Leer met de spirituele lessen van de Kelten de zielsvriend in jezelf te vinden In 'Anam Cara' (wat zielsvriend betekent) neemt de Ierse dichter, priester en filosoof John O'Donohue u mee op reis naar het 'Eiland van heiligen en geleerden', waar zij hun eigen Anam Cara zullen ontdekken. Hij onderzoekt een wereld waarin alles is vervuld van goddelijkheid: de rivieren, de heuvels, de zee en de lucht, de dieren en de planten. In een combinatie van filosofie, onderricht en spiritueel inzicht introduceert O'Donohue de spirituele nalatenschap van de oude Kelten. Hij voert zijn lezers naar een plaats waar de schikgodinnen niet worden gevreesd, waar Gods gepassioneerde kant wordt verheerlijkt en waar de mysteries van het dagelijks leven worden gevierd. De cycli van leven en natuur naspeurend, put dit inspirerende boek uit de heilige wateren van Ierland's spirituele nalatenschap - van de Kelten en hun druiden, van de 'imbas' (sagen) van de rondzwervende barden en van de gewijde bronnen van de christelijke kloosters. O'Donohue onthult geheimen die ons opnieuw in verbinding brengen met de wereld om ons heen en de schatten in onze eigen ziel.

versions of the same song. There are separate indexes for U.S., European, and bootleg releases; a song title index; and a listing of the songs Cash performed on his ABC television series. Superbly done; for appropriate research collections. Library Journal

Lauren Robbins is the one that got away. Lured by the promise of fame, Nick Blackthorne turned his back on the possibility of a regular life and love to focus on his career. But years down the line, still unable to erase Lauren from his heart, Nick

realizes he needs to find her, even if all she'll accept from him is an apology for walking out all those years ago. No one would ever guess kindergarten teacher Lauren Robbins was once involved with the lead singer of a rock band. Their romance was the stuff of love songs, and it took her fifteen years to get over him. When Nick turns up at her door, the heartbreak and years fall away, but not everything can be erased with apologies and soul-shattering passion.

The year 1994 marks the 40th anniversary of the start of the remarkable recording career of country music performer Johnny Cash. This Catalog lists over 2,200 releases from around the world along with the contents of numerous extended-play albums, long-play albums, compact discs, and singles. A section is also devoted to "bootleg" material. This Catalog is a useful companion volume to the two discographies published earlier by Greenwood, which listed only a few of his "major" releases. In terms of popularity, the music of Johnny Cash has spanned not only continents, but decades of fans.

In this journal the reader gains insight on what life is like for someone who is in full time service with this "paradise co-creation" agenda. Spending nearly half of each year on the road, living in hotel rooms, airports and seminar halls, constantly adjusting to continually changing weather patterns, all the while being nourished only by prana, Jasmuheen manages to keep herself healthy and happy regardless of the many challenges she faces for despite all of this she grows and learns and thoroughly enjoys meeting with all the beautiful light filled people that she now constantly meets in this world.

A continuation of the 40-year recording career of one of the most popular country music performers of our time, this second volume (the first published by Greenwood in 1985) follows Johnny Cash's recording activity from 1984 through 1993. New to this volume are the Billboard Chart Listings, which follow the popularity of any one Cash release, and the combined Sessions Index for 1954

through 1993. An Appendix details several pre-1984 sessions not contained in the first volume. The index serves as a quick cross-reference of song titles, musicians, composers, producers, and studio locations. This volume is designed so that each section will complement and act as a cross-reference to the others. For example, the Sessions section will give session date, location, list of musicians, producers, composers, song titles, and first release information, as it pertains to singles, albums, and CDs. Then follows a Releases section, which gives a wider view as to the number of releases and contents. This listing will include domestic as well as foreign issues. The Billboard Chart Listings chapter is a tool for following the popularity of a single and/or album (CD) on both the Pop and Country charts week by week. Appendix B is an alphabetical listing of all singles and albums (CD) that have appeared on the Billboard charts from 1954 through 1993, making it easy to locate a certain entry in the listings section. The Sessions Index includes sessions from the 1985 volume as well as those pre-1984 sessions from Appendix A. The two volumes serve as a 40-year history for music historians, students of country music, and fans of Johnny Cash. Remember your first crush on a rock star? Now add raw and undeniable passion, soul-shattering orgasms. And secrets... Nick Blackthorne knows all about words of love. They're the reason he's the world's biggest rock star. The irony? He

