When you want to read in both German and English, though, there's a great option: bilingual books! Reading bilingual books and inferring the vocabulary and grammar is a far superior method of language learning than traditional memorization. It is also much less painful. Waldemar Bonsels (21 February 1880 - 31 July 1952) was a German writer. Waldemar Bonsels's most famous work is the children's book "The Adventures of Maya the Bee." This work served the basis for a Japanese animated television series named Maya the Honey Bee in the mid-1970s, as well as a Croatian opera for children written by Bruno Bjelinski, making Bonsels work known to even a great audience. The stories revolve around a little bee named Maya and her friends Willy the bee, Flip the grasshopper, Mrs. Cassandra (Maya's teacher), and many other insects and other creatures. The book depicts Maya's development from an adventurous youngster to a responsible adult member of bee society.

The Adventures of Maya the Bee by Waldemar Bonsels A little bee is born in a large and busy hive. At that time, the hive is going through a period of unrest and there are fears that it will become subdivided into separate colonies. The little new-born, Maya, is under the care of a strict but loving teacher. One day, driven by curiosity and rebellion, Maya escapes from the safe environs of the hive and flies into the forest. Here, she encounters all sorts of interesting, exciting, frightening and funny things. The Adventures of Maya the Bee is the story of the intriguing days that follow. While she echoed the romantic natural themes of her times, her style was much more free and irregular, causing many to criticize her and editors to correct her. In the early 20th century, when poetic style had become much looser, new audiences learned to appreciate her work. Here collected are many of her most contemplative, most rebellious, and dark works, expressing her frustrations with the behavioral confines of her times, and the confines of being human and unknowing of eternity. Anthony Hope, or Sir Anthony Hope Hawkins, to give his real name, was an extremely prolific British novelist and playwright. However, he is almost always associated only with his most famous book, The Prisoner of Zenda, published in 1893. He did write one sequel entitled Rupert of Hentzau in 1894. The amazing success of the books allowed him to retire and devote himself to writing full time. Readers thoroughly enjoyed the fast-paced style of writing, the witty and irreverent young hero and the touch of tragedy at the end of both books. Hope went on to write several books of historical fiction, set in various European kingdoms, both big and small. Besides novels, Alger wrote poetry, essays and articles for various magazines. His work in rehabilitation and assistance to the underprivileged kids of New York is well-known. He left several unfinished books which were completed according to his last will and testament by Edward Stratemeyer, the creator of the Hardy Boys and Nancy Drew series. The story sets into motion when a young shepherd boy discovers a dragon residing in a cave near his family home and village. Having read many stories concerning dragons, the young boy has adopted an open-minded attitude toward the feared creature, and quickly befriends the dragon. Moreover, the dragon demonstrates a love for poetry which confirms his intelligence and civility, and also gives an account of his life. However, the townspeople soon learn of the dragons dwelling and things quickly escalate, as they perceive him as a danger to them all and a problem that needs to be dealt with accordingly. Although the young boy welcomes him with open arms, the townspeople, on the other hand, are not convinced of its harmless intentions and unanimously agree that the beast should be vanquished. Subsequently, St. George arrives and is appointed the task of ridding the town of its unwelcome guest. So, St. George, the dragon, and the shepherd boy are thrown into a thrilling predicament, as they must join forces and come up with a solution that will fulfill everyone's wishes. This ebook includes the original and unabridged content.

Excerpt from The Adventures of Maya the Bee THE elderly lady-bee who helped the baby-bee Maya when she awoke to life and slipped from her cell was called Cassandra and commanded great respect in the hive. Those were exciting days. A rebellion had broken out in the nation of bees, which the queen was unable to suppress. While the experienced Cassandra wiped Maya's large bright eyes and tried as best she could to arrange her delicate wings, the big hive hummed and buzzed 'like a threatening thunderstorm, and the baby-bee found it very warm and said SO to her companion. The reader's choices determine whether or not the solution to the Mayan Indians' mysterious disappearance is reached. These stories and adventures revolve around a little bee named Maya and her friends Willy the bee, Flip the grasshopper, Mrs. Cassandra (Maya's teacher), and many other insects and other creatures. The book follows Maya's development from an adventurous youngster to a responsible adult. Written by Waldemar Bonsels, translated by Adele Seltzer and illustrated by Homer Boss with 4 full page colour plates and 33 in text Pen and Ink vignettes. The moral of this book teaches children about the consequences of their decisions, as well as the consequences their actions, and inaction. Maya is a bee born in a bee hive during a time of internal unrest: the hive is dividing itself into two new colonies. Maya is raised by her teacher, Mrs. Cassandra. Despite Mrs. Cassandra's warnings, Maya wants to explore the wide world and commits the unforgivable crime of leaving the hive and is exiled. During her adventures, Maya befriends other insects and braves dangers with them. In the climax of the book, Maya is taken prisoner by hornets, the bees' sworn enemies. Prisoner of the hornets, Maya learns of a hornet plan to attack her native hive. Maya is faced with the decision to either return to hive and suffer her due punishment, saving the hive, or leaving the plan unannounced, saving herself but destroying the hive. After long consideration of her options, she makes the decision to return. On her return she announces the coming attack and is unexpectedly pardoned. The forewarned bees triumph over the hornet attack force. Maya, becomes a heroine of the hive and becomes a teacher like Mrs. Cassandra which allows her to share her experiences and wisdom with future generations. ===== KEYWORDS/TAGS: fairy tales, folklore, myths, legends, children's stories, childrens stories, bygone era, fairydom, kingdom, ethereal, fairy land, classic stories, children's bedtime stories, childrens books, happy place, happiness, laughter, Hive, woodland, garden, acrobat, air, alois, battle, bee, Bobbie, Bobbie, body, bug, butterfly, Cassandra, child, die, dragon-fly, Effie, eyes, first flight, flew, flower, fly, fortress, Fridolin, frog, golden, grass, great, Hannibal, head, heart, hornets, house of the rose, joy, ladybird, lake, legs, little, lost, lovely, Loveydear, Maya, moral, moonlight, people, poet, Puck, queen, sentinel, shake, shine, spider, sprite, sun, the sprite, web, wings, wonders, world of insects
