21-10-2021 · COMPATIBLE WITH HOLMES AIR PURIFIERS: Usable with the following Holmes units: HAP242-NUC, HAPF300AH-U4R, HAPF30AT-U4R, CAP531-U, CAP529-U, HAP240, HAP242, HAP412

This was supposed to be compatible with Holmes purifier model HAP240, however it was not. There were two plastic hinges on top that were very different from the HAP240 model filter that I have. It would not fit in my device. I had to use a saw and cut the top off to make it fit. So don't trust the compatibility description.
