For years, Ed Kurtz jotted down his memories of growing up in New Jersey during the 1920s and 1930s. Combining them with some essays on modern problems such as road rage, information on the origins of popular sports, and several (often spicy) jokes and stories, Ed enlisted his sister Mitzie, now 93, as a typist, and created the manuscript he titled "How to Win Friends and Influenza." This book traces a New Jersey childhood through the eras of America's Prohibition and Great Depression, and an adulthood that included overseas service during World War II, leading troops of Boy Scouts through the snake-infested woodsd, and building a house the Pope slept in. In a voice all his own, twinkling with humor and wordplay, Ed Kurtz relates a life well lived.

In his entertaining and engaging style, Mark Hart (also known as "The Bible Geek") shows readers why Scripture should be central to our life with the Lord. When we become immersed in Scripture, he says, we allow it—not the secular culture—to form our minds and hearts. In the story of the Bible, we find our own story as we discover how much God loves us and desires to save us and dwell among us. This book also considers the place of Scripture in the liturgy, introduces the practice of lectio divina, the prayerful reading of Scripture, and shows how the Scriptures connect to the sacraments.

Drawing on Dale Carnegie's years of experience as a business trainer this book will show you how to overcome the natural fear of public speaking, to become a successful speaker and even learn to enjoy it.

After fifteen years of international exposure as an anchor for CNN's Headline News, Lynne Russell has become one of the most recognized and beloved women working in broadcast journalism. Renowned for her on-air combination of professionalism and irrepressible energy, Russell is every bit as remarkable off camera as she is on. Not only does she know her way around a newsroom, but as a private investigator, bodyguard, and black belt, she is a force to be reckoned with. Russell writes, for the first time, about her amazing life, from her memories of childhood as a self-described nomad following her army father around the globe, to a frank look at her ill-advised early marriage, to her steady rise through the ranks of radio and television. Then she turns her attention to what her remarkable achievements have taught her about work, love, body language, and the best little shoe store on the Champs Elysée, and gives us her gutsy advice for life today.

We learned in school that human beings are social creatures, just as ants or bees are. We cannot live in solitude. We have to live in company of other people. People who live in desolation are considered to be aberrant and the world does not take to them kindly. At the same time, people who live in the company of others do not always know how they can make the most of it. Human beings are often described as social creatures. We are almost never found alone, and even when we are physically alone, we are constantly thinking about other people in our lives. The way we live—the social part of our living—influences other people whether we want that to happen or not. It actually brings about a change in their lives, however small that might be.....

'Een powerhouse van een debuut. Ng's verhaal grijpt je vanaf de eerste pagina bij de keel, met de hoop om het mysterie van Lydia's dood te ontrafelen. Mensen, dit boek heeft alles in huis. Alles.' – The Huffinton Post Juni, 1977. In het universiteitsstadje Middlewood ontdekt de familie Lee dat hun dochter verdwenen is. Een paar dagen later wordt het lichaam van de zestienjarige Lydia uit het meer gevist. Verteerd door schuldgevoelens slaat haar vader een roekeloze weg in die hem zijn huwelijk kan kosten. Haar moeder Marilyn is gebroken, maar vastbesloten om een dader te vinden – tegen elke prijs. Lydia's broer is er zeker van dat hun getroebleerde buurjongen Jack iets te maken heeft met het drama. Maar het is de jongste in de familie, Hannah, die meer ziet dan iemand zich realiseert en die wel eens de enige zou kunnen zijn die weet wat er echt gebeurd is. Wat ik nooit eerder heb gezegd is zowel een pageturner als een ontroerend portret van een gezin. Een aangrijpend verhaal over familie, geschiedenis en de betekenis van het woord thuis.
