

## Parents Guide To Raising A Gifted Child

Addressing the unique problems associated with raising two or more children, a helpful parenting handbook explores the various aspects and dynamics of sibling relationships, addressing such topics as how to handle age differences among siblings, how to eliminate competition and jealousy, and how to foster positive step-sibling relationships. Original. 40,000 first printing. Being called a Parent is one of the most rewarding titles you can be called. But any parent can tell you it can be a bit difficult at times. There are days where you feel like your kids don't get you. You may feel like you are missing clarity, feel all over the place and just feel plain messy. It's normal and you are not alone. Everyone can use some form of guidance with the wonders known as parenting.

A guide for parents raising children with two languages covers such topics as language development milestones, setting goals, and theories of children's language acquisition. All children need guidance, yet some are definitely more resistant to parental direction and advice than others. Parenting a child whose personality may be described as "difficult" or "controlling" can leave you conflicted and frustrated. How do you nurture your child, get him to listen, and know who's in charge? It can be done. The Everything Parent's Guide to the Strong-Willed Child helps you work around stubborn and argumentative behavior. You'll learn how to encourage your child to compromise and communicate with you, rather than make unreasonable demands and/or shut down altogether. By learning what makes your child strong-willed, the effects of such behavior, and how to manage it, you can help your child achieve a more tempered disposition and teach him the lifelong rewards of a positive attitude. Psychologist Carl E. Pickhardt shows you how to: Regain control of your family Reap the benefits of healthy communication Discipline to teach, not to punish Resolve conflict between you and your child effectively Overcome willfulness in older children The Everything Parent's Guide to the Strong-Willed Child is your all-inclusive guide to regaining, and maintaining, a healthy and happy family.

Uitwerking voor de praktijk van een nieuw managementconcept.

This book is a highly informative, easy-to-read, clear and simple summary of what parents need to know about Autism, Autism Spectrum Disorder, Asperger's, and the behavioral and emotional challenges that come along with them. Autism awareness is at an all-time high, and the concepts presented in major works are summarized and discussed here. There are many challenges involved in raising a child with autism, including obsessive behaviors, lack of social skills, and sensory sensitivity. Parents might find that the child is not relating well to others or regulating their emotions. This book will help parents deal with these problems and teach the child new, positive alternatives to live better. There are strategies outlined that show how play, exercise, social interaction, and other activities can strengthen a child's purpose and connection in the world. Playing on the floor with the child can be very important for development; in this book, it is explained why this works and some suggestions for starting to play with the child with ASD. There are many academic journals and complicated articles with academic language that is hard to follow and difficult to parse. This book is written to be accessible to the everyday busy parent. Each chapter presents information that builds on the next. This book will teach you about: The current understanding of Autism Spectrum Disorder Understanding the Child Diagnosis and how to deal with it Sensory interaction Social skills and how to learn them How to teach children with autism How to train a child with autism Increasing your child's coping skills Reducing your child's stress Maximizing education in play time How to manage time and scheduling Interacting with others

Does your young daughter talk endlessly about invisible friends, dragons in the basement, and monsters in the closet? Is your teenager about to start high school or being victimized by bullies? Is your son mortally afraid of certain insects or of injections at the doctor's office? Compiled by two seasoned clinical psychologists, The Parents' Guide to Psychological First Aid brings together articles by recognized experts who provide you with the information you need to help your child navigate the many trying problems that typically afflict young people. Written in an engaging style, this book offers sage advice on a raft of everyday problems that have psychological solutions. The contributors cover such topics as body image and physical appearance; cigarettes, drugs, and alcohol; overeating and obesity; dental visits; the birth of a sibling and sibling rivalries; temper tantrums; fostering self-esteem; shyness and social anxiety; and much more. Each expert article provides an overview of the issues, offers reassurance for minor problems and strategies for crisis management, and discusses the red flags that indicate that professional help is needed. In addition, the book is organized into various categories to make it easier to find information. For instance, the "Family Issues" section includes articles on Blended Families, Divorce, and Traveling; the "Adolescent Issues" section covers such topics as Dating and Driving; and the "Social/Peer Issues" section explores such subjects as "Sportsmanship," "Homesickness," and "Making Friends." An encyclopedic reference for parents concerned with maintaining the mental health of their children, this indispensable volume will help you help your child to deal effectively with stress and pressure, to cope with everyday challenges, and to rebound from disappointments, mistakes, trauma, and adversity.

