Alexis's long-awaited second novel follows his award-winning *Childhood*. Set in Ottawa during the Mulroney years, *Asylum* is André Alexis's sweeping, edged-in-satire, yet deeply serious tale of intertwined lives and fortunes, of politics and vain ambition, of the building of a magnificent prison, of human fallibility, of the search for refuge, of the impossibility of love, and of finding home. Whether he is taking us into the machinations of a government office or into the mysterious workings of the human heart, Alexis is always alert to the humour and the profound truth of any situation. His cast of characters is eccentric and unforgettable, all recognizable in one way or another as aspects of ourselves or people we know well. At the centre of the story, which covers almost a decade, is a visionary project to build an ideal prison, a perfect metaphor for the purest aspects of artistic ambition and for all that is great and flawed in the world. André Alexis is a true original, one of the most talented and astute writers writing in Canada today. This dazzling novel is filled with tragedy, dry wit, intellectual grist. It is playful, linguistically accomplished, and psychologically profound. Its yearnings constitute the highest level of human concerns and pursuits. Alexis has

written *The Great Canadian Novel*, with a twist.

“These stories were my kind of stories--a little weird and magical and bittersweet.” --Roxane Gay, *New York Times* bestselling author of *Bad Feminist* and *Hunger* A middle-aged masochist in love with a comatose man. A gay birthday clown lamenting the loss of his beloved dog. An amateur veterinarian keeping watch over his suicidal daughter. And a bikini model with a barnacle stuck to her butt cheek. These are just a few of the characters who populate the quirky, offbeat world of *If You Lived Here You'd Already Be Home* a world that feels at once alien and strangely familiar. In these twenty-one brief, funny stories, John Jodzio documents his characters disappointment, frustration, and longing for a home that seems forever out of reach. By turns bleak and hopeful, cruel and tender, this is an exciting literary debut by a writer to watch, a writer with a unique and compelling voice. “John Jodzio is the best kind of modern fiction writer: a thematic traditionalist who feels totally new.” —Chuck Klosterman, *New York Times* bestselling author

If You Lived Here You'd Be Famous by Now is an insider's collection of funny and warmhearted stories about coming of age in the Los Angeles suburb famed for birthing the Kardashian-Jenners and the Bling Ring. For Via Bleidner, transferring to Calabasas High from the private Catholic school she's attended

since second grade is a culture shock, not to mention absolutely lonely. Suddenly thrust into an unfamiliar world of celebrities, affluenza, and McMansions, Via takes a page from Cameron Crowe and pretends she's on a journalism assignment, taking notes on her classmates and jotting down bits of overheard gossip. Getting through high school in Calabasas is something else—from Kim Kardashian endorsing the students' favorite hidden lunch spot, to the theater program hiring a famous dog to play Elle Woods' Chihuahua in its production of *Legally Blonde*, and Kanye trying to take control of your school to make it the very first YEEZY institution. But instead of floating through high school detached from her peers, Via finds that putting herself out there—for her writing, of course—just might have been exactly what she needed. She unexpectedly finds an eclectic group of friends to call her own, including a multi-multi-millionaire, a wild-card throwback intent on going viral, a former Disney actor, and a doughnut-dealing madman. With wit, candor, and sharp observations, twenty-one-year-old Via grounds the surreal glamour of Calabasas with reflections on her own coming-of-age, sharing her teenage misadventures as she struggles to fit in, faces crushing social pressure, and eventually makes her own way.

embrace each day, each opportunity, each life that touches our own and to note the beauty of it all.” —The Los Angeles Times Tiny Haines, Alaska, is ninety miles north of Juneau, accessible mainly by water or air—and only when the weather is good. There's no traffic light and no mail delivery; people can vanish without a trace and funerals are a community affair. Heather Lende posts both the obituaries and the social column for her local newspaper. If anyone knows the going-on in this close-knit town—from births to weddings to funerals—she does. Whether contemplating the mysterious death of eccentric Speedy Joe, who wore nothing but a red union suit and a hat he never took off, not even for a haircut; researching the details of a one-legged lady gold miner's adventurous life; worrying about her son's first goat-hunting expedition; observing the awe-inspiring Chilkat Bald Eagle Festival; or ice skating in the shadow of glacier-studded mountains, Lende's warmhearted style brings us inside her small-town life. We meet her husband, Chip, who owns the local lumber yard; their five children; and a colorful assortment of quirky friends and neighbors, including aging hippies, salty fishermen, native Tlingit Indians, and volunteer undertakers—as well as the moose, eagles, sea lions, and bears with whom they share this wild and perilous land. Like Bailey White's tales of Southern life or Garrison Keillor's reports from the Midwest, NPR commentator Heather Lende's take on her offbeat Alaskan hometown celebrates life in a dangerous and breathtakingly beautiful place. Heather Lende's new book, *Of Bears and Ballots: An Alaskan Adventure in Small-Town Politics* is available now.

