Een meeslepend, historisch epos over de opkomst van Londen als financieel centrum van de wereld en over John Stone, industrieel en wapenhandelaar. Londen 1909. John Stone valt uit een raam van zijn huis, zijn dood tegemoet. De politie denkt aan zelfmoord, maar zijn weduwe is daar niet van overtuigd en huurt de jonge journalist Matthew Braddock in om onderzoek te doen naar de mysterieuze omstandigheden rond zijn dood. Bovendien moet hij op zoek naar een kind van Stone, van wie het bestaan pas in zijn testament bekend werd gemaakt. De zoektocht van Braddock naar het leven van Stone voert hem van, waar Stone met zijn enorme rijkdom financiële markten kon manipuleren, naar Parijs voor de ontmoeting met de liefde van zijn leven, en de oorspronkelijke bron van zijn fortuin in het negentiende-eeuwse Venetië. De val van Stone is een ingenieuze puzzel van fictie en feiten die de lezer ademloos naar het einde meevoert. Het is bovendien de triomfantelijke terugkeer van een van de beste verhalenvertellers ter wereld.

Librarian and educator Michael Sullivan provides the tools that librarians, school library media specialists, and educators need to overcome cultural and developmental challenges, stereotyping, and lack of role models that essentially program boys out of the library. Attracting boys to library programs in the "tween" years will maintain their interest in books and reading over a lifetime, creating good health habits from a young age. Sullivan's practical and proven programming builds on the unique developmental needs and interests of boys in this middle stage. From playing chess to swathing the walls in butcher paper to give boys a physical space to respond to books, Sullivan's practical ideas and developmentally astute insights show librarian and teacher colleagues how to make vitally needed connections with this underserved population.
