

Human Physiology An Integrated Approach Plus Masteringap With Etext Access Card Package 7th Edition

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. NOTE: Make sure to use the dashes shown on the Access Card Code when entering the code. Student can use the URL and phone number below to help answer their questions: <https://support.pearson.com/getsupport/s/800-677-6337> Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. 0134714865 / 9780134714868 Modified MasteringA&P with Pearson eText -- Standalone Access Card -- for Human Physiology: An Integrated Approach, 8/e Package consists of: 0134702417 / 9780134702414 MasteringA&P Content -- Access Card Package Sales Accumulator -- for Human Physiology: An Integrated Approach, 8/e 0134702379 / 9780134702377 MasteringA&P -- Pearson eText 2.0 Upgrade -- for Human Physiology: An Integrated Approach, 8/e

Were you looking for the book with access to MasteringA&P? This product is the book alone, and does NOT come with access to MasteringA&P. Buy Human Physiology: An Integrated Approach with MasteringA&P access card 6e (ISBN 9781447963196) if you need access to Mastering as well, and save money on this brilliant resource. Human Physiology: An Integrated Approach broke ground with its thorough coverage of molecular physiology seamlessly integrated into a traditional homeostasis-based systems approach. The newly revised Sixth Edition introduces a major reorganization of the early chapters to provide the best foundation for the course and new art features that streamline review and essential topics so that students can access them more easily on an as-needed basis. Recognized as an extraordinary educator and active learning enthusiast, Dr. Silverthorn incorporates time-tested classroom techniques throughout the book and presents thorough, up-to-date coverage of new scientific discoveries, biotechnology techniques, and treatments of disorders. Dr. Silverthorn also co-authored the accompanying Student Workbook and Instructor Manual, ensuring that these ancillaries reinforce the pedagogical approach of the book. This product is the book alone, and does NOT come with access to MasteringA&P. Students, if MasteringA&P is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN and course ID. MasteringA&P should only be purchased when required by an instructor. Instructors, contact your Pearson representative for more information. MasteringA&P is an online homework, tutorial, and assessment product designed to improve results by helping students quickly master concepts. Students benefit from self-paced tutorials that feature immediate wrong-answer feedback and hints that emulate the office-hour experience to help keep students on track. With a wide range of interactive, engaging, and assignable activities, students are encouraged to actively learn and retain tough course concepts. You can benefit from MasteringA&P at a reduced price by purchasing a pack containing a copy of the book and an access card for MasteringA&P: Human Physiology: An Integrated Approach with MasteringA&P access card 6e (ISBN). Alternatively, buy access to MasteringA&P and the eText – an online version of the book - online at www.masteringa&p.com. For educator access, contact your Pearson Account Manager. To find out who your account manager is, visit www.pearsoned.co.uk/relocator This package contains the following components: -0321559398: Human Physiology: An Integrated Approach with IP-10 -0321548574: PhysioEx 8.0 for Human Physiology: Lab Simulations in Physiology

This package contains the following components: -0321559398: Human Physiology: An Integrated Approach with IP-10 -032164400X: Get Ready for A&P (ValuePack only) The full text downloaded to your computer With eBooks you can: search for key concepts, words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf (available as a free download), available online and also via the iPad and Android apps. Upon purchase, you will receive via email the code and instructions on how to access this product. Time limit The eBooks products do not have an expiry date. You will continue to access your digital ebook products whilst you have your Bookshelf installed. For courses in Human Physiology Human Physiology: An Integrated Approach broke ground with its thorough coverage of molecular physiology seamlessly integrated into a traditional homeostasis-based systems approach.

The unique integrated approach in Human Physiology: An Integrated Approach, Second Edition helps readers see the "big picture." Silverthorn's problem-solving focus develops readers skills by helping them connect facts and concepts and apply them to real-world situations. Readers receive a more meaningful and longer lasting knowledge of physiology as they participate in Silverthorn's active learning approach.

Human Physiology An Integrated Approach, Global Edition

Co-authored by Dee Silverthorn and adapted from materials she developed for her own class, this workbook integrates a wide range of material, including try-it-yourself activities, lab exercises, quantitative and application-level review questions, background information with references, vocabulary lists, chapter summaries, and more!

This loose-leaf, three-hole punched version of the textbook gives students the flexibility to take only what they need to class and add their own notes--all at an affordable price. For courses in Human Physiology. Move beyond memorization: Prepare students for tomorrow's challenges Human Physiology: An Integrated Approach is the #1 best-selling 1-semester human physiology text world-wide. The 8th Edition engages students in developing a deeper understanding of human physiology by guiding them to think critically

and equipping them to solve real-world problems. Updates, such as new Try It activities and detailed teaching suggestions in the new Ready-to-Go Teaching Modules, help students learn and apply mapping skills, graphing skills, and data interpretation skills. The text reflects Dr. Silverthorn's active learning style of instruction, and builds upon the thorough integration of "big picture" themes with up-to-date cellular and molecular physiology topics that have always been the foundation of her approach. Mastering A&P features new Interactive Physiology 2.0 tutorials, new Try It! Coaching Activities, and Phys in Action! Video Tutors, complementing Human Physiology and providing a cohesive learning experience for today's learners. Also available with Mastering A&P Mastering(tm) is the teaching and learning platform that empowers you to reach every student. By combining trusted author content with digital tools developed to engage students and emulate the office-hour experience, Mastering personalizes learning and improves results for each student. Features in the text are supported by Mastering A&P assignments, including new Interactive Physiology 2.0 tutorials, Dynamic Study Modules, Learning Catalytics, 3D animations, lab study tools, Get Ready for A&P, plus a variety of Art Labeling Questions, Clinical problem-solving activities, and more. NOTE: You are purchasing a standalone product; Mastering(tm) Geography does not come packaged with this content. Students, if interested in purchasing this title with Mastering Geography, ask your instructor to confirm the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the loose-leaf version of the text and Mastering Geography, search for: 0134704215 / 9780134704210 Human Physiology: An Integrated Approach, Books a la Carte Plus MasteringA&P with Pearson eText -- Access Card Package, 8/e

NOTE: Before purchasing, check with your instructor to ensure you select the correct ISBN. Several versions of the MyLab(tm) and Mastering(tm) platforms exist for each title, and registrations are not transferable. To register for and use MyLab or Mastering, you may also need a Course ID, which your instructor will provide. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for the Mastering platform may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. For courses in Human Physiology. This package includes Mastering A&P. Move beyond memorization: Prepare students for tomorrow's challenges Human Physiology: An Integrated Approach is the #1 best-selling 1-semester human physiology text world-wide.