Addison Brooke Theron considered herself a fortunate woman. She had a great career as an immigration attorney, a loving and successful husband, and two beautiful children.

Unexpectedly, her entire life was shattered one rainy night with unspeakable consequences. After almost a year of trying to recover physically and mentally, she returned to work at her friend's law firm. No longer her psychiatrist, Dr. David Cooper confessed his feelings for Addison, but she was not quite ready to date yet. Her life changed when she met a group of Navy SEALs in a bar owned by a friend of her colleague. One of the Navy SEALs, Lieutenant Logan Matthews, invited Addison for dinner, and it was evident that they had an overwhelming physical chemistry. When she finally confided in Logan about her own tragic past, another tragedy was about to be unleashed when Logan disappeared during a mission in South America. Addison travels to Bogota, Colombia, with a client and makes a surprise discovery in a jungle village that would endanger her life if she could not outsmart the head of a notorious drug cartel, a relative of her client. She succeeded but paid a heavy price. She became engaged to Dr. David Cooper, who was always there for her, but after meeting with Logan again, Addison must make the ultimate decision between the two men who loved her: the man who offered her stability for life or the man who offered her undeniable passion but an uncertain future. It all comes to a life-altering decision during an award ceremony where Addison is being honored at the Coronado Island Naval Base.

Apartments, houses, log cabins, and houseboats are all kinds of homes, though they can look vastly different. Around the world, families settle into homes that can look quite different than

“So good it makes the heart leap.” —Time A Santa Barbara PI falls in with one of California's most dangerous families Two years ago, Kate Blanchard and her partner failed to stop a tragedy. When a man killed his family and then himself, Kate didn't even fire a shot. Two years later, Kate is divorced, and trying to make it as a private detective. Young, wealthy Laura Sparks hires Kate to look into the suspicious death of her lover, a marijuana smuggler who committed suicide in jail. As Kate gets sucked into the darkness of the Sparks family, she learns that the rich and powerful can be just as dangerous as a madman with a gun.

From the well-loved author of Knitting Under the Influence and The Smart One and the Pretty One comes a new novel about a young single mother trying to move out of her family's shadow. Rickie left home a long time ago-so how is it that at the age of twenty-five, she's living with her parents again, and sleeping in the bedroom of her childhood

home? At least one thing has changed since high school: She now has a very sweet but frequently challenging son named Noah, who attends the same tony private LA school she herself attended. Rickie fit in fine when she was a student, but now her age and tattoos make her stand out from all the blond Stepford moms, who are desperate to know why someone so young-and so unmarried-has a kid in first grade. Already on the defensive, Rickie goes into full mother-tigress mode when her small and unathletic son tells her that the gym teacher is out to get him. She storms the principal's office, only to discover that Andrew Fulton, the coach, is no dumb jock. As her friendship with Andrew develops, Rickie finds herself questioning her assumptions-about motherhood, being a grown-up, and falling in love.

Themes, places, characters and voices of Elizabeth Jolley's *Mr Scobie's Riddle* are explored in detail in this monograph, which provides different narratological and translational analyses of the novel, as well as an academic translation into Italian. Considering the challenges and issues posited by a literary work's translation helps to shed light on the original work itself. In this manner, the translation is to be seen as a further analytical instrument to gain insight into the original novel. The purpose of this work is to obtain a deeper understanding of the complicated microcosm created by Jolley in the nursing home of "St Christopher and St Jude": the typically Australian themes of migration, isolation,

place and displacement; the Australian culture-specific elements; the ensemble of curious characters and their entertaining voices. This book strives to preserve the above elements in translation as the expression of something Other, a different culture, and to take Italian readers on a journey to the Australia depicted in Mr Scobie's Riddle so that Jolley's characters' voices can echo in the Italian language.

