I showed up in backwater little Yazoo City Mississippi expecting to find solitude and a fresh start. I just left my wealthy, neglectful husband--with a couple million dollars belonging to him, I might add. When I got to Yazoo, though, I didn't find any solitude, that's for sure. I ended up in the arms of an oh so sexy man named Tre McNabb. The problem? Tre is the preacher's son.

There are many books available on creating a good effective homily. This book, unique in that it is the product of a long-standing dialogue between James Bacik, a pastor and theologian, and Kevin Anderson, a clinical psychologist and author, offers those who preach theological perspectives and practical advice on proclaiming the word of God. The authors move through the process of preparing and delivering a homily from its conception to delivery. However, they emphasize the focus and function of the homily rather than the theme, and how this relates the message of the readings to the human or social concerns of the congregation. Here is a one-of-a-kind book that includes empirical data in the form of a survey to explore what works and does not work in preaching. It will provide a fresh perspective to those in homiletics courses in seminaries as well as hands-on advice for those who already preach.

What does it mean to preach the gospel today? How do we shape vibrant congregations? How do we preachers not merely survive, but thrive? For nearly a quarter century, Chris Neufeld-Erdman has preached the gospel--sustaining congregational life and emboldening Christian witness in the midst of this turbulence. He's also taught seminarians and mentored working pastors. His theology and practice of preaching is hammered out on the anvil of real life. It's tested. True. Useful. In this book, a veteran pastor meditates on everything from exegesis and sermon preparation to the way preachers might preach after tsunamis, hurricanes, and earthquakes. He reflects on what it means, for example, to host the text in the midst of what feels like a terminal state of war and violence, both abroad and at home, as well as the task of preaching in the midst of the massive anxiety produced by economic uncertainty and political gridlock. Here's a book that will inspire and guide you as a wise, empowered preacher--an ordinary agent of the extraordinary gospel.

In 1928, when Riverside Church (NYC) pastor Harry Emerson Fosdick asked the question in Harpers Magazine, "What's the Matter with Preaching Today?" he did not know that one response to that question had just entered the world in Humboldt, Tennessee. Fred B. Craddock revolutionized preaching theory and practice by flipping pulpit logic from deductive to inductive—often called the preaching-as-storytelling revolution—and in so doing brought renewed interest and impact to the practice of preaching, effectively rescuing it from an often

tedious and moralizing fate. With Fred, preaching was anything but boring. Rather, it was an exciting and enlightening ride that led to the renewal of faith. To honor Craddock's legacy, Mike Graves and André Resner invited ten leading voices in homiletics to identify something that is right about preaching today. In addition, they issued a call to a wide variety of people to contribute stories about Fred's impact on their lives and ministries. Twenty-seven remembrances of Fred are included here throughout the book. If you appreciate effective and engaging preaching—as either a preacher or listener—the essays and remembrances here will speak to you and provide encouragement about preaching's present and future. With contributions from: Ronald J. Allen Barbara K. Lundblad Alyce McKenzie Debra J. Mumford Luke Powery Andre Resner Richard Ward Dawn Ottoni-Wilhelm Paul Scott Wilson "The Preacher's Edge "puts to work the basic principles of oratory and persuasive speaking with creative pulpit techniques. It is written to be used by preachers for a revival and renewal of their preaching. From this book one can learn how to reach and hold the attention of this "channel surfing" generation of congregational members. This book is a celebration and affirmation of the role of preaching as the church moves into the 21st century. Reading it will modify the way in which the preacher delivers his message. And it will improve the attention span of those who hear the Good News in new and exciting ways. "In tune with the communication patterns of the "baby boomer and buster generations," Dr. Schmalenberger advocates preaching in an imagistic, earthy, and rhetorically

musical style, and urges us to meet head-on the demand that the church respond to the difficult questions of our society. Both chapters and sample sermons present examples of the techniques he describes, and the book concludes with a clear, step-by-step program for improving one's preaching that could profitably be followed by preachers at any stage in their ministry." The Rev. Linda L. Clader, Ph.D. Associate Professor of Homiletics The Church Divinity School of the Pacific Berkeley, California "Years in demanding pulpits and classrooms have given Jerry Schmalenberger an "edge" that he shares with candor and power. If you are looking for suggestions and possibilities, even a ten-week strategy for improving your preaching, this book is for you." Richard L. Thulin, Th.D. Dean and Professor of the Art of Preaching Lutheran Theological Seminary Gettysburg, Pennsylvania This volume is a plea and a plan for preaching "close to the ground," using the very best speech techniques that have been discovered over the years. Schmalenberger strongly believes that paying attention to listeners' reactions is a keystone to effective preaching. Building on the extended narrative metaphor, he shows how local history can be a source of gospel parable and how it will more effectively lead to reaching the Baby Boomer and Baby Buster generations. Jerry Schmalenberger is president and professor of parish ministry at Pacific Lutheran Theological Seminary in Berkeley, California. He teaches

He is a graduate of Wittenberg University and Hamma School of Theology in Springfield, Ohio. He has received Doctor of Ministry and Doctor of Divinity degrees from Wittenberg and Hamma. Schmalenberger has taught speech and communication at Wittenberg University and Urbana College in Ohio and was a parish pastor for 29 years. From the New York Times bestselling author of *Everything Happens for a Reason: And Other Lies I've Loved*, a fascinating look at the world of Christian women celebrities Since the 1970s, an important new figure has appeared on the center stage of American evangelicalism—the celebrity preacher's wife. Although most evangelical traditions bar women from ordained ministry, many women have carved out unofficial positions of power in their husbands' spiritual empires or their own ministries. The biggest stars—such as Beth Moore, Joyce Meyer, and Victoria Osteen—write bestselling books, grab high ratings on Christian television, and even preach. In this engaging book, Kate Bowler offers a sympathetic and revealing portrait of megachurch women celebrities, showing how they must balance the demands of celebrity culture and conservative, male-dominated

In this lively and accessible book, Alyce McKenzie explores how fiction writers approach the task of writing novels: how they develop their ideas, where they find their inspiration, and how they turn the spark of a creative notion into words on paper that will captivate the masses. McKenzie's study shows how preachers can use the same techniques to enhance their own creativity and to turn their ideas into powerful, well crafted sermons. *Novel Preaching* offers a wealth of advice from successful fiction writers, including Isabelle Allende, Frederick Buechner, Julia Cameron, Annie Dillard, Natalie Goldberg, Stephen King, Toni Morrison, Joyce Carol Oates, and Melanie Rae Thorn, and also includes a number of sample sermons from McKenzie herself.

General editor Lloyd J. Ogilvie brings together a team of skilled and exceptional communicators to blend sound scholarship with life-related illustrations. The design for the Preacher's Commentary gives the reader an overall outline of each book of the Bible.

Following the introduction, which reveals the author's approach and salient background on the book, each chapter of the commentary provides the Scripture to be expounded. The New King James Bible has been chosen for the Preacher's Commentary because it combines with integrity the beauty of language, underlying Hebrew and Greek textual basis, and thought-flow of the 1611 King James Version, while replacing obsolete verb forms and other archaisms with

their everyday contemporary counterparts for greater readability. Reverence for God is preserved in the capitalization of all pronouns referring to the Father, Son, or Holy Spirit. Readers who are more comfortable with another translation can readily find the parallel passage by means of the chapter and verse reference at the end of each passage being expounded. The paragraphs of exposition combine fresh insights to the Scripture, application, rich illustrative material, and innovative ways of utilizing the vibrant truth for his or her own life and for the challenge of communicating it with vigor and vitality.
