

Sats Past Papers

This book contains all the questions that came in SATs exams from 2016 onwards and categorised them into simple topics. Even more, we have also gone through all the questions that are relevant to the current syllabus from 2010 to 2015 and put them in their respective topics. If you complete this book, CONGRATULATIONS, you have solved all the questions that have come in exams ever since 2016. This book is created with one simple idea- the more you practise, the better you get. But if you target that practice topic wise, the results are extraordinary. The book can be used to revise your learning. You can choose any of the individual topics and see where your preparations are at.
