Examining nineteenth-century British hymns for children, Alisa Clapp-Itnyre argues that the unique qualities of children's hymnody created a space for children's empowerment. Unlike other literature of the era, hymn books were often compilations of many writers' hymns, presenting the discerning child with a multitude of perspectives on religion and childhood. In addition, the agency afforded children as singers meant that they were actively engaged with the text, music, and pictures of their hymnals. Clapp-Itnyre charts the history of children's hymn-book publications from early to late nineteenth century, considering major denominational movements, the importance of musical tonality as it affected the popularity of hymns to both adults and children, and children's reformation of adult society provided by such genres as missionary and temperance hymns. While hymn books appear to distinguish 'the child' from 'the adult', intricate issues of theology and poetry - typically kept within the domain of adulthood - were purposely conveyed to those of younger years and comprehension. Ultimately, Clapp-Itnyre shows how children's hymns complicate our understanding of the child-adult binary traditionally seen to be a hallmark of Victorian society. Intersecting with major aesthetic movements of the period, from the peaking of Victorian hymnody

to the Golden Age of Illustration, children's hymn books require scholarly attention to deepen our understanding of the complex aesthetic network for children and adults. Informed by extensive archival research, *British Hymn Books for Children, 1800-1900* brings this understudied genre of Victorian culture to critical light.

Everything should be idyllic now that Jason and Azazel are settled down in sunny Florida. But Azazel can't shake the fear that the Sons are still after them, no matter how much Jason reassures her they're safe. He wants to have a normal life. She can't stop looking over her shoulder for danger. Lilith's back, and she's got her eye on Jason. Jason doesn't like Azazel's new gay best friend Jude. Someone put a bell, engraved with a picture of the sun rising over water, in Azazel's purse. Azazel's worried, but Jason thinks she's paranoid. Jason and Azazel might be at the beach, but the clouds are rolling in. . .

Billy Jones was born in Oswestry in 1912. In the 1920s he started to make his mark as a boxer. "I won every contest," he said. In 1940 he went with the Army to India and there began a spiritual quest for God that changed his life. Ever a colourful character, Billy joined Operation Mobilisation at the age of 52. Who can ever forget his "Hallelujahs" in the prayer meeting? His story will stir a new generation to zeal and faith.

Father Theo was a member of the Capuchin Ashram

of Franciscan Order, Kerala, India. Like Saint Francis of Assisi, he responded to the calling of Jesus Christ to follow the gospel as a rule of life. His austere, humble, simple, and faithful life is still an inspiration for all. Father Theo passed away on April 4, 1968.

Nathaniel Townsend Sr. was born in England around 1765 and died between 1822-1823 in Nelson County, Virginia.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

"Knowing Japan and the Japanese better," Louis Frédéric states in the introduction to this encyclopedia, "is one of the necessities of modern life." The Japanese have a profound knowledge of every aspect and detail of Western societies.

Unfortunately, we in the West cannot say the same about our knowledge of Japan. We tend to see Japan through a veil of exoticism, as a land of ancient customs and exquisite arts; or we view it as a powerful contributor to the global economy, the source of cutting-edge electronics and innovative

management techniques. To go beyond these clichés, we must begin to see how apparently contradictory aspects of modern Japanese culture spring from the country's evolution through more than two millennia of history. This richly detailed yet concise encyclopedia is a guide to the full range of Japanese history and civilization, from the dawn of its prehistory to today, providing clear and accessible information on society and institutions, commerce and industry, sciences, sports, and politics, with particular emphasis on religion, material culture, and the arts. The volume is enhanced by maps and illustrations, along with a detailed chronology of more than 2,000 years of Japanese history and a comprehensive bibliography. Cross-references and an index help the reader trace themes from one article to the next. Japan Encyclopedia will be an indispensable one-volume reference for students, scholars, travelers, journalists, and anyone who wishes to learn more about the past and present of this great world civilization.

The collection consists of materials collected by Ernest F. Gray including an issue of his high school newspaper, Round Hill Hi-Lights, his high school yearbook, Reveries, a program for the Leesburg Lions Club's 1960 Variety Show, an undated letter from Lizzie Swart to "a friend," and various materials from funerals including programs, prayer cards, and related correspondence.

In this update to her 1993 classic, *African American Christian Worship*, Melva Wilson Costen, again delights her reader with a lively history and theology of the African American worship experience.

Drawing upon careful scholarship and engaging stories, Dr. Costen details the global impact on African American worship by media, technology, and new musical styles. She expands her discussion of ritual practices in African communities and clarifies some of the ritual use of music in worship. In keeping with recent congregational practices, Dr. Costen will also provide general orders of worship suitable for a variety of denominational settings. It's Up to You By Diane Dybus Diane Dybus was born at Nassau Hospital, Mineola, on Easter Sunday in 1940. She began pursuing a career as a pianist at the age of five. She performed in many different benefits and recitals. After winning a Lions Club competition at the age of ten, she was given the opportunity to play on a radio station, WKBS Oyster Bay. By popular request, she continued to play each Saturday for weeks and won many gold medals. She is continuing to use her musical gift as a teacher and a judge for the Suffolk Piano Teachers Federation, the International Concert Alliance, and as an adjudicator for NYSSMA. She attended a Catholic grammar school and high school, but had no personal relationship with God. She married her childhood sweetheart, Tony Dybus at nineteen. After giving birth to two daughters, her third pregnancy ended in a miscarriage. In her

fourth pregnancy, she turned to the Bible after having never opened it for comfort and strength before. Her fourth child changed her life forever. Her son was born six weeks premature and given a devastating prognosis. After asking God to heal him, she witnessed a miracle and was able to bring home a healthy child. She realized that God is a God of the impossible. She wrote this book as an encouragement to believers to ask and expect the creator of the universe to step into any situation, whether it be sickness, finances, or protection. He is waiting to conduct a miracle in your life, just ask! Believe He wants to know you.