turned his back on love a long time ago, lured away by the trappings of fame. An invitation to a friend's wedding is a stark reminder of how meaningless his life has become. When he enters that church, there's only one woman he wants on his arm; the one he walked out on a lifetime ago. But first he has to find her, even if all she accepts from him is an apology. Kindergarten teacher Lauren Robbins once had what every woman on the planet desires: Nick. Their passion was explosive, their romance the stuff of songs...and it took fifteen years to get over him. Then out of the blue Nick turns up at her door, and all those years denying her ache for him are shattered with a single, smouldering kiss. But molten passion can't hide the secret she's kept for all these years. Because it's not just her heart on the line anymore...and not just her life that'll be rocked by the revelation. Tina Turner, de lang heersende Queen of Rock 'n' Roll, onthult in deze onthutsende autobiografie het nooit eerder vertelde verhaal van een wonderbaarlijk leven in de spotlights. Alles komt aan bod: haar jeugd die ze katoenplukkend doorbracht in Nutbush, Tennessee, haar reis naar de top samen met Ike Turner, haar wereldwijde succes in de jaren '80, tot aan het overweldigende succes van Tina: The Musical dit jaar. Tina vertelt eerlijk en onverbloemd over haar verleden, haar diepste dalen en hoogste pieken, en alles daartussenin. My love story is een inspirerend, aangrijpend en verrassend verhaal over een carrière van meer dan 60 jaar in de muziekgeschiedenis, en is net zo gedenkwaardig en vermakelijk als elk van haar grootse hits.

In 1963, sisters Barbara Ann and Rosa Hawkins and their cousin Joan Marie Johnson traveled from the segregated South to New York City under the auspices of their manager, former pop singer Joe Jones. With their wonderful harmonies, they were an immediate success. To this day, the Dixie Cups' greatest hit, "Chapel of Love," is considered one of the best songs of the past sixty years. The Dixie Cups seemed to have the world on a string. Their songs were lively and popular, singing on such topics as love, romance, and Mardi Gras, including the classic "Iko Iko." Behind the stage curtain, however, their real-life story was one of cruel exploitation by their manager, who continued to harass the women long after they finally broke away from his thievery

and assault. Of the three young women, no one suffered more than the youngest, Rosa Hawkins, who was barely out of high school when the New Orleans teens were discovered and relocated to New York City. At the peak of their success, Rosa was a naïve songstress entrapped in a world of abuse and manipulation. Chapel of Love: The Story of New Orleans Girl Group the Dixie Cups explores the ups and downs of one of the most successful girl groups of the early 1960s. Telling their story for the first time, in their own words, Chapel of Love reintroduces the Louisiana Music Hall of Famers to a new audience.

Destructive Desires

corrects this omission by analyzing how post-Civil Rights era rhythm and blues culture articulates competing and conflicting political, social, familial, and economic desires within and for African American communities. As an important form of black cultural production, rhythm and blues music helps us to understand black political and cultural desires and longings in light of neo-liberalism's increased codification in America's racial politics and policies since the 1970s. Robert J. Patterson provides a thorough analysis of four artists—Kenneth “Babyface” Edmonds, Adina Howard, Whitney Houston, and Toni Braxton—to examine black cultural longings by demonstrating how our reading of specific moments in their lives, careers, and performances serve as metacommentaries for broader issues in black culture and politics.