De hemel in het ijs van Adrienne Young Strijd, overleven, actie en romantiek De wereld van de zeventienjarige Viking-dochter Eelyn bestaat uit oorlog voeren. Ze weet niet anders dan dat ze samen met haar clan, de Aska, telkens weer strijdt tegen hun grootste vijand, de Riki. Haar leven is wreed, maar eenvoudig: vechten en overleven. Totdat ze op het slagveld het onmogelijke ziet: haar broer die meevecht met de Riki. De broer die ze vijf jaar geleden zag sterven. Eelyn wordt gevangengenomen en moet als slaaf overwinteren in de bergen bij de Riki. Maar als ze zichzelf begint te herkennen in de mensen die ze altijd heeft geleerd te haten, brokkelt de wereld die ze zo goed dacht te kennen langzaam af. Wanneer het dorp wordt aangevallen door een meedogenloze derde clan, moet Eelyn Fiske vertrouwen, de vriend van haar broer die haar meerdere keren heeft geprobeerd te vermoorden. Samen moeten ze een einde maken aan de

bloedvete tussen de Aska en de Riki, anders zullen ze moeten toekijken hoe hun mensen worden afgeslacht. De hemel in het ijs is een meeslepend historisch avontuur geïnspireerd op het tijdperk van de Vikingen, over loyaliteit, vergeving en de definitie van familie. 'Zo nu en dan staat er een zin in die je ogen niet los willen laten. Een heerlijk "donkere dagen"-boek.' Dagblad De Limburger 'Onstuimig, levendig en heel erg mooi. Dit boek zal oorlog voeren met je hart, een die net zo wreed en stoutmoedig is als de veldslagen die erin beschreven worden.' Stephanie Garber, auteur van Caraval 'Adrienne Young heeft fascinerende, multidimensionale personages tot leven gebracht in een grimmig mooie wereld. Alles is rijk en suggestief. Het ijs smelt tegen je huid terwijl de adrenaline je hart raakt. Dit is een aangrijpend verhaal, beeldend verteld.' Renée Ahdieh, auteur van The Flame in the Mist

**LEARN TO MEET THE NEEDS OF YOUR GIFTED CHILD** Though academic abilities have always been important in determining whether your child is gifted, talent in the visual or performing arts, leadership qualities, and intellectual curiosity are just as vital. But unless we as parents help nurture those talents, our gifted children can become bored, socially aggressive, or, ironically, underachievers in the classroom. Here is a practical, informative, and authoritative primer for raising and educating our gifted children from pre-school to adolescence. Beginning with sensible strategies to determine whether--and in which areas--your child is gifted, this book takes parents through selecting an appropriate day-care center, a school, and a home reference library. It helps us figure out where our role stops and the school's role begins, as well as detailing ways to keep our children's creativity alive and how to cope with sibling rivalry and our own doubts and fears. Also included are a recommended reading list, a special section on the roles of the computer and television in your gifted child's life, and much more.

When children lose someone they love, life is never the same. In this sympathetic book, the authors advocate an open, honest approach, suggesting that our instinctive desire to "protect" children from the reality of death may be more harmful than helpful.

The definitive handbook to raising vegan children you've always wished you had. Is bringing up a vegan baby unhealthy? The Smart Parent's Guide to Raising Vegan Kids is the ultimate vegan parenting manifesto that takes on this myth and answers all the other questions you've always wondered about—the vegan way. Raising ethically vegan children, in fact, lays the groundwork for a lifetime of excellent health for your child, the animals, and the planet. Eric C. Lindstrom is in the position to know. In this practical and tongue-in-cheek guide, Lindstrom, dishes the real talk and shares the unique challenges vegans face when starting their children from scratch, providing advice, tips, and tricks on how to raise compassionate, vegan children in all areas of life. Learn: How to get your kids to eat vegetables (when it's all they eat anyway) How to teach your children compassion with visits to sanctuaries and not zoos Advice for dealing with nonvegan social situations and events How to plan for birthday parties and other events Travel and road trip tips with the family Resources for an A to Z of vegan recipes, movies, books, and websites And more! Both informative and hilarious, including expert advice from the world's leading plant-based physicians and fun recipes for your little vegans, The Smart Parent's Guide to Raising Vegan Kids is the guide every vegan parent needs as choose to bring their kids up in a world that will sustain their children, their grandchildren, and their great-grandchildren.

