

## Mcq On Plant Pathology Teachers Guide

The knowledge on Agriculture is continuously improved, updated, and disseminated. It is also important that the review and inventory of the 'State of the Art' in agriculture objectives questions and best practices should be shared widely among agriculture practitioners, educators and scholars. Through Competitive Examinations, there is direct recruitment for admission and high position in our education system; the pattern followed is M.C.Q's or Objective type questions in such examinations. The book is a repository of more than 6,000 objective questions; which calls for quick answering for success within a specified period in the examinations. A sincere effort has been made by different authors to present them in most easy, short and understandable language for the benefit of students, teachers and those who are interested in Agriculture and Agricultural Extension. Majorly, all different aspects of Agriculture Discipline are provided in the book, which are a part of various Agricultural Universities syllabi. This book will be of great service, to the students aiming for higher level competitive examination such as NET, ARS, JRF, SRF, UG and PG entrance examinations. The book on "MCQ's in Plant Breeding, Biotechnology and Seed Science" has been prepared with the idea of exposing the students those who are preparing for the competitive examinations like Agricultural Research Services, NET, Public Service Commissions, Institute of Banking Personnel Selection, University and Institute
