Why is that? People in general are quick to point out that some are naturally built more than others to learn Portuguese and other languages. This is not necessarily true, however, since we have all come to learn and speak our native language fluently. If you find yourself overwhelmed trying to study and review thousands of Portuguese phrases and vocabulary words or are struggling to speak Portuguese with native speakers, try this book! This is not a basic Portuguese for beginners textbook designed to teach Brazilian Portuguese or European Portuguese but a book that will teach you how to learn Portuguese the smart way and get you to fluency faster using highly effective language learning methods and techniques. There exists hundreds of Portuguese language coursebooks, Portuguese phrase books, and basic Portuguese for beginners textbooks, but without smart language learning techniques and strategies, you are likely to forget what you have studied and reviewed and especially during a conversation. There exists an easier and more fun way to build your overall Portuguese language ability. In How to Get Really Good at Portuguese, discover how you can easily conquer the Portuguese language using highly effective methods and strategies used by polyglots (language learning experts). This includes both European Portuguese and Brazilian Portuguese. These methods and techniques can even be used to learn Portuguese phrases, vocabulary, and grammar from TV shows, movies, videos, music, and video games. Learn Portuguese smarter and faster starting today!
