

## In The Name Of God Why Ex Catholic Nuns Speak Out About Sexual Repression Abuse Ultimate Liberation Volume 2

Globalisering en godsdiensttwisten: nu nog net zo actueel als 2000 jaar geleden. Een briljante historische verklaring van onze tijd. Waarom? Geïnteresseerden in het oude Rome en de oorsprong van het christendom stellen altijd en eeuwig deze ene vraag. Waarom werd uit al die duizenden godsdiensten die bloeiden in de begindagen van het Romeinse rijk, uitgerekend de jaloerse God van een kleine, roerige provincie drie eeuwen later gekozen als de enige ware godsdienst? Waarom koos men niet voor de veel populairdere cultus van Isis? Waarom werden de lessen van de Stoïcijnen of Zarathustra niet gevolgd, waar geen martelaren nodig waren? Waarom niet Apollonius, Boeddha, Confucius? Waarom was het christendom bij uitstek geschikt? Selina O'Grady geeft op boeiende, heldere wijze antwoord op de grootste vraag van onze én alle tijden.

The Name of God is Mercy, Pope Francis' exploration on the universal theme of mercy, is a spiritual inspiration to both followers of Christianity and non-Christians around the world. Drawing on his own experience as a priest and shepherd, Pope Francis discusses mercy, a subject of central importance in his religious teaching and testimony, and in addition sums up other ideas – reconciliation, the closeness of God – that comprise the heart of his papacy. Written in conversation with Vatican expert and La Stampa journalist Andrea Tornielli, The Name of God is Mercy is directed at everyone, inside or outside of the Catholic Church, seeking meaning in life, a road to peace and reconciliation, or the healing of physical or spiritual wounds.

What is your name? It is the first question one person asks another upon first meeting. Once names are revealed, the two parties are well on the way to the formation of some form of social relationship. Unlike our modern world, a name in Bible times was not a mere label, but a profile of character. This is especially the case in terms of God's self-disclosure in the unfolding pages of the Old Testament. The progressive revelation of God's name to the Hebrew people is a veritable theology, or study of the attributes of God. In this book, Michael Gowens examines the meaning and significance of the primary names of God - Elohim, Jehovah, & Adonai - together with several of the more salient compound names of each: El-Shaddai, El-Roi, El-Elyon, Jehovah-Jireh, Jehovah-Rophe, and more. Study along with him and experience how the revelation of God's name in the Bible is a firm foundation on which to cultivate a closer fellowship with him.

Names of God There are over 100 names used to describe God, Jesus, and the Holy Spirit throughout the Bible. Each of these names tell us something about His character and hold a special message of encouragement for us as believers. In Names of God, discover what each name means, where to find it in the Bible, and how to practically apply it to our lives today. Experience the peace that comes from learning how to worship God — one name at a time! Includes the following names — • Shiloh (Jesus, Our Promised Peace) • El Roi (The God Who Sees Me) • Spirit of Counsel (The Holy Spirit) • Immanuel (God with us)

From the Sunsets Department and Geyser Regulation to the Department of Miracles, Heaven Inc has the earth covered. Unless someone is away from their desk. And these days, the CEO is kind of disillusioned. God knows he should be keeping an eye on the bad things happening on Earth, but instead he finds himself watching the Church channels on satellite TV. His first priority is the team of angels he's asked to get Lynyrd Skynyrd back together. Downstairs on the office floor, Eliza has been promoted from the Prayers Department to Miracles, and Craig, the only other workaholic in heaven, has to show her around. Eliza is shocked by the casual attitude of many of the angels in her new

department. And she's furious when she discovers that God has never looked at, let alone answered, a single prayer. So she storms into God's office and asks Him a question that no one has ever dared to ask before. And it might just be the end of the world.

Names of GodRose Publishing Inc

In *Knowing God by Name: A Personal Encounter*, author Mary Kassian focuses on 35 Hebrew names of God that describe His character, His relationships, and His purpose.

