images, activities and games, all aligned to the content of the textbook for a fully integrated learning experience.

Bobs, beards, blondes and beyond, Hair takes us on a lavishly illustrated journey into the world of this remarkable substance and our complicated and fascinating relationship with it. Taking the key things we do to it in turn, this book captures its importance in the past and into the present: to individuals and society, for health and hygiene, in social and political challenge, in creating ideals of masculinity and womanliness, in being a vehicle for gossip, secrets and sex. Using art, film, personal diaries, newspapers, texts and images, Susan J. Vincent unearths the stories we have told about hair and why they are important. From ginger jibes in the seventeenth century to bobbed-hair suicides in the 1920s, from hippies to Roundheads, from bearded women to smooth metrosexuals, Hair shows the significance of the stuff we nurture, remove, style and tend. You will never take it for granted again.