The author of *Ghost in the Guacamole* returns as a spiritual medium and her spectral sidekick encounter murder and mystery in a Massachusetts farmhouse—Mysterious plots abound when spiritual medium Emma Whitecastle offers aid to a famous novelist, but her spectral sidekick Granny Apples will help her write all the wrongs... Bestselling crime writer Gino Costello is working on his next book in a historic farmhouse in the heart of Massachusetts. His story features some paranormal elements so he's invited family friend Emma to provide her input as a medium. But as soon as Emma arrives—with her fiancé, Phil, and Granny Apples in tow—that's when the real trouble begins. Emma is immediately contacted by the Browns, a family of ghosts who originally owned the house in the early nineteenth century. They need Emma to help them locate the spirits of their two children who disappeared. Meanwhile, a dead body appears at the house. Now Emma, Granny, and Phil must read between the lines to find

answers before a killer books it...

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Dipesh Chakrabarty's eagerly anticipated book examines the politics of history through the career and in many ways tragic fate of the distinguished historian Sir Jadunath Sarkar (1870-1957). One of the most important scholars in India during the first half of the twentieth century, Sarkar was knighted in 1929 and is still the only Indian historian to have ever been elected an Honorary Fellow of the American Historical Association. He was a universalizing and scientific historian, highly influential during much of his career, but, by the end of his lifetime, he became marginalized by the history establishment in India. History, Chakrabarty writes, sometimes plays truant with historians: by the 1970s when Chakrabarty himself was a novice historian Sarkar was almost completely forgotten. Through Sarkar's story, Chakrabarty explores the role of historical scholarship in India's colonial modernity and throws new light on the ways that postcolonial Indian

historians embraced a more partisan idea of truth in the name of democratic and anti-colonial politics."

Back in the days of Ronald Reagan's America, those far-from-innocent days of nostalgic rot and willful illusion, small-town life was thought to be simple, pure, the source of all decent values, and the home of true hearts and ever helpful neighbors who bear each other's burdens. James McGrath, a church musician who has just destroyed his personal life and his career through an act of catastrophic stupidity, believes this nonsense just long enough to flee a city he loves. Hoping to heal, he goes to live with his father in a tiny town on the Canadian border. He finds what fools have always found: truths more ordinary and more bitter than he wants to accept and a life more impoverished and antagonistic than he imagined. Descending into this bleak reality, like Jesus in the wilderness, James must face and answer the question: what do we live by? He makes some friends, falls in and out of love, rediscovers his art, and eventually finds a way back into his life. But it's not a smooth journey, and it comes with a price.

With its present set in the summer of 1985 and its past reaching from 1950 to 1974, Einstein's Fiddle is a dramatic examination of Davy Calhoun's journey from home to the far country and back. The language and landscape of the novel vary between the

existential and familial, tragic and comic, as the non-linear narrative – by turns realistic, lyrical, magical – focuses fearlessly on Davy's fall, dishonor and redemption.

Features intricately detailed, bas-relief collage spreads of dwellings in other world regions and historical times to explain how different people live and have lived--from a village house in South Africa that tells the story of its family to a floating green house in the Netherlands. 20,000 first printing.

Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news. Between World wars One and two, England taxed the British country houses at such a rate that many were abandoned. Some were taken over by the army as hospitals for the wounded troops. After WW2, Staff was too hard to find to continue the farms. and there were many real farms caught up in this, this is a fictional story of such a one. After the bookshop and house granny owned were burnt down, James and Percy visited the house and farm the Haskell's had previously owned. They brought back a family photo album from the house and Granny discovered she was part of that family. While the others were away on a holiday, she went to visit a second cousin she remembered from her youth to find out more about It. She wanted to know what her heritage was. To be mentioned in the same breath of the Haskell murdering family made her shiver, but she

wanted to know more of the history and why they were like that, and why she never knew how it happened. By the time her family arrived back, she had discovered so much, she did not know if she wanted to find out any more, but she had yet to tell her grand- daughter and the others the story of the house, and of the later Haskell's, and that she was related to them, that was the hardest part.
