Modern kids and adults take pictures with their phones, text their friends and post on social media. But in the future, where will those images and messages be? The formats we use for communicating today will almost certainly be outdated and no longer in use. Travelers will want to have a record of where they went on vacation, the vehicle they were in, what their parents and grandparents were like. Even more important, it will benefit kids to learn how to write about their experiences. Designed for 8-to-12 year-olds, but suitable for any age, this book provides a place to document experiences on a vacation or road trip, and to preserve those memories for future generations. The first three pages have simple instructions and suggestions for what to write about. Following the instructions is a page to list the details of the

trip such as who is traveling, the destination, etc. There are over 40 pages that are to be filled in with observations and pictures for each trip. The book has enough pages for two separate trips. It's a hands-on book that encourages development of writing skills and so much more.

"What I Did on my Vacation?" will probably be your kids' first writing assignment once they are back to school. And this travel journal will help them greatly! With this travel diary you can inspire and encourage your children to keep track of their travels - without overwhelming them with too much writing. There are two pages for each day: On the first page kids can record the date and location and there are icons to select how they traveled, what the weather was like and how they felt about that particular day. There are also 3 short writing prompts to describe what they saw, the best thing they ate and something new they learned that day, like interesting facts and figures about a place they visited or about an animal they saw or a new word in a foreign language. The second page is dedicated for sketching and drawing the highlights of the day. Kids can make individual pictures or even create a comic strip of a funny event. They can also use this space to paste in postcards, entry ticket, leaflets or anything else that will remind them of that day. It will be so much fun looking back at those memories later! The book has enough pages to cover a 40-days journey or vacation. A flip-through video is available on the author's page on Amazon. Ontmoet Tomi Adeyemi op YALFest NL 2018! "The Orisha Legacy Zélie heeft maar één kans om haar volk te redden... Deel 1 Ooit leefden er in Orisha mensen met magische krachten. Tot een wrede koning besloot de maji, een minderheid met donkere huid en zilverwitte haren, te vervolgen. Zélie kan zich de nacht dat ze toe moest kijken hoe de handlangers van de koning haar moeder ophingen nog levendig herinneren. Sindsdien is magie een doodzonde en een donkere huid iets om op neer te kijken. Tien jaar later krijgt Zélie de kans om de magie terug te brengen naar Orisha. Met de hulp van een prinses op de vlucht, moet ze uit handen zien te blijven van Inan, de kroonprins, die vastbesloten is de magie nu voorgoed uit te bannen. Gevaar ligt overal op de loer in Orisha, maar het grootste gevaar schuilt misschien nog wel in haar groeiende gevoelens voor de vijand... Over Bloed en beenderen: 'Een van de grootste boekendeals voor een young adult-romandebuut van het jaar. Naast een meeslepend plot en een sterke heldin als hoofdpersoon, behandelt het boek grote thema's - als ras, politiegeweld, onderdrukking en macht - die op het moment ook in de wereld spelen.' Teen Vogue 'Complexe personages, een hoge inzet, en een caleidoscopisch narratief boeien, en het snelle tempo schiet de lezer naar een overweldigend slot dat net zo veel vragen als antwoorden heeft.' PW 'Het epos waar ik op heb gewacht.' Marie Lu, New York Times-bestsellerauteur van Legend en Warcross

Het is de wens van elke ouder: gelukkige kinderen. En wat is de sleutel tot dit succes? Welnu, die ligt ergens in ons eigen land. Onlangs werd het door Unicef weer vastgesteld, Nederlandse kinderen zijn het gelukkigst. Blijkbaar doen we iets heel erg goed, maar wat? Misschien leer je wel het meest over je eigen cultuur als je een keer door de ogen van een buitenlander kijkt. Michele Hutchison en Rina Mae Acosta zijn beiden met Nederlanders getrouwd, ze wonen hier en voeden hier hun kinderen op. Allebei hopen ze op het typisch Nederlandse resultaat dat ze overal om zich heen zien: evenwichtige en onafhankelijke baby's, kinderen en tieners. Met een scherpe blik en veel humor observeren ze de Nederlandse praktijken, in de hoop het geheim te ontrafelen. Laat de rest van de wereld er zijn voordeel mee doen, en laten wij er zuinig op zijn. 'Alle ouders zouden dit boek moeten lezen.' – The Daily Mail 'Briljant, briljant, briljant!' – BBC Radio 2 Breakfast Show 'Een plezier om te lezen!' – Joris Luyendijk, Londen 'Een geweldig boek.' – The Sun