Religion is one of the most powerful forces running through human history, and although often presented as a force for good, its impact is frequently violent and divisive. This provocative work brings together cutting-edge research from both evolutionary and cognitive psychology to help readers understand the psychological structure of religious morality and the origins of religious violence. Introduces a fundamentally new approach to the analysis of religion in a style accessible to the general reader Applies insights from evolutionary and cognitive psychology to both Judaism and Christianity, and their texts, to help understand the origins of religious violence Argues that religious violence is grounded in the moral psychology of religion Illustrates its controversial argument with reference to the 9/11 terrorist attacks, and the response to the attacks from both the terrorists and the President. Suggests strategies for beginning to counter the divisive aspects of religion Discusses the role of religion and religious criticism in the contemporary world. Argues for a position sceptical of the moral authority of religion, while also critiquing the excesses of the “new atheists” for failing to appreciate the moral contributions of religion Awarded Honourable Mention, 2010 Prose Awards

A twenty-six-week devotional study by the bestselling coauthor of *Women of the Bible*. Names in the ancient world did more than simply distinguish one person from another, they often conveyed the essential nature and character of a person. This is especially true when it comes to the names of God recorded in the Bible. *Praying the Names of God* explores the primary names and titles of God in the Old Testament to reveal the deeper meanings behind them. El Shadday, Elohim, Adonay, Abba, El Elyon—God Almighty, Mighty Creator, Lord, Father, God Most High—these are just a few of the names and titles of God that yield rich insights into his nature and character. *Praying the Names of God* shows readers how to study and pray God's names by focusing each week on one of the primary names or titles of God. • Monday—readers study a portion of Scripture that reveals the name. • Tuesday–Thursday—readers pray specific Scripture passages related to the name. • Friday—readers pray Scripture promises connected to the name. By incorporating the divine names and titles into their prayers—and learning about the biblical context in which the name was revealed—readers will gain a more intimate understanding of who God is and how he can be relied on in every circumstance of their lives. *Praying the Names of God* is a unique devotional, one that offers a rich program of daily prayer and study designed to lead people into fresh encounters with the living God.

When we preach, we speak in the highest possible authority, the authority of a God who manifests God's creative power in the reality we experience and God's benevolent intentions in what happened to Christ. The message of God's suffering, transforming acceptance of the unacceptable in Christ, is the most critically important message that a suffering, self-serving, and self-destructive humanity needs to hear. Preachers cannot be casual about such a monumental task. Inspired by the spirit of Christ, they will try to develop their gifts to the fullest. This book offers an on-the-job training and self-enhancement course for lay preachers and the ordained clergy. Its interactive approach encourages preachers to discover their own best way of going about their task in a critical dialogue with the author.

Want to know God better? This study of more than 200 names and titles of God the Father, Jesus the Son, and the Holy Spirit will help! By veteran Bible reference writer George W. Knight, *The Names of God* shows you the meaning behind each name—from Abba, Advocate, and Amen to Wall of Fire, Way, and Word. Lavishly illustrated in full color, *The Names of God* is a Bible reference book with a devotional flavor.

A sequel to the book, *77 Names of God. Praising, Praying and Confessing 77 Names of God* is a guide to the use of God's names. It provides suggested praise, prayer and confession points for each name of God. You will learn more about God, what He expects from you, and how to relate with Him. This book will enhance your prayer life, promote your walk with God and learn adequate words and expressions to bring before Him. His presence will fill your heart and atmosphere as you call on His wonderful names. Each name also comes with its Hebrew pronunciation, and the Scripture that goes with it. If you are looking for a book that will take you to the next level in God, you might find it in *Praising, Praying and Confessing 77 Names of God*.

One of the most precarious and daunting tasks for sixteenth-century European missionaries in the cross-cultural mission frontiers was translating the name of «God» (Deus) into the local language. When the Italian Jesuit Matteo Ricci (1552-1610) introduced the Chinese term Shangti as the semantic equivalent of Deus, he made one of the most innovative cross-cultural missionary translations. Ricci's employment of Shangti was neither a simple rewording of a Chinese term nor the use of a loan-word, but was indeed a risk-taking «identification» of the Christian God with the Confucian Most-High, Shangti. *Strange Names of God* investigates the historical progress of the semantic configuration of Shangti as the divine name of the Christian God in China by focusing on Chinese intellectuals' reaction to the strangely translated Chinese name of God.

In this groundbreaking book, Selina O'Grady examines how and why the post-Christian and the Islamic worlds came to be as tolerant or intolerant as they are. She asks whether tolerance can be expected to heal today's festering wound between these two worlds, or whether something deeper than tolerance is needed. Told through contemporary

chronicles, stories and poems, Selina O'Grady takes the reader through the intertwined histories of the Muslim, Christian and Jewish persecutors and persecuted. From Umar, the seventh century Islamic caliph who laid down the rules for the treatment of religious minorities in what was becoming the greatest empire the world has ever known, to Magna Carta John who seriously considered converting to Islam; and from al-Wahhab, whose own brother thought he was illiterate and fanatical, but who created the religious-military alliance with the house of Saud that still survives today, to Europe's bloody Thirty Years war that wearied Europe of murderous inter-Christian violence but probably killed God in the process. This book is an essential guide to understanding Islam and the West today and the role of religion in the modern world.

