The Sailing Bible The Complete Guide for All Sailors from Novice to Experienced Skipper A&C Black

1720. Escaping the gallows, Anne Bonney, the infamous pirate queen, sets sail in search of a fabulous treasure said to be hiding in a lost city of bones somewhere in the heart of Africa. But what she finds is a destiny she never expected . . . . 1870. Maude Stapleton is a respectable widow raising a daughter on her own. Few know, however, that Maude belongs to an ancient order of assassins, the Daughters of Lilith, and heir to the legacy of Anne Bonney, whose swashbuckling exploits blazed a trail that Maude must now follow—if she ever wants to see her kidnapped daughter again! Searching for her missing child, come hell or high water, Maude finds herself caught in the middle of a secret war between the Daughters of Lilith and their ancestral enemies, the monstrous Sons of Typhon, inhuman creatures spawned by primordial darkness, she embarks on a perilous voyage that will ultimately lead her to the long-lost secret of Anne Bonney—and the Father of All Monsters. One of the most popular characters from The Six-Gun Tarot and The Shotgun Arcana now ventures beyond the Weird West on a boldly imaginative, globe-spanning adventure of her own! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Situational Analysis creates analytic maps of social processes and relationships identified using grounded theory. Creator of the method, award-winning sociologist Adele E. Clarke and two co-editors show how the method can be, and has been, used in a variety of critical qualitative studies. The book—Updates the basic concepts and methods of situational analysis, a methodology created by Clarke;—Provides five important case studies of its use in a variety of health and educational settings;—Offers reflections from the original researchers on the studies and their impact;—Includes lists of published articles and available websites focused on situational analysis.

Drawn from the resources of the Smithsonian Institution and based on the television and videotape series of the same name, an illustrated, authoritative travel and history guide traces and explains every recorded Civil War battle and battlefield. BOMC History.
