Scotland is renowned worldwide for its engineering prowess, which of course included locomotive building. This lavishly illustrated and detailed publication celebrates standard gauge steam locomotive building North of the Border. Focussing not only on the achievements of the major companies, North British Locomotive Co Ltd, Neilson & Co Ltd, Neilson Reid & Co Ltd, William Beardmore Ltd, Sharp Stewart & Co Ltd, and Andrew Barclay, Sons & Co Ltd it also highlights the contribution made by several of the smaller, but nevertheless significant locomotive builders. Details of the output of the several railway company locomotive building works are also included. All of the Scottish built locomotive classes which came into British Railway's ownership are featured ,and a large majority of the carefully selected images are published for the first time. Scottish Steam celebrates the significant contribution made by Scottish railway engineering workshops to steam locomotive development.