From the corsairs of the Barbary Coast to Blackbeard to Jean Lafitte, pirates have been a part of every culture for centuries. Sometimes terrifying but always colorful characters, their history is as rich with controversy as it is with gold doubloons. The Everything Pirate Book is full of fascinating and little-known facts. Did you know that: Around 75 B.C., Julius Caesar was captured and ransomed by Cilician pirates. After he was released, it is said that he immediately hunted down his captors and killed them; Scottish seafarers and pirates were often nicknamed "red legs" because they wore kilts year round, and their bare legs were often wind- or sunburned; The image of the classic pirate, with flowing clothes, pegleg, eyepatch, parrot on his shoulder, and treasure map in his hand is primarily a result of Robert Louis Stevenson's Treasure Island. With each passing decade, the legends surrounding pirates have grown to epic proportion, right down to their peglegs and buried treasure. The Everything Pirate Book will take you on a pirate tour from ancient times to their Golden Age to the modern-day search for buried treasure and reveals the truth behind the Hollywood hype.

A lesson that can never be learned too early is that of responsibility. "Raising Responsible Kids" gives parents practical advice on rearing responsible children.

If your kids aren't learning about sex from you, what are they learning about sex, and who is teaching them? Having "the talk" with your child does not have to be a terrifying and awkward event. Armed with Dr. Janet Rosenzweig's groundbreaking book, you may find you never need to have "the talk." Dr. Rosenzweig illustrates how you can help protect your children from sexual abuse, trauma, and bullying through your everyday interactions with them. She walks you through the steps you can take to combine your own family's values with age-appropriate information for children at all stages of development. And you'll learn how to do so in a way that will improve the trust and communication between you and your child. Dr. Rosenzweig applies her decades of experience in child abuse prevention, sexuality education, and family services to help you identify the real threats to your children's safety and to protect them from becoming victims of sexual misinformation or exploitation. From choosing a child's first daycare to meeting the multimedia challenges of adolescence, The Parent's Guide to Talking About Sex will coach you to raise sexually safe and healthy sons and daughters.

Het is de wens van elke ouder: gelukkige kinderen. En wat is de sleutel tot dit succes? Welnu, die ligt ergens in ons eigen land. Onlangs werd het door Unicef weer vastgesteld, Nederlandse kinderen zijn het gelukkigst. Blijkbaar doen we iets heel erg goed, maar wat? Misschien leer je wel het meest over je eigen cultuur als je een keer door de ogen van een buitenlander kijkt. Michele Hutchison en Rina Mae Acosta zijn beiden met Nederlanders getrouwd, ze wonen hier en voeden hier hun kinderen op. Allebei hopen ze op het typisch Nederlandse resultaat dat ze overal om zich heen zien: evenwichtige en onafhankelijke baby's, kinderen en tieners. Met een scherpe blik en veel humor observeren ze de Nederlandse praktijken, in de hoop het geheim te ontrafelen. Laat de rest van de wereld er zijn voordeel mee doen, en laten wij er zuinig op zijn. 'Alle ouders zouden dit boek moeten lezen.' – The Daily Mail 'Briljant, briljant, briljant!' – BBC Radio 2 Breakfast Show 'Een plezier om te lezen!' – Joris Luyendijk, Londen 'Een geweldig boek.' – The Sun

Do you want your child to eat better? As parents, we want our children to eat nutritious food and learn to make smart food choices. We want happy, relaxed family mealtimes. For children to learn to enjoy healthy foods, they need to taste them, often many times, many different ways. What if they refuse to try? What if they say they don't like it? What can you do if they complain, argue, cry, gag, spit food out or throw tantrums? Most parents know what to feed their children... the problem often is about how to get them to eat. Try It You'll Like It is packed with parenting tactics to promote healthy eating and positive mealtime behaviours in children, including trying new foods. If you think your child is a 'fussy eater', this book will challenge your views and give you the tools and confidence to raise a healthy eater. Children can learn to enjoy delicious, healthy meals and the many benefits they bring for health and wellbeing. No more fussy eating. Teach your children to love good food!

Suppose you're a parent who never had the opportunity to learn a musical instrument. You wish that your parents had made choices that led you to the piano, cello, or saxophone. Now you're determined to

do better for your child. The only problem is you're not sure where to start. What instrument should your child learn? How does their brain develop differently when they start playing an instrument? How should they practice? THE PARENTS' GUIDE TO MUSIC turns the stress of all these questions into excitement and joy. This quick read will leave you confident about making the right choices for your child's music education. More importantly, you'll be delighted when you realize the depth of the musical world you're gifting to your child.

