This is a great course for beginner, the experienced, and everyone in between This course teaches what we call 'Word Building', which is the knowledge of how all medical words are structured. It's a quick, efficient and amazingly easy way for anyone to learn medical terminology. You learn how to recognize the meaning of a medical term by dividing the word into its three basic component parts: the prefix, root and suffix. By knowing the meanings of the prefixes, suffixes, and root words, you can easily make sense of a medical term. This course is designed for the healthcare claims biller, the