An anonymous caller tells a detective in a small Oregon town that a woman has just bitten off a man's finger. But the man is not the victim, the caller says. The woman is. She's being held against her will by a group of faith-healing fanatics who are trying to cure her depression with violent exorcisms. The detective rescues her, but she is afraid to press charges against the people in her church. Then the detective gets an even more ominous message: Children in the church have been dying mysteriously for years, and now several more are in immediate peril, facing blindness, disability, and death. Unwilling to stand by and allow more children to suffer, the anonymous caller -- a church insider -- risks everything to work with three detectives and a lone prosecutor to fight faith-based child abuse, and to change the laws that protect its perpetrators. They are joined by a mother who'd suffered a faith-healing tragedy herself, and afterwards dedicated her life to saving others from the same fate. Masterfully written by author Cameron Stauth, *In the Name of God* tells the true story of their heroic mission, which resulted in a historic series of sensational trials that exposed the darkest secret of American fundamentalism, and revealed the shameful political deals that have allowed thousands of children to die at the hands of their own parents -- legally. Though the battle against faith-healing abuse continues around the country, the victory in Oregon has lit the path to a better future, in which no child need die because of a parent's beliefs.

One of the best ways to get to know God on a deeper level is to know the names and titles both he and his people give to him. Now the bestselling author of *Praying the Names of God* reveals the richness of God's character and love found in his names. The *Names of God Bible* restores more than 10,000 occurrences of specific names of God--like Yahweh, El Shadday, El Elyon, and Adonay--to help readers Discover the Hebrew names of God within the biblical text Understand the meaning and significance of each name Encounter God in a new way through prayers, promises, and devotional readings Perfect for personal study, prayer, and reflection, The *Names of God Bible* includes these special features more than 10,000 names and titles of God restored to their Hebrew equivalent and printed in brown ink to stand out within the biblical text Names of God Reading Paths lead readers to the next reference of the name so they can pray the names of God throughout Scripture Name Pages feature - background information associated with 68 names and titles of God - key Scripture passages in which the meaning is revealed - devotional readings on each of the featured names - specific Bible promises connected to each of the featured names introductions to each book of the Bible highlight the main themes and list the names and titles that appear in that book 300 callouts highlight key

Scripture for memorization and reflection Calling God by Name sidebars shed light on the relationship between biblical people and the specific names they called God topical prayer guide, pronunciation guide, name index, and Bible reading plans to assist in study Anyone who desires a deeper understanding of God and new insights into the Bible will cherish The Names of God Bible as it opens a door into the Hebrew roots of the faith and the Scriptures.

Norbert H. Kox has researched the Bible in its original languages for more than 30 years, and presents his startling findings here. a Modern Christianity has been duped. Without ever knowing it, the Antichrist they are warning against has already infiltrated the Church.a The Key of knowledge has been hidden and the names of God and Saviour gradually removed from common use without raising suspicion or inciting controversy. The two most important names in the history of mankind have been all but obliterated from existence. Where these names are still in tact they are being undermined, by missionaries who believe they are doing a service to God. This treatise is part of a documented research study into the historical linguistic changes in the names of God and Saviour, from the oldest known manuscripts to the modern present-day English versions of the Bible. Along with solid historical and etymological evidence, symmetrical Bible codes are presented as irrefutable ratification.

What's in a name? Names are more than groups of letters that represent a person or identify objects. Names are powerful. A person's character and destiny can be influenced by his or her name. God's attributes and personality support His unique and distinct names. If we comprehend the meanings of His titles, we can know God more intimately. In Experiencing God Through His Names, Sheryl Giesbrecht walks with you on an exciting journey to discover and absorb the truth about God's character. In the next 31 days, God wants you to get to know Him. Are you ready?

