Visit www.natgeoed.org/commoncore for more information. At heart, learning to read and write analytically is learning to think well For Evidence-Based Writing: Nonfiction, renowned teacher Leslie Blauman combed the standards and her classroom bookshelves to craft lessons that use the best nonfiction picture books, biographies, and article excerpts to make writing about reading a clear, concrete process. Students learn to analyze and cite evidence about main idea, point of view, visuals, and words and structure. And best of all, your students gain a confidence in responding to complex texts and ideas that will serve them well in school, on tests, and in any situation when they are asked: What are you basing that on? Show me how you know.

Join animal moms, dads, and babies, as these animal parents teach their young ones about the world. Adult and child readers can cuddle up and read aloud and learn together in this new "you read, I read" co-reader format.

Hoeveel invloed kan een dier hebben? Hoeveel levens kan een kat veranderen? Hoe is het mogelijk dat een achtergelaten kitten een kleine bibliotheek in Iowa, en vandaar uit de hele wereld, op stelten zette? Dit is het bijzondere verhaal van Dewey, de bibliotheekkat. Zijn leven begon niet heel voorspoedig. Hij was pas een paar weken oud toen hij in een van de koudste nachten van het jaar werd achtergelaten in de inleverbak van de bibliotheek. De volgende ochtend vond Vicki Myron hem, meer dood dan levend, en zij verloor meteen haar hart. En zo zou het voortaan alle bezoekers van de bibliotheek vergaan: Deweys enthousiasme en speelsheid, maar vooral zijn zesde zintuig voor mensen die zijn liefde en aandacht het hardst nodig hadden, maakten van hem een wel heel onvergetelijke kat.