Southern Fiddlers and Fiddle Contests explores the phenomenon of American fiddle contests, which now have replaced dances as the main public event where American fiddlers get together. Chris Goertzen studies this change and what it means for audiences, musicians, traditions, and the future of southern fiddle music. Goertzen traces fiddling and fiddle contests from mid-eighteenth-century Scotland to the modern United States. He takes the reader on journeys to the important large contests, such as those in Hallettville, Texas; Galax, Virginia; Weiser, Idaho; and also to smaller ones, including his favorite in Athens, Alabama. He reveals what happens on stage and during such off-stage activities as camping, jamming, and socializing, which many fiddlers consider much more important than the competition. Through multiple interviews, Goertzen also reveals the fiddlers' lives as told in their own words. The reader learns how and in what environments these fiddlers started playing, where they perform today, how they teach, what they think of contests, and what values they believe fiddling supports. *Southern Fiddlers and Fiddle Contests* shows how such contests have become living embodiments of American nostalgia.

Logos 8, and Logos 9 of three volumes, continue the author's Story of Writing God's Book of Life and help explain the ten previous volumes of this author's Logos 1-7 work, each volume of which is able to stand alone as God's Book of Life. This volume focuses on God's Will for humankind, individually and corporately. Altogether, these volumes say who Jesus is, who God is, what his will is for humankind, who the Holy Spirit is, and what the Bible is. It is crucial to life that we believe in God as Father, Jesus as his Son, the Holy Spirit as the Christ Savior from God; and believe in the truth of the Word of God in his Christian Bible. For the Word of God explains what "belief" is, what "to be saved" is, just how Salvation is effected, what the "take-away" benefits of belief are, and how to find meaning and purpose in life. Certain singers carry the music of the world in their voices. In these tales, a hairdresser in a mobile home park sings of love and death, a family of immigrants sings haunting memories of other lands and lives, and a street girl in the years of the great depression dreams of being an opera singer.

Includes extra sessions.

"Logos 7, Vol. 1 is the eighth of my ten-volume, Logos 1-7 work, each volume of which is able to stand alone as God's Book of Life. It took me over 3,000 pages in ten volumes to say How and What is Important to Believe. It

seeks to explain by experience who Jesus is, who God is, who the Holy Spirit is, what the Bible is, why it is crucial to life that we believe in them, what “belief” is, what “to be saved” is, just how Salvation is effected, what the “take-away” benefits are, and how to find meaning and purpose in life. This volume focuses on what exactly is the Will of God for each individual and well as corporately for Humankind. It holds God's Warning Message to the World addressed to every level of society from highest to lowest: world, nation, state, community, family, and individual – that the state of humankind is deplorable to God, and offers the Call of God to believe in Jesus as the Christ Savior and accept his Holy Spirit for Life with Him. He assays it through his Eyes of Christ, warns of coming retribution, and presents the Christ Spirit as the only solution to restore humankind to a godly image. “Each of these ten volumes is able to stand alone as God’s Book of Life, portraying Life with the Holy Spirit by belief in the Christ of Jesus as Savior to eternal life with God. The ten volumes relate my Story of Writing God's Book of Life, using nonfiction essays and poetry with daily help of divine intervention in producing the seven-Logos Work of ten volumes, and the four supporting volumes, all seek to fully understand and explain this work inspired by the Holy Spirit, the Christ of Jesus. “The action of God fulfilled for him in seven years all of Rodger Crafton's dreams of becoming a writer of poetry and prose, an armchair philosopher, and an artist working in his new, upstairs garage atelier.”---R. GREATEST BALL CLUB IN THE WORLD. AND SO ARE THEIR FANS! BUT EVEN WITH THE FAN BASE SO LOYAL... IT IS ALWAYS GOOD TO HAVE A LOT OF FAITH AND PRAYER BEHIND YOU! IT CAN NEVER HURT TO LIFT THE LIONS UP! THESE BIBLE VERSES WILL DEFINITELY HELP WHEN THEY TAKE THE FIELD!

Nina Shea contends that more Christians have died for their faith in the 20th century than in the previous 19 centuries combined. She shows what's happening, where it's happening, and what American's Christians must do to stop it.

"I'm positive that I would have avoided many mistakes in my life had I been privy to the information in this book. And more importantly, I could have enjoyed blessings from God that, though I had no idea at the time, were waiting for me. I really hope that something in this book fills a gap that has been missing in your life and that, in turn, it will make your faith and spiritual life leap. Praying God's promises and praying prayers that were prayed by the great Bible heroes like David and Nehemiah really can bring you closer to God. When I pray these prayers, I really feel the Words in my life. I really believe these Words have great power. I can testify to the power of prayer and the grace of God. And I want you to know those same things." - from the Introduction

model for examining legal and ethical dimensions of court cases. Discussion questions at the end of each case encourage readers to examine issues from differing viewpoints, helping them to become more self-reflective school leaders who can effectively address legal dilemmas in their own contexts. This important text is a valuable resource for both aspiring and practicing school administrators and leaders. This thoroughly revised edition features:

- An entirely new chapter on conceptual and empirical insights grounding our understanding of students' best interests
- 10 new legal cases reflecting recent developments in school law including educational needs of transgender students, immunity for student searches, conflicts between religious expression and free speech, educators' access to students' cell phone data, education for children of undocumented immigrants, and access to literacy as a fundamental right
- A focus on preparing school leaders to meet the Professional Standards for Educational Leaders (PSEL)
- Updated information and references throughout to reflect current context, resources, and education policy