Raising LGBTQ Allies is the first book to focus on the prevention of homophobia, transphobia, and bullying before they begin. It encourages families to have open and authentic conversations in a practical, timely, and inclusive way. It also creates a dialogue with parents around the possibility they may have an LGBTQ child.

Once upon a time, you were a nerdy child, and now that you're a parent, let's make sure your kid can be a nerdy child too! In a world filled with superheroes, wizards, spaceships, and magical telephone booths, everyone should be part of a fandom, and you can never start too early. This is for the parents who want to share their fantastical interest with their children in hopes that they too will grow up to become little nerds.

The fear of being judged by others in social activities is a common human experience, especially during childhood. But when the fear becomes all-consuming, it can disrupt daily functioning and the development of social competency. Raising the Shy Child: A Parent's Guide to Social Anxiety takes a fresh look at social anxiety disorder, coupling the latest in research trends with evidence-based strategies and real-world stories to untangle the complexities of this disorder. Presented in an easy-to-read, conversational style, the book uses a combination of real-world examples and stories from adults and children with social anxiety disorder to show parents and educators how to help children find a path through their fear and into social competence. With specific strategies to address school refusal, bullying, and identity issues, Raising the Shy Child is a must-read resource for anyone dedicated to enhancing the lives of children.

As parents struggle with these questions on a daily basis, The Everything Parent's Guide to Raising a Successful Child helps put their fears to rest, providing them with professional, reassuring advice on how to raise a "successful" child according to their own standards. The Everything Parent's Guide to Raising a Successful Child walks parents through all emotional, intellectual, and physical aspects of development. It's the first step in establishing realistic expectations, setting boundaries, and helping shape the mind of a responsible, well-rounded, happy young adult.

Iedere ouder wil dat zijn kind gelukkig is, en dat het in een veilige omgeving opgroeit tot een gelukkige volwassene. Maar hoe doe je dat? In dit wijze, verstandige en verfrissende boek staat alles wat er in de opvoeding van een kind écht toe doet. Geen praktische tips over slapen, eten, goede manieren of huiswerk, maar helder advies over de essentie van het ouderschap. Op basis van haar rijke ervaring als therapeut, haar wetenschappelijke inzichten en haar persoonlijke ervaringen als ouder, behandelt Philippa Perry de grote vragen van de ouder-kindrelatie, van baby tot tienerjaren. Hoe ga je om met je eigen gevoelens en die van je kind? Hoe zien je gedragingen en patronen eruit? Hoe ga je om met je ouders, je partner, vrienden? Dit boek biedt een brede, verrassende kijk op een diepgaande en gezonde ouder-kindrelatie. Zonder oordelend te zijn, geeft Perry op een even directe als geestige manier inzicht in de invloed van je eigen opvoeding op je ouderschap. Het is een boek vol liefdevol advies over het maken van fouten en het onder ogen zien daarvan - waardoor het uiteindelijk goed zal komen. Philippa Perry is al twintig jaar psychotherapeut en schrijver. Ze is verbonden aan The School of Life. Daarnaast is ze tv- en radiopresentator en werkte ze mee aan vele documentaires. Ze woont in Londen met haar echtgenoot, de kunstenaar Grayson Perry, met wie ze een volwassen dochter heeft.

A positive, mindful plan for children and parents in transition! If you're facing the challenge of raising children in two homes, you may be feeling overwhelmed and unsure of how to build a healthy coparenting relationship. With The Conscious Parent's Guide to Coparenting, you'll learn how to take a relationship-centered approach to parenting, foster forgiveness, and find constructive ways to move on when relationships change. Coparenting means putting your child's needs first. And conscious parenting acknowledges a child's thoughts, feelings, and needs, as well as a parent's responsibility to them. This easy-to-use handbook helps you to: Build a coparenting relationship based on mutual respect Lower stress levels for the entire family Communicate openly with children about divorce Discuss and reach parenting decisions together Protect children, meet their needs, and help them build resilience Educate your family and friends about coparenting The concept of ending a marriage peacefully, with compassion and respect for former partners, is often viewed with surprise in modern society. But choosing to consciously coparent is an important choice you can make for yourself and your children--one that will benefit the emotional health of your family for years to come.

Addresses issues atheist or agnostic parents may face when raising children, including how to handle discipline, discuss mortality, and express thankfulness when God is removed from the equation.
