Accompanys: 9780073347066 .

Whether from a concert stage or in front of a classroom, Roger Kamien knows how to connect with an audience. It is his unique combination of a performer's musical sensibility and a teacher's understanding of what works with students that has made that has made the Brief Edition of Music: An Appreciation the most widely-used text of its kind. The book's impeccable scholarship, clear presentation of musical elements and history, carefully chosen repertoire of musical selections, and insightful listening guides have been its hallmarks from the first edition.

Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, so that your class time is more engaging and effective. It provides tools that make assessment easier, learning more engaging, and studying more efficient.

Connect Music, a new web-based assignment and assessment platform, gives students the means to better connect with their coursework, with their instructors, and with the important concepts that they will need to know for success in Music Appreciation. Connect Music includes a complete ebook of the text and incorporates interactive listening assignments and quizzes, streaming music examples, video opera and film excerpts, an audio glossary, and much more. Instructors can assign listening exercises online and see the results of student work in their gradebook.

Never HIGHLIGHT a Book Again! Includes all testable terms, concepts, persons, places, and events. Cram101 Just the FACTS101 studyguides gives all of the outlines, highlights, and quizzes for your textbook with optional online comprehensive practice tests. Only Cram101 is Textbook Specific. Whether from a concert stage or in front of a classroom, Roger Kamien knows how to connect with an audience. It is his unique combination of a performer's musical sensibility and a teacher's understanding of what works with students that has made Music: An Appreciation the most widely-used text of its kind. The text's impeccable scholarship, clear presentation of musical elements and history, carefully chosen repertoire of musical selections, and insightful listening guides have been its hallmarks from the first edition. The revision adds a new text feature designed to help students connect their classroom experience to a wider listening world, and an exciting new online component. When it comes to writing a text for non-music majors, Kamien knows the score. With the care you would expect from the concert pianist he is, Kamien introduces the musical elements and repertoire thoroughly and clearly, without assumptions of prior knowledge but also without condescension. As a teacher at Queens (NY) College, Kamien developed the concept of the Listening Outline, which he incorporated into the first edition of Music: An Appreciation and which he has refined and enhanced in every subsequent edition. This is a text with which students of all levels and backgrounds can feel comfortable.

This 9-CD set includes opera clips and other musical pieces for use with Music: An Appreciation. These audio CD's may be used with the listening software available on the text's Online Learning Center.

Nieuwe, uitgebreide editie Hoe muziek werkt is David Byrnes ode aan de muziek, een verslag van een leven in de muziekwereld en een uitleg over hoe en waarom muziek werkt. Byrne, muzikant, ontpopt zich in dit standaardwerk tot historicus, antropoloog en sociaal wetenschapper en biedt ons een schat aan feiten over muziek en muziekvormen, gemengd met zijn eigen ervaringen. Met concrete voorbeelden laat hij zien dat muziek niet alleen in studio's ontstaat, maar meer nog een logisch en prachtig gevolg is van ons bestaan en onze culturele omstandigheden. Laat je meenemen op een onweerstaanbaar avontuur waarbij Byrne met knappe en bezielde argumenten vertelt over de bevrijdende en stimulerende kracht van muziek.

Music: An Appreciation remains the time-tested solution for welcoming non-majors to the art of listening to great music. Now, Roger Kamien places a renewed focus on learning the elements of music, fostering each student's unique path to listening and understanding. This is achieved through step-by-step guidance as they learn the elements of music, as well as an increased number of musical selections to appreciate, and an enhanced McGraw-Hill Connect experience. As the authority in the Music Appreciation course, Kamien equips students with the language, tools and listening skills required to sustain a life-long enthusiasm for music.

McGraw-Hill is revolutionizing the Music Appreciation course by introducing its first personalized digital learning experience with Roger Kamien's Music: An Appreciation, Brief Edition. Using this market-leading instrument that brings great music to the course in more ways than ever before, students are now transformed into active participants in the Music Appreciation space. The result is active listening, active reading, and active learning.

Music: An Appreciation welcomes nonmajors to the art of listening to great music. Roger Kamien continues to focus on coverage of the elements of music, fostering each student's unique path to listening and understanding. The 13th edition of Music: An Appreciation equips students with the language, tools, and listening skills required to sustain a lifelong enthusiasm for music. Typically the first material that a Music Appreciation student encounters in the semester is about the elements of music. Often it is a student's first exposure to musical vocabulary and concepts. The new edition features four learning tools that supplement and expand on Roger Kamien's narrative on the elements. These include Elements of Music Interactives, Fundamentals of Music Video Tutorials, Spotify Playlists, and targeted guidance in Listening Outlines and Vocal Listening Guides. New recordings have been added to the new edition. All selections can be accessed in McGraw Hill Connect®, or students can purchase an access card that allows them to download MP3 files of selections.

What does it take to make a great performance? It takes great music, a great performer and a great instrument. Music: An Appreciation

includes some of the greatest music ever created. Roger Kamien's excellence as an interpreter of that music has made his program number one in the market used by over half a million students since its conception. Now, CONNECT Kamien provides the world-class instrument that allows Music: An Appreciation to bring great music to his audience in an extraordinary new way. Music: An Appreciation is great music, a great interpreter, and a great instrument.
