At last, a course that will show you step-by-step how to pass the computerized graphic tests! Drawing on 35 years of exam preparation experience, Lester Wertheimer, FAIA, has created this valuable home study course specifically to help candidates prepare for two of the graphic exam divisions: Building Planning and Building Technology. This course will show you: * How to prepare for the tests * How to take the tests * The best test-taking strategies * Graphic solutions that work The three graphic vignette types from the Building Planning Test and the six vignette types from the Building Technology Test are described in detail, and simulated vignettes are presented as examples. Each vignette is accompanied by a suggested graphic solution and a complete explanation and analysis of the design principles involved. Detailed illustrations are included, as well as a bibliography and index. This course will remove the mystery and guide you to a successful performance on the graphic tests.

Volume VIII: Mock Exams and Solutions is designed to simulate the actual examination. Each mock exam contains multiple-choice questions, item sets, and a comprehensive case. These diagnostic tools are instrumental in identifying strengths and weaknesses before the exam.

The secret to love that lasts! “How do we meet each other’s deep emotional need to feel loved? If we can learn that and choose to do it, then the love we share will be exciting beyond anything we ever felt when we were infatuated.” —Dr. Gary Chapman. Dr. Gary Chapman’s international bestseller has brought back or intensified the love in millions of marriages by revealing the five distinct languages we all use to express love: Words of Affirmation, Quality Time, Gifts, Acts of Service, and Physical Touch. Couples who understand each other’s love language hold a priceless advantage in the quest for love that lasts a lifetime— they know how to effectively and consistently make each other feel truly and deeply loved. That gift never fades away. Includes a PDF of the personal profile for Husbands & Wives.

This course by Lester Wertheimer, FAIA, deals with the ideas and examples which have established the architectural tradition of the Western world. Although

there is no written test specifically on this subject, architectural history questions are included in many sections of the exam. The seven lessons review the theories, influences, characteristics, and major monuments from ancient times through the 20th century, including: * Ancient architecture * Greek and Roman architecture * Medieval architecture * Renaissance architecture * Roots of modern architecture * American architecture * 20th century architecture * Checklist of significant 20th century structures The course is attractively illustrated with numerous sketches, plans, and diagrams, and enhanced by a glossary, bibliography, and an extensive index. A short review quiz follows each lesson, and the course concludes with a major examination. Complete explanations of all quiz and examination answers are included.