### Glory In The Name Of God Anthem

One of the most powerful traditions of the Jewish fascination with language is that of the Name. Indeed, the Jewish mystical tradition would seem a two millennia long meditation on the nature of name in relation to object, and how name mediates between subject and object. Even within the tide of the 20th century's linguistic turn, the aspect most notable in – the almost entirely secular - Jewish philosophers is that of the personal name, here given pivotal importance in the articulation of human relationships and dialogue. The Name of God in Jewish Thought examines the texts of Judaism pertaining to the Name of God, offering a philosophical analysis of these as a means of understanding the metaphysical role of the name generally, in terms of its relationship with identity. The book begins with the formation of rabbinic Judaism in Late Antiquity, travelling through the development of the motif into the Medieval Kabbalah, where the Name reaches its grandest and most systematic statement – and the one which has most helped to form the ideas of Jewish philosophers in the 20th and 21st Century. This investigation will highlight certain metaphysical ideas which have developed within Judaism from the Biblical sources, and which present a direct challenge to the paradigms of western philosophy. Thus a grander subtext is a criticism of the Greek metaphysics of being which the west has inherited, and which Jewish philosophers often subject to challenges of varying subtlety; it is these philosophers who often place a peculiar emphasis on the personal name, and this emphasis depends on the historical influence of the Jewish

## Get Free In The Name Of God Why Ex Catholic Nuns Speak Out About Sexual Repression Abuse Ultimate Liberation Volume 2

metaphysical tradition of the Name of God. Providing a comprehensive description of historical aspects of Jewish Name-Theology, this book also offers new ways of thinking about subjectivity and ontology through its original approach to the nature of the name, combining philosophy with text-critical analysis. As such, it is an essential resource for students and scholars of Jewish Studies, Philosophy and Religion.

This thoughtful book explores much of the background to the strife the globe faces today. In particular, Christopher Catherwood shows how religion and national pride, which are supposed to be positive forces, can become perverted ideologies that arouse hatred, slaughter, and war. "Explores the attributes and character of God by examining his biblical names"--Provided by publisher.

Worship is not a trite act. It is the life of the Christian. When the Christian hears God in his word, or from the mouth of the biblical minister, and is pressed to obey him in all things as exemplified in his word, such obedience is for his very life. "For it is not a vain thing for you; because it is your life," (Deut. 32:47). In this obedience, God has not left his ordinances of worship to the inventions of men. God has set down certain specific requirements which are to be followed. It was a hallmark of the Reformation that God alone determines the manner in which sinners approach him. God's will, in this way, has reference to the regulative principle of life as well as to the Laws which God has made known and prescribed to man in order that his walk might be regulated accordingly. So, God regulates his worship with the intention of allowing fallen, sinful people to come before him and sanctify his name in a manner that God requires: in holiness. This is the substance of Burroughs' treatise Gospel Worship. Worship is for God, not for us. Sadly, that simple statement is foreign to our day. Yet God is as clear today as He was to Nadab and Abihu in the Old Testament: He will be treated as holy by those who come into His presence (Lev. 10:1-3). In this treasured work, Jeremiah Burroughs masterfully provides guidelines to facilitate the reader to move closer to God in worship. Through 14 sermons, Burroughs carefully explains the right manner of worshipping God in general, and the three great ordinances of hearing the Word, receiving the Lord's Supper, and prayer. Burroughs demonstrates that true worship is reverent, focused on the holiness of God. This work is not a scan or facsimile, has been carefully transcribed by hand being made easy to read in modern English, and has an active table of contents for electronic versions.

"Explores the nature and purposes of the triune God through biblical manifestations, names, titles, and roles, and emphasizes His power to meet all our needs"--Provided by publisher.

From Islam declaring Jihad against the west, to Arab against Jew, to Catholic against Protestant, one question resonates with the global threat we face today: Why does God inspire the killing of Man? Renowned historian Christopher Catherwood vividly recounts a saga of passion and prejudice that laid the foundation for our own troubled age. Beginning with the death in 632 of Muhammad--as much political leader and general as prophet--Islam commenced its breathtaking spread, which, under Muhammad's successors, eventually conquered an empire larger than Rome's. Even as this vast realm broke apart into Sunni and Shiite factions, the Christian retaliation--ruthlessly and unscrupulously unleashed in 1095 with the First Crusade--sparked a clash

