After moving away for college, Sage Worthington settled down to a job in the city and only comes back to her parents' ranch for weekends and holidays. After receiving a call that will change her life forever, she rushes back to the place she always thought of as home and to the two little siblings whom she loves dearly. This is where she is needed, and this is where she wants to be. Clifton Welsh was raised by his grandparents who have retired to a smaller house built for them on their favourite patch of the family land, close enough that they can keep an eye on their pride and joy. Grandpa turned the ranch over to Cliff to run but that doesn't mean his feisty grandma trusts him to run his own love life. The rancher has been Sage's next door neighbour for as long as he can remember. Cliff remembers Sage as a pesky teenager who needed a good spanking. Now that she's back, he sees her as a beautiful twenty-four-year-old who still needs a good spanking. Sage needs a husband and she needs him fast, before she loses custody of her younger brother and sister. Cliff is determined to use any means necessary to stop her from doing something rash and dangerous. He is even willing to marry her himself – but is Sage ready to commit to an old-fashioned man who spanks? Disclaimer: This book contains the spanking of adult women and other sexual content.

The Bible demonstrates clearly what works and what doesn't work when we are trying to fix our messed up lives.
