CIMA offers a business qualification with a finance focus, aiming to produce members with accounting prowess who are skilled in strategic decision-making. 98% of its members work in business, the highest proportion of any worldwide accountancy body. New syllabus CIMA Paper E2 Enterprise Management is a compulsory paper at the Management level and is the second of three papers progressing up the Enterprise pillar. It builds on the functional knowledge found in Paper E1 Enterprise Operations toward an integrated view of management in the organisation. E2 introduces strategic ideas, tools and techniques essential for passing the three strategic level papers. Project Management comprises 40% of the syllabus with the remainder split evenly between Strategic Management and Assessing the Competitive Environment, and Management of Relationships. Credit will be given to students who passed Paper P5 under the 2005 syllabus against E2 in the 2010 syllabus. The E2 Study Text is your complete guide to the E2 syllabus. All areas of the syllabus are explained fully and links to E1 and E3 clearly identified. Section introductions ease you into the chapter topics and key terms you must know are shown clearly throughout. There are plenty of questions to sharpen your knowledge and case studies to bring material to life. Exam alerts and skills are signposted to guide you on approaching the exam.

The examining team reviewed P3 Study Text covers all the relevant ACCA P3 syllabus topics. It explores the theories behind the key areas of Business Analysis and demonstrates how these theories are put in to practice. Detailed examples throughout the text will help build your understanding and reinforce learning.

Why you need this PMP guide: • Coverage of the 100% of the exam content • Lots of figures and tables for faster preparation • ITTO-made-easy with diagrams and built-in

text • Simple explanations for difficult concepts • Synopsis and formulas section ... for reference before the PMP exam • Easy-to-follow layout • 400+ sample questions with detailed explanations • Full-length practice exam • Tips for practical project management • How-to for Microsoft Project (MPP) application This book is a must-have for those preparing for PMP certification. It is different than existing books because we believe that PMP preparation can be quick and efficient. We have read the existing books and taken the PMP exam and we have found that most books contain unnecessary content. • Reduce your preparation time: There are several books in the market that have pages of painful and irrelevant text that would just be a waste of your time. This book has text that is concise and relevant for the exam. • Figures and tables: There are 200+ figures and tables in the book. When text is needed to explain the figure, the text is embedded into the figure, rather than forcing you to read long paragraphs and pages of commentary to find relevant material. • Personalized, conversational style: When possible, we use conversational style to make for easier reading. • Active learning: We believe that learning is best when the reader is involved (instead of doing a show and tell). Wherever applicable (e.g. for schedule, cost, quality, risk, procurement), there are workbook-style exercises. • Examples: You will find lots of examples followed by its underlying concept or generalized step-by-step procedure. This sequence makes it easier to understand concepts. REVIEW FROM CONTACT 1: I have studied various PMP guides and tutorials in the market. But this book is different, stands out and would be the best companion guide to the PMBOK. Difficult concepts are presented in a style that is easy to follow. The content is concise and supported by illustrative figures and tables. This will save you from wasting your time on irrelevant or copious content. In my opinion, this is the ONLY book you will need to pass the PMP exam. Other printed books and online sites have questions that are easier than the PMP exam and some wrong and answers and explanations. The 400+ questions are at the same level of rigor as you will find in the PMP exam. I wish I had this guide when I prepared for the PMP exam. - Andrew Anderson, PMP, Los Angeles, CA

Conquer the question asked 80-85% of the time: As a project manager, what would you do next? The PMP(R) Questions, Answers and Explanations Updated for 2020-2021 Exam is a comprehensive study resource for any professional preparing for the 2020 PMP exam. Although the PMP exam is notoriously difficult to pass, this guide includes two complete mock exams and is designed to give test takers the best possible chance of passing the PMP on their first attempt. If you're only going to utilize one study resource, this comprehensive aid is the one to acquire. This thorough and up-to-date preparation aid includes: Tips and tricks for passing on your first attempt that you won't find in any other PMP study resource Comprehensive practice exams and refresher sections of all the main topics to be tested on the exam, including: People, Business, and Process Three full-length, 4-hour Mock Exams with over 200 questions (and solutions) each Over 800 Total Exam Questions Information on the PMP Exam process itself, its format, and what to expect on exam day Glossary of terms and definitions for easy and quick review Index to efficiently find the topics you're currently focusing on Praise & Reviews "This guide is a godsend to anyone who wants to pass the PMP exam. I've actually taken the course and quite frankly, the author is correct in stating that the exam is more about measuring

whether or not the candidate understands the terminology as opposed to whether or not the individual is a proficient project manager. I plan on taking the exam at the end of the year. I will definitely use PMP(R) Questions, Answers and Explanations Updated for 2020-2021 Exam as my "go to" study guide. Thank you for making the information available." - J.L., ????? "This book was extremely useful and helpful. I feel much more prepared for the exam and I have a good idea of the kinds of questions that I will be asked now. I didn't try to memorize questions and answers, there are too many, but it did give me a great peek at what I need to study." - R.S., ????? About the Author As a certified Project Management Professional and recognized database and infrastructure expert, Darron Clark has over three decades of experience in implementing creative solutions and optimizing system performance for nationally-known organizations. In addition to Darron's technological savvy, he is a skilled teacher, coach, and presenter, and has developed and led numerous training seminars and workshops. Darron has earned degrees and certificates in PMP, EMBA, BSCS, and BSEET.
