

## Krugman And Obstfeld International Economics 8th Edition

Focusing on international economics, this work provides an analytical framework for understanding the international economy. The first half of the text deals with trade, the second half with the monetary aspect of international economics. Each half starts with a step-by-step formulation of the analytical model, followed by applications chapters, where the model is applied to issues and policy questions.

For courses in International Economics, International Finance, and International Trade A balanced approach to theory and policy applications International Economics: Theory and Policy provides engaging, balanced coverage of the key concepts and practical applications of the two main topic areas of the discipline. For both international trade and international finance, an intuitive introduction to theory is followed by detailed coverage of policy applications. With this new tenth edition, the author team of Nobel Prize-winning economist Paul Krugman, renowned researcher Maurice Obstfeld, and Marc Melitz of Harvard University continues to set the standard for International Economics courses. This program provides a better teaching and learning experience-for you and your students. It will help you to:

- \* Personalize learning with MyEconLab: This online homework, tutorial, and assessment program fosters learning and provides tools that help instructors to keep students on track.
- \* Reveal theory and applications of trade and finance via a unified structure: Balanced

An audience-centered approach to public speaking Public Speaking: An Audience-Centered Approach brings theory and practice together. Its distinctive and popular approach emphasizes the importance of analyzing and considering the audience at every point in the speech making process. This model of public speaking is the foundation of the text, and it guides students through the step-by-step process of public speaking, focusing their attention on the dynamics of diverse audiences, and narrowing the gap between the classroom and the real world. MyCommunicationLab is an integral part of the Beebe/Beebe program.

MyCommunicationLab is an integral part of the Beebe/Beebe program. With extensive opportunities for the application of course content, MyCommunicationLab helps students become better speakers and master key public speaking concepts. Interactive videos provide students with the opportunity to watch and evaluate sample speeches. Online self-assessments and pre- and post-tests help students assess their comfort level with public speaking and their knowledge of the material. MediaShare allows students to post speeches and share them with classmates and instructors. ALERT: Before you purchase, check with your instructor or review your