## Get Free In The Name Of God Why Ex Catholic Nuns Speak Out About Sexual Repression Abuse Ultimate Liberation Volume 2

between East and West that continues to this day. The pattern would repeat itself again and again: with the Ottoman invasion of the Balkans, in which the same Islamic faith that had once been an institution of tolerance in places like Spain became an instrument of expansion; with the wars of the Reformation, when Catholic and Protestant slaughtered each other in the name of the Prince of Peace; and with the endless conflicts of today's Middle East, savagely fought over by three faiths that all worship the same God. Based on exhaustive research and written with an unflinching, unbiased eye toward revealing the often painful truth, *Making War in the Name of God* unveils humanity's ancient habit of sanctifying bloodshed--and exposes a past that we forget at our peril. Christopher Catherwood teaches history at Cambridge University in England and at the University of Richmond (Virginia). A fellow of the Royal Historical Society, he is the author of several acclaimed books, including *Churchill's Folly: How Winston Churchill Created Modern Iraq*, *A God Divided: Understanding the Differences Between Islam, Christianity, and Judaism*, and *Whose Side Is God On?*

Learn the mystery in the names of Jesus. Understand the power behind the name of Jesus. Learn the meaning behind the prayer 'IN THE NAME OF JESUS' How to pray daily the name of Jesus. Use the name of Jesus to create an atmosphere of worship. In this book I am going to teach you the meaning behind the name, why is the name so powerful, especially the name of Jesus. We will explore the Old Testament for answers. Then will go into a time of fellowship and devotion where I have put together 31 names of Jesus that you can use for defense and offence against every spiritual attack that comes your way. Use these prayers to fortify your spirit man. It is only those who now His name that can use it. Practice these prayers as a means of soaking in His name. May the Lord grand you deliverance in every area of your life as you learn the power behind the name that has been exalted above all names, the name of JESUS.

Bart D. Ehrman, the New York Times bestselling author of *Jesus, Interrupted* and *God's Problem* reveals which books in the Bible's New Testament were not passed down by Jesus's disciples, but were instead forged by other hands—and why this centuries-hidden scandal is far more significant than many scholars are willing to admit. A controversial work of historical reporting in the tradition of Elaine Pagels, Marcus Borg, and John Dominic Crossan, Ehrman's *Forged* delivers a stunning explication of one of the most substantial—yet least discussed—problems confronting the world of biblical scholarship.

This book traces the trajectory of militant jihadism to show how violence is more intentionally embraced as the centre of worship, social order and ideology. Undertaking an in-depth analysis of militant jihadist groups and utilising the work of René Girard, Joel Hodge argues that the extreme violence of militant jihadists is a response to modernity in two ways that have not been sufficiently explored by the existing literature. Firstly, it is a manifestation of the unrestrained and escalating state of desire and rivalry in modernity, which militant jihadists seek to counter with extreme violence. Secondly, it is a response to the unveiling and discrediting of sacred violence, which militant jihadists seek to reverse by more purposefully valorising sacred violence in what they believe to be jihad. Relevant to anyone interested in Islam, philosophy of religion, theology, and terrorism, *Violence in the Name of God* imagines new ways of thinking about militancy in the name of Islam in the twenty-first century.

## Get Free In The Name Of God Why Ex Catholic Nuns Speak Out About Sexual Repression Abuse Ultimate Liberation Volume 2

From the conquistadores in Central and South America to the Jesuits in China, Edmondo Lupieri traces the consequences of European war and conquest for global cultural identities from the age of exploration to the present. In the Name of God exposes the economic, political, and religious justifications and motivations behind the European conquests and uncovers some of the historical roots of genocide, racism, and "just war." Lupieri's animated and comprehensive historical-sociological study masterfully weaves together a tapestry of ideas, individuals, and people groups, linking them throughout to present-day realities in often surprising ways. Unflinchingly critical, Lupieri describes how European-indigenous encounters have shaped Christianity -- and the world -- irrevocably.

365 Ways to Know God provides one devotional reading for each day of the year, including a key verse, devotional message, prayer, Scripture references for further study, and a key thought. As you read and pray through each devotional, exploring a different name of God each day, you will learn more about God's character. You will begin to know Him more intimately and live closer to Him than ever before. When you choose to go deeper and study the suggested Bible reading, you will develop even more understanding of the name assigned for that day. Get ready to be transformed through this devotional study as you draw near to God. "Elmer Towns know a lot about the names of God. He has lectured on the names of each of the three Persons of the Godhead and has written three best-selling books on them...to give us information on God's names and to help us understand the nature of God from His names. Many people have used them in their Bible studies or Sunday school classes. Now, in this devotional, Dr. Towns writes to our hearts so that we can feel and apply God to our everyday living," says author Tim LaHaye in the book's Foreward. "Through the names of God, we can touch God each day in a new and different way; but most important, God can touch us daily."

(Peeters 1993)
