Note: If you are purchasing an electronic version, MyMarketingLab does not come automatically packaged with it. To purchase MyMarketingLab, please visit www.MyMarketingLab.com or you can purchase a package of the physical text and MyMarketingLab by searching for ISBN 10: 0133257835 / ISBN 13: 9780133257830. Principles of Marketing has been recognized as the gold standard of Marketing texts due to its accessibility and breadth anchored by solid academic grounding, while continuing to be engaging and relevant. The ninth Canadian edition of Principles of Marketing has been thoroughly revised to reflect the major trends and forces impacting marketing in this era of customer value and relationships.

This Kotler classic helps readers master the basic principles and practices of modern marketing in an enjoyable and practical way. Coverage balances upon three essential pillars—(1) theory and concepts; (2) practices and applications; and (3) instructional support—cultivating an efficient, effective reading and learning environment. Topics include marketing in a changing world; strategic planning and the marketing process; the global marketing environment; marketing research and information systems; consumer and business buyer behavior; market segmentation, targeting, and positioning for competitive advantage; product and service strategies; new-product development and life-cycle strategies; pricing considerations and strategies; distribution channels and logistics management; retailing and wholesaling; advertising and public relations; personal selling and sales promotion; direct and online marketing; the global marketplace; and marketing and society. For practicing Marketing Managers/Marketing Representatives or anyone involved in the marketing, advertising, or selling of goods and services. Quality without Question Principles of Marketing has been recognized as the gold standard of Marketing texts due to its accessibility and breadth anchored by solid academic grounding, while continuing to be engaging and relevant. The ninth Canadian edition of Principles of Marketing has been thoroughly revised to reflect the major trends and forces impacting marketing in this era of customer value and relationships. Note: MyMarketingLab is not included with the purchase of this product.

Principles of Marketing Pearson Education

For the Principles of Marketing course. The comprehensive, classic principles text organized around an innovative customer-value and customer-relationship framework.

The 12th edition of this popular text continues to build on four major marketing themes: building and managing profitable customer relationships, building and managing strong brands to create brand equity, harnessing new marketing technologies in the digital age, and marketing in a socially responsible way around the globe. Thoroughly updated and streamlined, Principles of Marketing tells the stories that reveal the drama of modern marketing, reflecting the major trends and forces that are impacting this dynamic and ever-changing field. Topics include: the marketing environment, managing information, consumer & business buyer behavior, segmentation, targeting, and positioning, branding strategies, distribution channels, advertising and sales promotion, direct marketing, and the global marketplace. An excellent tool for anyone in marketing and sales, whether self- or corporate- employed.

"In a fast-changing, increasingly digital and social marketplace, it's more vital than ever for marketers to develop meaningful connections with their customers. Principles of Marketing helps students master today's key marketing challenge: to create vibrant, interactive communities of consumers who make products and brands an integral part of their daily lives. To help students understand how to create value and build

customer relationships, Kotler and Armstrong present fundamental marketing information within an innovative customer-value framework. Thoroughly revised to reflect the major trends impacting contemporary marketing, the 17th Edition is packed with stories illustrating how companies use new digital technologies to maximize customer engagement and shape brand conversations, experiences, and communities."

--

Innovation + Value Creation. The 6th edition of Principles of Marketing makes the road to learning and teaching marketing more effective, easier and more enjoyable than ever. Today's marketing is about creating customer value and building profitable customer relationships. With even more new Australian and international case studies, engaging real-world examples and up-to-date information, Principles of Marketing shows students how customer value-creating and capturing it-drives every effective marketing strategy. The 6th edition is a thorough revision, reflecting the latest trends in marketing, including new coverage of social media, mobile and other digital technologies. In addition, it covers the rapidly changing nature of customer relationships with both companies and brands, and the tools marketers use to create deeper consumer involvement.

Revised edition of the authors' Principles of marketing.

Principles of Marketing is the highly successful European adaptation of Kotler and Armstrong, one of the world's leading and most authoritative marketing textbooks. The text takes a practical and managerial approach to marketing. It is rich in topical examples and applications that show the major decisions that marketing managers face in their efforts to balance an organisation's objectives and resources against needs and opportunities in the global marketplace. A comprehensive, classic principles text organized around an innovative customer-value framework. Students learn how to create customer value, target the correct market, and build customer relationships.

A flagship marketing resource that provides an introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills. MyLab Marketing can be packaged with this edition to engage students and allow them to apply their knowledge, strengthen their understanding of key concepts and develop critical decision making skills.

Principles of Marketing Scandinavian Edition is an ideal introductory text for undergraduate students and practitioners alike. This, the second Scandinavian edition, is true to Kotler and Armstrong's classic conceptual framework, which has proved itself an exceptional introduction to marketing and has been used by millions of students all over the world. Principles of Marketing book outlines and discusses concepts and ideas that help students and practitioners develop an effective marketing strategy for today's markets. Cases and examples are written to reflect current best practice in Scandinavian and European companies. The book describes and explains how these companies deal with challenges in domestic and international markets. Set within a Scandinavian context, the text is nonetheless global in scope and thus very relevant for modern marketers.

For principles of marketing courses that require a comprehensive text.
